AN ACT ESTABLISHING A CONNECTICUT AGE-APPROPRIATE DESIGN CODE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to establish an age-appropriate design code requiring businesses that provide online products and services likely to be accessed by children under eighteen years of age to adopt privacy and safety measures, including, but not limited to, default privacy settings that offer the maximum level of privacy and clearly and concisely worded privacy policies and terms of service.

Statement of Purpose:
To adopt a Connecticut Age-Appropriate Design Code that creates privacy and safety obligations for providers of online products and services accessed by children.
