**AN ACT CONCERNING VERIFICATION OF THE RESIDENTIAL  
ADDRESS OF A REGISTERED SEX OFFENDER**

**SUMMARY:** By law, the Department of Emergency Services and Public Protection generally must verify each registered sex offender's residential address every 90 days after his or her initial registration by mailing a verification form to his or her last reported address. This act allows registrants to return the form by fax or email, in addition to by mail as the law allows. By law, they must return the form within 10 days after the date it was mailed to them.

The act also requires the local police department or state police troop in whose jurisdiction the registrant resides to verify a registrant's residential address in person every 90 days if he or she resides at an address where there is no residential mail delivery. It also makes technical changes.

**EFFECTIVE DATE:** October 1, 2023
