ADDENDUM

To Fiscal Note on
sHB-6764, File No. 315

AN ACT CONCERNING A SOLAR UNIFORM CAPACITY TAX AND MODIFICATIONS TO THE STATE'S RENEWABLE ENERGY PROGRAMS.

The fiscal note on the underlying bill recognized a revenue gain associated with the new "solar uniform capacity tax" established under the bill. In addition, there is an estimated cost of \$1.3 million in FY 24 (including \$650,000 in one-time costs) and \$650,366 FY 25 and annually thereafter to administer the new tax.

The estimate includes two Revenue Examiners (\$72,704 for salary and \$31,132 for fringe benefits each) and five Revenue Agents (\$59,772 for salary and \$25,594 for fringe benefits each). There are also one-time technology costs totaling \$650,000 in FY 24 associated with setting up and programming the new tax in the CTax tax administration system and myconneCT online portal, and for form development.
