## CORRECTION

To Fiscal Note on  
sHB-6880, File No. 590

AN ACT CONCERNING ASSORTED REVISIONS AND ADDITIONS  
TO THE EDUCATION STATUTES.

---

The fiscal note indicated an annual cost associated with Section 6 of less than \$10,000 per school district beginning in FY 24.

This was not correct. The fiscal note should have indicated that the Section 6 cost of less than \$10,000 represented the total annual estimated cost to SDE beginning in FY 24. As detailed in the fiscal note, this cost is to reimburse districts and participants that incur costs due to participation in the committees established by the bill.

While some districts may incur costs associated with missed classroom time for teachers serving on the teacher advisory committee, the bill requires SDE to reimburse those costs, resulting in no net cost to any district as a result of the bill.
