AN ACT CONCERNING EXPANSION OF HUSKY HEALTH BENEFITS TO THOSE INELIGIBLE DUE TO IMMIGRATION STATUS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 17b-261 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024):

(a) Medical assistance shall be provided for any otherwise eligible person (1) whose income, including any available support from legally liable relatives and the income of the person's spouse or dependent child, is not more than one hundred forty-three per cent, pending approval of a federal waiver applied for pursuant to subsection (e) of this section, of the benefit amount paid to a person with no income under the temporary family assistance program, and (2) if such person is an institutionalized individual as defined in Section 1917 of the Social Security Act, 42 USC 1396p(h)(3), and has not made an assignment or transfer or other disposition of property for less than fair market value for the purpose of establishing eligibility for benefits or assistance under this section. Any such disposition shall be treated in accordance with Section 1917(c) of the Social Security Act, 42 USC 1396p(c). Any...
disposition of property made on behalf of an applicant or recipient or
the spouse of an applicant or recipient by a guardian, conservator,
person authorized to make such disposition pursuant to a power of
attorney or other person so authorized by law shall be attributed to such
applicant, recipient or spouse. A disposition of property ordered by a
court shall be evaluated in accordance with the standards applied to any
other such disposition for the purpose of determining eligibility. The
commissioner shall establish the standards for eligibility for medical
assistance at one hundred forty-three per cent of the benefit amount
paid to a household of equal size with no income under the temporary
family assistance program. In determining eligibility, the commissioner
shall not consider as income Aid and Attendance pension benefits
granted to a veteran, as defined in section 27-103, or the surviving
spouse of such veteran. Except as provided in section 17b-277 and
section 17b-292, as amended by this act, the medical assistance program
shall provide coverage to persons under the age of nineteen with
household income up to one hundred ninety-six per cent of the federal
poverty level without an asset limit and to persons under the age of
nineteen, who qualify for coverage under Section 1931 of the Social
Security Act, with household income not exceeding one hundred
ninety-six per cent of the federal poverty level without an asset limit,
and their parents and needy caretaker relatives, who qualify for
coverage under Section 1931 of the Social Security Act, with household
income not exceeding one hundred fifty-five per cent of the federal
poverty level without an asset limit. Such levels shall be based on the
regional differences in such benefit amount, if applicable, unless such
levels based on regional differences are not in conformance with federal
law. Any income in excess of the applicable amounts shall be applied as
may be required by said federal law, and assistance shall be granted for
the balance of the cost of authorized medical assistance. The
Commissioner of Social Services shall provide applicants for assistance
under this section, at the time of application, with a written statement
advising them of (A) the effect of an assignment or transfer or other
disposition of property on eligibility for benefits or assistance, (B) the
effect that having income that exceeds the limits prescribed in this
subsection will have with respect to program eligibility, and (C) the availability of, and eligibility for, services provided by the Connecticut Home Visiting System, established pursuant to section 17b-751b. For coverage dates on or after January 1, 2014, the department shall use the modified adjusted gross income financial eligibility rules set forth in Section 1902(e)(14) of the Social Security Act and the implementing regulations to determine eligibility for HUSKY A, HUSKY B and HUSKY D applicants, as defined in section 17b-290. Persons who are determined ineligible for assistance pursuant to this section shall be provided a written statement notifying such persons of their ineligibility and advising such persons of their potential eligibility for one of the other insurance affordability programs as defined in 42 CFR 435.4.

(b) For the purposes of the Medicaid program, the Commissioner of Social Services shall consider parental income and resources as available to a child under eighteen years of age who is living with his or her parents and is blind or disabled for purposes of the Medicaid program, or to any other child under twenty-one years of age who is living with his or her parents.

(c) For the purposes of determining eligibility for the Medicaid program, an available asset is one that is actually available to the applicant or one that the applicant has the legal right, authority or power to obtain or to have applied for the applicant's general or medical support. If the terms of a trust provide for the support of an applicant, the refusal of a trustee to make a distribution from the trust does not render the trust an unavailable asset. Notwithstanding the provisions of this subsection, the availability of funds in a trust or similar instrument funded in whole or in part by the applicant or the applicant's spouse shall be determined pursuant to the Omnibus Budget Reconciliation Act of 1993, 42 USC 1396p. The provisions of this subsection shall not apply to a special needs trust, as defined in 42 USC 1396p(d)(4)(A), as amended from time to time. For purposes of determining whether a beneficiary under a special needs trust, who has not received a disability determination from the Social Security Administration, is disabled, as defined in 42 USC 1382c(a)(3), the Commissioner of Social Services, or
the commissioner's designee, shall independently make such
determination. The commissioner shall not require such beneficiary to
apply for Social Security disability benefits or obtain a disability
determination from the Social Security Administration for purposes of
determining whether the beneficiary is disabled.

(d) The transfer of an asset in exchange for other valuable
consideration shall be allowable to the extent the value of the other
valuable consideration is equal to or greater than the value of the asset
transferred.

(e) The Commissioner of Social Services shall seek a waiver from
federal law to permit federal financial participation for Medicaid
expenditures for families with incomes of one hundred forty-three per
cent of the temporary family assistance program payment standard.

(f) To the extent permitted by federal law, Medicaid eligibility shall
be extended for one year to a family that becomes ineligible for medical
assistance under Section 1931 of the Social Security Act due to income
from employment by one of its members who is a caretaker relative or
due to receipt of child support income. A family receiving extended
benefits on July 1, 2005, shall receive the balance of such extended
benefits, provided no such family shall receive more than twelve
additional months of such benefits.

(g) An institutionalized spouse applying for Medicaid and having a
spouse living in the community shall be required, to the maximum
extent permitted by law, to divert income to such community spouse in
order to raise the community spouse’s income to the level of the
minimum monthly needs allowance, as described in Section 1924 of the
Social Security Act. Such diversion of income shall occur before the
community spouse is allowed to retain assets in excess of the
community spouse protected amount described in Section 1924 of the
Social Security Act. The Commissioner of Social Services, pursuant to
section 17b-10, may implement the provisions of this subsection while
in the process of adopting regulations, provided the commissioner
prints notice of intent to adopt the regulations in the Connecticut Law Journal within twenty days of adopting such policy. Such policy shall be valid until the time final regulations are effective.

(h) To the extent permissible under federal law, an institutionalized individual, as defined in Section 1917 of the Social Security Act, 42 USC 1396p(h)(3), shall not be determined ineligible for Medicaid solely on the basis of the cash value of a life insurance policy worth less than ten thousand dollars provided the individual is pursuing the surrender of the policy.

(i) Medical assistance shall be provided, in accordance with the provisions of subsection (e) of section 17a-6, to any child under the supervision of the Commissioner of Children and Families who is not receiving Medicaid benefits, has not yet qualified for Medicaid benefits or is otherwise ineligible for such benefits. Medical assistance shall also be provided to any child in the behavioral services program operated by the Department of Developmental Services who is not receiving Medicaid benefits, has not yet qualified for Medicaid benefits or is otherwise ineligible for benefits. To the extent practicable, the Commissioner of Children and Families and the Commissioner of Developmental Services shall apply for, or assist such child in qualifying for, the Medicaid program.

(j) The Commissioner of Social Services shall provide Early and Periodic Screening, Diagnostic and Treatment program services, as required and defined as of December 31, 2005, by 42 USC 1396a(a)(43), 42 USC 1396d(r) and 42 USC 1396d(a)(4)(B) and applicable federal regulations, to all persons who are under the age of twenty-one and otherwise eligible for medical assistance under this section.

(k) A veteran, as defined in section 27-103, and any member of his or her family, who applies for or receives assistance under the Medicaid program, shall apply for all benefits for which he or she may be eligible through the United States Department of Veterans Affairs or the United States Department of Defense.
