Sec. 54. Section 19a-89e of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2023):

(a) For purposes of this section:

(1) "Department" means the Department of Public Health; [and]

(2) "Hospital" means an establishment for the lodging, care and treatment of persons suffering from disease or other abnormal physical or mental conditions and includes inpatient psychiatric services in general hospitals; 

(3) "Assistive personnel" means personnel who are not licensed by the Department of Public Health and who engage in specifically delegated patient care activities; and

(4) "Direct care registered nurse" means a registered nurse licensed pursuant to chapter 378 whose primary responsibility is to provide direct patient care.

(b) Each hospital licensed by the department pursuant to chapter 368v shall report, not later than January first and July first annually, to the department on a prospective nurse staffing plan with a written certification that the nurse staffing plan developed pursuant to subsections (d) and (e) of this section is sufficient to provide adequate and appropriate delivery of health care services to patients in the
ensuing period of licensure. Such plan shall promote a collaborative practice in the hospital that enhances patient care and the level of services provided by nurses and other members of the hospital's patient care team.

(c) (1) Each hospital shall establish a dedicated hospital staffing committee to assist in the preparation of the nurse staffing plan required pursuant to subsection (b) of this section. [Registered] Direct care registered nurses employed by the hospital [whose primary responsibility is to provide direct patient care] shall account for not less than fifty per cent and an odd number of members of the membership of each hospital's staffing committee. [In order to comply with the requirement that a hospital establish a hospital staffing committee, a hospital may utilize an existing committee or committees to assist in the preparation of the nurse staffing plan, provided not less than fifty per cent of the members of such existing committee or committees are registered nurses employed by the hospital whose primary responsibility is to provide direct patient care.] The total number of direct care registered nurses shall be one more than the total number of nondirect care registered nurses of such committee. Each hospital's staffing committee shall include broad-based representation across hospital services. When registered nurses employed by the hospital are members of a collective bargaining unit, (A) the collective bargaining unit shall select the direct care registered nurse members that comprise not less than fifty per cent of the total number of members of such committee, provided such selection is not prohibited conduct under the National Labor Relations Act, 29 USC 151, et seq., as amended from time to time, 5 USC 71, as amended from time to time, or the State Employee Relations Act, section 5-270, et seq., as amended from time to time, and (B) a representative of the collective bargaining unit shall provide the hospital with a list of multiple names of direct care registered nurses from which hospital management shall select the one additional direct care registered nurse member beyond the fifty per cent of the direct care registered nurse members. Direct care registered nurses who are not
members of a collective bargaining unit shall be selected for the committee through a process determined by the direct care registered nurses of the hospital. The hospital staffing committee that was in existence prior to October 1, 2023, shall solicit feedback from all direct care registered nurses employed by the hospital regarding what such process should entail. The direct care registered nurses who are members of such existing hospital staffing committee shall decide, by majority vote, the parameters of such process. Hospital management shall select the remaining members of such committee.

(2) Each hospital shall pay each employee who serves on the hospital staffing committee such employee's regular rate of pay, including differentials, for participation on the committee and consider, to the extent possible by the hospital, the time such employee serves on the committee as part of such employee's regularly scheduled work week. Each hospital shall ensure that direct care registered nurses have coverage to attend hospital staffing committee meetings.

(3) Each hospital staffing committee shall include two cochairpersons who have direct patient care experience, one of whom is a direct care registered nurse at the hospital who shall be elected by members of the committee who are direct care registered nurses, and one of whom shall be elected by members of the committee who are not direct care registered nurses. The committee shall take minutes of every meeting, make such minutes available to any member of the hospital staff upon request and submit such minutes to the Department of Public Health when requested by the department. A majority of the members of the staffing committee shall constitute a quorum for the transaction of staffing committee business. A decision made by the hospital staffing committee shall be made by a vote of a majority of the members present at the meeting. If a quorum of members present at a meeting comprises an equal number of members who are direct care registered nurses and members who are not direct care registered nurses, a sufficient number of members who are not direct care registered nurses shall abstain from voting to allow a majority of the voting members to consist of direct care
registered nurses.

(4) Each hospital shall notify each nurse on the nurse's date of hire, and annually thereafter, about the hospital staffing committee, including, but not limited to, the purpose of the committee, the criteria and process for becoming a member of the committee, the hospital's process for internal review of the nurse staffing plan and the hospital's mechanism for obtaining input from direct care staff, including direct care registered nurses and other members of the hospital's patient care team, in the development of the nurse staffing plan.

(d) Each hospital staffing committee shall develop the nurse staffing plan for the hospital. In developing such plan, the committee shall evaluate the most recent research regarding patient outcomes, share with hospital staff the procedures for communicating concerns to the committee regarding such plan and staffing assignments and review all reports regarding any such concerns and any objections or refusals by a registered nurse to participate in a staffing assignment made pursuant to subsection (h) of this section that were communicated to the committee. Each hospital, in collaboration with its staffing committee, shall develop and shall implement to the best of its ability the prospective nurse staffing plan. Such plan shall: (1) Include the minimum professional skill mix for each patient care unit in the hospital, including, but not limited to, inpatient services, critical care and the emergency department; (2) identify the hospital's employment practices concerning the use of temporary and traveling nurses; (3) set forth the level of administrative staffing in each patient care unit of the hospital that ensures direct care staff are not utilized for administrative functions; (4) set forth the hospital's process for internal review of the nurse staffing plan; and (5) include the hospital's mechanism of obtaining input from direct care staff, including nurses and other members of the hospital's patient care team, in the development of the nurse staffing plan. In addition to the information described in subdivisions (1) to (5), inclusive, of this subsection, nurse staffing plans developed and implemented after January 1, 2016, shall include: (A) The
number of registered nurses providing direct patient care and the ratio of patients to such registered nurses by patient care unit; (B) the number of licensed practical nurses providing direct patient care and the ratio of patients to such licensed practical nurses, by patient care unit; (C) the number of assistive personnel providing direct patient care and the ratio of patients to such assistive personnel, by patient care unit; (D) the method used by the hospital to determine and adjust direct patient care staffing levels; and (E) a description of [supporting] assistive personnel [assisting] on each patient care unit. In addition to the information described in subdivisions (1) to (5), inclusive, of this subsection and subparagraphs (A) to (E), inclusive, of this subdivision, nurse staffing plans developed and implemented after January 1, 2017, shall include:

(i) A description of any differences between the staffing levels described in the staffing plan and actual staffing levels for each patient care unit; and (ii) any actions the hospital intends to take to address such differences or adjust staffing levels in future staffing plans.

(e) On and after January 1, 2024, in addition to the information required pursuant to subsection (d) of this section, each nurse staffing plan shall include:

(1) Information about any objections to or refusals to comply with the nurse staffing plan by hospital staff that were communicated to the hospital staffing committee;

(2) Measurements of and evidence to support successful implementation of the nurse staffing plan;

(3) Retention, turnover and recruitment metrics for direct care registered nursing staff, including, but not limited to, the turnover rate per hospital unit during the preceding twelve months and the average years of experience of permanent direct care registered nursing staff per unit;

(4) The number of instances since the last nurse staffing plan was submitted when the hospital was not in compliance with such plan,
including, but not limited to, the nurse staffing ratios set forth in such plan, and a description of how and why such plan was not complied with and plans to avoid future noncompliance with such plan; and

(5) Certification that the hospital and its hospital staffing committee are meeting the requirements set forth in this section and a description of how each requirement is being met.

(f) Each hospital shall post the nurse staffing plan developed and adopted pursuant to subsections (d) and (e), inclusive, of this section on each patient care unit in a conspicuous location visible and accessible to staff, patients and members of the public. Each hospital shall maintain accurate records, for not less than the preceding three years, of the ratios of patients to direct care registered nurses and patients to assistive personnel providing patient care in each direct care unit for each shift. Such records shall include the number of (1) patients in each unit on each shift, (2) direct care registered nurses assigned to each patient in each unit on each shift, and (3) assistive personnel providing patient care assigned to each patient in each unit on each shift. Each hospital shall make such records available, upon request, to the Department of Public Health, the staff of the hospital, any collective bargaining unit representing such staff, the patients of the hospital and members of the general public.

(g) No hospital shall require a registered nurse to undertake any patient care task that is beyond the scope of the nurse's license.

(h) A registered nurse may object to or refuse to participate in any activity, policy, practice or task assigned by a hospital if the registered nurse is not competently able based on education, training or experience to participate in the activity, policy, practice or task without compromising the safety of a specific patient. If a registered nurse objects or refuses to participate, the nurse shall immediately contact a supervisor for assistance or to allow the hospital to find a suitable replacement. Not later than twelve hours after objecting or refusing to
participate, the registered nurse shall submit a form, developed by the hospital and approved by the Department of Public Health, that includes the following: (1) A detailed statement of the reasons that the nurse objects or refuses to participate in the activity, policy, practice or task; (2) a description of how performing the activity, policy, practice or task would have compromised patient safety; and (3) the ways in which the activity, policy, practice or task was not consistent with the nurse's education, training, experience or job description. A hospital shall review and analyze each form submitted pursuant to this subsection through one or more of the hospital's committees or functions, including, but not limited to, the quality assessment and performance improvement program, risk management or patient safety, and make adjustments to nurse staffing assignments if necessary to improve patient safety. Each hospital shall provide the Department of Public Health with confidential access to the forms submitted to the hospital pursuant to this subsection upon request.

(i) If a registered nurse reasonably believes his or her participation in an activity, policy, practice or task would violate a provision of a nurse staffing plan or policy approved by the hospital's nurse staffing committee, the nurse may file a complaint with the nurse staffing committee on a form developed by the hospital and approved by the Department of Public Health. The hospital and its nurse staffing committee shall analyze the complaint and provide the Department of Public Health with an analysis of actions taken in response to such complaint. The department shall submit all complaint forms provided pursuant to this subsection with its biannual report required pursuant to subsection (n) of this section.

(j) No hospital shall discharge, retaliate against, discriminate against or take any other adverse action against a registered nurse or any aspect of the registered nurse's employment, including, but not limited to, discharge, promotion, reduction in compensation or changes to terms, conditions or privileges of employment, as a result of such nurse taking any of the actions described in this section, participation by the
registered nurse in a hospital staffing committee or raising of concerns by the registered nurse regarding unsafe staffing or workplace violence, racism or bullying.

(k) Nothing in this section shall be construed to allow a nurse to abandon a patient or refuse to perform patient care activities (1) during an ongoing surgical procedure until such procedure is completed; (2) in a critical care unit, labor and delivery or emergency department until such nurse is relieved by another nurse; (3) in the case of a public health emergency; (4) in the case of an institutional emergency; or (5) in any instance where inaction or abandonment by the nurse would jeopardize patient safety.

(l) Nothing in this section shall prohibit a hospital, the Department of Public Health or the State Board of Examiners for Nursing from requiring a nurse to obtain additional training or continuing education consistent with the nurse's assigned roles and job description.

[(d) On or before] (m) Not later than January 1, 2016, and annually thereafter, the Commissioner of Public Health shall report, in accordance with the provisions of section 11-4a, to the joint standing committee of the General Assembly having cognizance of matters relating to public health concerning hospital compliance with reporting requirements under this section and recommendations concerning any additional reporting requirements.

(n) Not later than October 1, 2024, and biannually thereafter, a hospital shall report to the Department of Public Health, in a form and manner prescribed by the Commissioner of Public Health, whether it has been in compliance, for the previous six months, with at least eighty per cent of the nurse staffing assignments as required by any component outlined in the nurse staffing plan developed pursuant to subsections (d) and (e) of this section.

(o) For a failure by a hospital to (1) establish or maintain a hospital staffing committee pursuant to subsection (c) of this section, (2) submit
the report required by subsection (n) of this section to the Department of Public Health, (3) post the staffing plan pursuant to subsection (f) of this section, or (4) comply with at least eighty per cent of the nurse staffing assignments set forth in the nurse staffing plan, the Commissioner of Public Health shall issue an order that: (A) Requires the hospital to submit a corrective action plan to correct such noncompliance and implement such plan unless disapproved by the department not later than twenty business days after its submission; and (B) (i) imposes a civil penalty of three thousand five hundred dollars for the first violation, or (ii) imposes a civil penalty of five thousand dollars for each subsequent violation.

(p) (1) A hospital shall, not later than five business days after receipt of an order pursuant to subsection (o) of this section, submit a request in writing to the Department of Public Health for a hearing to contest the order. If the hospital fails to submit such a request not later than five business days after such receipt, the order shall be deemed a final order of the department, effective upon the expiration of such five business days. After receipt of a timely request for a hearing, the department shall set the matter down for a hearing as a contested case in accordance with the provisions of chapter 54.

(2) Each hospital shall pay any civil penalties imposed pursuant to subsection (o) of this section not later than fifteen days after the final date by which an appeal may be taken as provided in section 4-183 or, if an appeal is taken, not later than fifteen days after the final judgment on such appeal. If such penalties or the expenses of an audit ordered under subsection (q) of this section are not paid by the hospital, the Commissioner of Public Health shall notify the Commissioner of Social Services who shall be authorized to immediately withhold from the hospital's next medical assistance payment, an amount equal to the amount of the civil penalty and audit expenses.

(q) The Commissioner of Public Health may order an audit of the nurse staffing assignments of each hospital to determine compliance
with the nurse staffing assignments for each hospital unit set forth in the
nurse staffing plan developed pursuant to subsections (d) and (e) of this
section. Such audit may include an assessment of the hospital's
compliance with the requirements of this section for the content of such
plan, accuracy of reports submitted to the department and the
membership of the hospital staffing committee. In determining whether
to order an audit, the commissioner shall consider whether there has
been consistent noncompliance by the hospital with the nurse staffing
plan, fear of false reporting by the hospital, or any other health care
quality safety concerns. The hospital that is subject to the audit shall pay
the cost of the audit. The audit shall not affect the conduct by the
hospital of peer review as defined in section 19a-17b.

(2) If the total of grants payable to each municipality and district in accordance with subdivision (1) of this subsection exceeds the amount appropriated for the purposes of said subdivision, the amount of the grant payable to each municipality and district shall be reduced proportionately.

(f) (1) For the fiscal year ending June 30, 2024, and each fiscal year thereafter, moneys remaining in the municipal revenue sharing fund, including moneys accrued to the fund during such fiscal year but received after the end of such fiscal year, shall be expended not later than October first following the end of each such fiscal year by the secretary for the purposes of the municipal revenue sharing grants established pursuant to subsection (d) of section 4-66l.

(2) The amount of the grant payable to a municipality in any year in accordance with subdivision (1) of this subsection shall be reduced proportionately in the event that the total of such grants in such year
exceeds the amount available for such grants in the municipal revenue sharing fund established pursuant to subsection (a) of this section.

Sec. 79. Section 12-18b of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) For the purposes of this section:

(1) "College and hospital property" means all real property described in subsection (a) of section 12-20a;

(2) "Equalized net grand list per capita" means the grand list of a municipality upon which taxes were levied for the general expenses of such municipality three years prior to the fiscal year in which a grant under this section is to be paid, equalized in accordance with the provisions of section 10-261a and divided by the total population of such municipality;

(3) "Municipality" means any town, city, borough, consolidated town and city and consolidated town and borough;

(4) "State, municipal or tribal property" means all real property described in subsection (a) of section 12-19a;

(5) "Tier one municipality" means a municipality with an equalized net grand list per capita of less than one hundred thousand dollars;

(6) "Tier two municipality" means a municipality with an equalized net grand list per capita of one hundred thousand dollars to two hundred thousand dollars; and

(7) "Tier three municipality" means a municipality with an equalized net grand list per capita of greater than two hundred thousand dollars.

(b) Notwithstanding the provisions of sections 12-19a and 12-20a, on or before [May] September thirtieth, annually, all funds appropriated for state grants in lieu of taxes shall be payable to municipalities and fire...
districts pursuant to the provisions of this section. On or before January first, annually, the Secretary of the Office of Policy and Management shall determine the amount due, as a state grant in lieu of taxes, to each municipality and fire district in this state wherein college and hospital property is located and to each municipality and fire district in this state wherein state, municipal or tribal property, except that which was acquired and used for highways and bridges, but not excepting property acquired and used for highway administration or maintenance purposes, is located. Such determination shall be calculated based on assessed values provided to the Office of Policy and Management prior to the preceding April first, pursuant to section 12-19b.

(I) The grant payable to any municipality or fire district for state, municipal or tribal property under the provisions of this section in the fiscal year ending June 30, 2022, and each fiscal year thereafter, shall be equal to the total of:

(A) One hundred per cent of the property taxes that would have been paid with respect to any facility designated by the Commissioner of Correction, on or before August first of each year, to be a correctional facility administered under the auspices of the Department of Correction or a juvenile detention center under direction of the Department of Children and Families that was used for incarcerative purposes during the preceding fiscal year. If a list containing the name and location of such designated facilities and information concerning their use for purposes of incarceration during the preceding fiscal year is not available from the Secretary of the State on August first of any year, the Commissioner of Correction shall, on said date, certify to the Secretary of the Office of Policy and Management a list containing such information;

(B) One hundred per cent of the property taxes that would have been paid with respect to that portion of the John Dempsey Hospital located at The University of Connecticut Health Center in Farmington that is used as a permanent medical ward for prisoners under the custody of
the Department of Correction. Nothing in this section shall be construed as designating any portion of The University of Connecticut Health Center John Dempsey Hospital as a correctional facility;

(F) With respect to any municipality in which more than fifty per cent of the property is state-owned real property, one hundred per cent of the property taxes that would have been paid with respect to such state-owned property;

(G) Forty-five per cent of the property taxes that would have been paid with respect to all municipally owned airports; except for the exemption applicable to such property, on the assessment list in such municipality for the assessment date two years prior to the commencement of the state fiscal year in which such grant is payable. (H) One hundred per cent of the property taxes that would have been paid with respect to any land designated within the 1983 Settlement boundary and taken into trust by the federal government for the
Mashantucket Pequot Tribal Nation prior to June 8, 1999, or taken into
trust by the federal government for the Mohegan Tribe of Indians of
Connecticut, provided the real property subject to this subparagraph
shall be the land only, and shall not include the assessed value of any
structures, buildings or other improvements on such land; and

   (I) Forty-five per cent of the property taxes that would have been paid
with respect to all other state-owned real property.

   (2) The grant payable to any municipality or fire district for college
and hospital property under the provisions of this section in the fiscal
year ending June 30, 2017, and each fiscal year thereafter, shall be equal
to the total of seventy-seven per cent of the property taxes that, except
for any exemption applicable to any college and hospital property under
the provisions of section 12-81, would have been paid with respect to
college and hospital property on the assessment list in such municipality
or fire district for the assessment date two years prior to the
commencement of the state fiscal year in which such grant is payable.

   (c) The Secretary of the Office of Policy and Management shall list

grand list per capita. Boroughs and fire districts shall have the same
equalized net grand list per capita as the town, city, consolidated town
and city or consolidated town and borough in which such borough or
fire district is located.

   (d) For the fiscal year ending June 30, 2022, and each fiscal year
thereafter:

   (1) The total amount of the grants paid to a municipality or fire
district pursuant to the provisions of this subsection shall not be lower
than the total amount of the payment in lieu of taxes grants received by
such municipality or fire district for the fiscal year ending June 30, 2021.

   (2) If the total of grants payable to each municipality and fire district
in accordance with the provisions of [subsection] subsections (b) and (e)
of this section exceeds the amount appropriated for the purposes of said
subsection for a fiscal year:

(A) Each tier one municipality shall receive fifty per cent of the grant
amount payable to such municipality as calculated under subsection (b)
of this section;

(B) Each tier two municipality shall receive forty per cent of the grant
amount payable to such municipality as calculated under subsection (b)
of this section; and

(C) Each tier three municipality shall receive thirty per cent of the grant
amount payable to such municipality as calculated under subsection (b) of this section.

(3) Each municipality designated as an alliance district pursuant to
section 10-262u or in which more than fifty per cent of the property is
state-owned real property shall be classified as a tier one municipality.

(4) Each fire district shall receive the same percentage of the grant
amount payable to the municipality in which it is located.

(5) (A) If the total of grants payable to each municipality and fire
district in accordance with the provisions of subsection (b) of this section
exceeds the amount appropriated for the purposes of said subsection,
but such appropriated amount exceeds the amount required for grants
payable to each municipality and fire district in accordance with the
provisions of subdivisions (1) to (4), inclusive, of this subsection, the
amount of the grant payable to each municipality and fire district shall
be increased proportionately.

(B) If the total of grants payable to each municipality and fire district
in accordance with the provisions of subdivisions (1) to (4), inclusive, of
this subsection exceeds the amount appropriated for the purposes of
said subdivisions, the amount of the grant payable to each municipality
and fire district shall be reduced proportionately, except that no grant
shall be reduced below the amount set forth in subdivision (1) of this subsection.

(e) Notwithstanding the provisions of subsections (a) to (d), inclusive, of this section and sections 12-19b and 12-20b:

(1) The grant payable to any municipality or fire district with respect to a campus of the United States Department of Veterans Affairs Connecticut Healthcare Systems shall be one hundred per cent;

(6) The amount due the city of New London, with respect to the United States Coast Guard Academy located in said city, shall be one million dollars, annually, for reimbursement to municipalities for loss of taxes on private tax-exempt property.

(f) For purposes of this section, any real property that is owned by The University of Connecticut Health Center Finance Corporation
established pursuant to the provisions of sections 10a-250 to 10a-263, inclusive, or by one or more subsidiary corporations established pursuant to subdivision (13) of section 10a-254 and that is free from taxation pursuant to the provisions of section 10a-259 shall be deemed to be state-owned real property.

Sec. 80. Section 12-19b of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

[(a)] Not later than April first in any assessment year, any town, borough or fire district to which a grant is payable under the provisions of section 12-18b or 12-19a shall provide the Secretary of the Office of Policy and Management with the assessed valuation of the real property eligible therefor as of the first day of October immediately preceding, adjusted in accordance with any gradual increase in or deferment of assessed values of real property implemented in accordance with section 12-62c, which is required for computation of such grant. Such appeal shall be in writing and shall include a statement as to the reasons for such appeal. The secretary shall, not later than ten business days following receipt of such appeal, grant or deny such hearing by notification in writing, including in the event of a denial, a statement as to the reasons for such denial. Such notification shall be sent by certified or registered mail. If
any town, borough or fire district is aggrieved by the action of the secretary following such hearing or in denying any such hearing, the town, borough or fire district may not later than ten business days after receiving such notice, appeal to the superior court for the judicial district wherein such town, borough or fire district is located. Any such appeal shall be privileged.

(b) Notwithstanding the provisions of section 12-18b or subsection (a) of this section, there shall be an amount due the municipality of Voluntown, on or before the thirtieth day of September, annually, with respect to any state-owned forest, of an additional sixty thousand dollars, which amount shall be paid from the municipal revenue sharing account established pursuant to section 4-66l, for reimbursement to towns for loss of taxes on private tax-exempt property.

Sec. 81. Section 12-20b of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

(a) Not later than April first in each year, any municipality to which a grant is payable under the provisions of section 12-18b or 12-20a shall provide the Secretary of the Office of Policy and Management with the assessed valuation of the tax-exempt real property as of the immediately preceding October first, adjusted in accordance with any gradual increase in or deferment of assessed values of real property implemented in accordance with section 12-62c, which is required for computation of such grant. Any municipality which neglects to transmit to the Secretary of the Office of Policy and Management the assessed valuation as required by this section shall forfeit two hundred fifty dollars to the state, provided the secretary may waive such forfeiture in accordance with procedures and standards adopted by regulation in accordance with chapter 54. Said secretary may, on or before the first day of August of the state fiscal year in which such grant is payable, reevaluate any such property when, in his or her judgment, the valuation is inaccurate and shall notify such municipality of such reevaluation. Any municipality aggrieved by the action of said secretary
under the provisions of this section may, not later than ten business days
following receipt of such notice, appeal to the secretary for a hearing
concerning such reevaluation, provided such appeal shall be in writing
and shall include a statement as to the reasons for such appeal. The
secretary shall, not later than ten business days following receipt of such
appeal, grant or deny such hearing by notification in writing, including
in the event of a denial, a statement as to the reasons for such denial. If
any municipality is aggrieved by the action of the secretary following
such hearing or in denying any such hearing, the municipality may not
later than two weeks after such notice, appeal to the superior court for
the judicial district in which the municipality is located. Any such
appeal shall be privileged. [Said secretary shall certify to the
Comptroller the amount due each municipality under the provisions of
section 12-18b or under any recomputation occurring prior to
September fifteenth which may be effected as the result of the provisions
of this section, and the Comptroller shall draw his or her order on the
Treasurer on or before the fifth business day following September
fifteenth and the Treasurer shall pay the amount thereof to such
municipality on or before the thirtieth day of September following.] If
any recomputation is effected as the result of the provisions of this
section on or after the January first following the date on which the
municipality has provided the assessed valuation in question, any
adjustments to the amount due to any municipality for the period for
which such adjustments were made shall be made in the next payment
the Treasurer shall make to such municipality pursuant to this section.

[(b) Notwithstanding the provisions of section 12-18b or subsection

towns for loss of taxes on private tax-exempt property.

(c) Notwithstanding the provisions of section 12-18b or subsection (a)
of this section, the amount due the city of New London, on or before the
thirtieth day of September, annually, with respect to the United States
Coast Guard Academy in New London, shall be one million dollars,
which amount shall be paid from the municipal revenue sharing
account established pursuant to section 4-66l, for reimbursement to
towns for loss of taxes on private tax-exempt property.]

repealed and the following is substituted in lieu thereof (Effective July 1,
2023):

(b) There is established an account to be known as the "municipal
revenue sharing account" which shall be a separate, nonlapsing account
within the General Fund. The account shall contain any moneys
required by law to be deposited in the account. The secretary shall set
aside and ensure availability of moneys in the account in the following
order of priority and shall transfer or disburse such moneys as follows:

(1) For the fiscal [year] years ending June 30, 2022, and [each fiscal
year thereafter] June 30, 2023, moneys sufficient to make motor vehicle
property tax grants payable to municipalities pursuant to subsection (c)
of this section shall be expended not later than August first annually by
the secretary;

(2) For the fiscal [year] years ending June 30, 2022, and [each fiscal
year thereafter] June 30, 2023, moneys sufficient to make the grants
payable pursuant to subsection (d) of section 12-18b, subdivisions (1)
and (3) of subsection (e) of section 12-18b, subsection (b) of section 12-

during each fiscal year but received after the end of such fiscal year, shall
be distributed to municipalities not later than October first following the
end of each fiscal year. Any municipality may apply to the Office of
Policy and Management on or after July first for early disbursement of

amended by section 14 of substitute senate bill 7 of the current session,
as amended by Senate Amendment Schedule "A", is repealed and the
following is substituted in lieu thereof (Effective July 1, 2023):

(a) (1) The Public Utilities Regulatory Authority shall, by regulations
adopted pursuant to chapter 54, develop a standard billing format that
enables customers to compare pricing policies and charges among
electric suppliers. The authority shall alter or repeal any relevant
regulation in conjunction with the implementation of a redesigned
standard billing format described in subdivisions (2) and (3) of this
subsection. The authority shall adopt regulations, in accordance with
the provisions of chapter 54, to provide that an electric supplier shall
provide direct billing and collection services for electric generation
services and related federally mandated congestion charges that such
suppliers provide to their customers or may choose to obtain such
billing and collection service through an electric distribution company
and pay its pro rata share in accordance with the provisions of
subsection (f) of section 16-244c. Any customer of an electric supplier,
which is choosing to provide direct billing, who paid for the cost of
billing and other services to an electric distribution company shall
receive a credit on their monthly bill.

(2) On or before July 1, 2014, the authority shall initiate a docket to
redesign (A) the standard billing format for residential customers
implemented pursuant to subdivision (1) of this subsection to better
enable such residential customers to compare pricing policies and
charges among electric suppliers, and (B) the account summary page of
a residential customer located on the electric distribution company's
Internet web site. The authority shall issue a final decision on such
docket not later than six months after its initiation. Such final decision
shall include the placement of the following items on the first page of
each bill for each residential customer receiving electric generation
service from an electric supplier: (i) The electric generation service rate;
(ii) the term and expiration date of such rate; (iii) any change to such rate
effective for the next billing cycle; (iv) the cancellation fee, if applicable,
provided there is such a change; (v) notification that such rate is
variable, if applicable; (vi) the standard service rate; (vii) the term and
expiration date of the standard service rate; (viii) the dollar amount that
would have been billed for the electric generation services component
had the customer been receiving standard service; and (ix) an electronic
link or Internet web site address to the rate board Internet web site
described in section 16-244d and the toll-free telephone number and
other information necessary to enable the customer to obtain standard
service. Such final decision shall also include the feasibility of (I) an
electric distribution company transferring a residential customer
receiving electric generation service from an electric supplier to a
different electric supplier in a timely manner and ensuring that the
electric distribution company and the relevant electric suppliers provide
timely information to each other to facilitate such transfer, and (II)
allowing residential customers to choose how to receive information
related to bill notices, including United States mail, electronic mail, text
message, an application on a cellular telephone or a third-party
notification service approved by the authority. On or before July 1, 2020,
every five years thereafter, the authority shall reopen such docket
to ensure the standard billing format and Internet web site for a
customer's account summary remains a useful tool for customers to
compare pricing policies and charges among electric suppliers.

(3) Not later than August 1, 2023, each electric distribution company
shall use a total of four categories as part of the standard billing format
for all residential customers, one of which shall relate to charges for
generation of electricity, one of which shall relate to charges for local
distribution of electricity, one of which shall relate to charges for
transmission of electricity, and one of which shall relate to system
benefits and the subset of federally mandated congesting charges
approved by the authority pursuant to any provision of the general
statutes, public act or special act. The authority shall require that each
electric distribution company's standard billing format for residential
customers identify each charge and the corresponding category in
accordance with the authority's determinations. The authority, in a
docket reopened pursuant to subdivision (2) of this subsection, may
modify the categories described in this subdivision if the authority finds
that such modification improves customer understanding of the
components of the electric bill or customer understanding of what costs
are causing increases to the total amount of a customer's bill.

(4) An electric supplier that chooses to provide billing and collection
services shall, in accordance with the billing format developed by the
authority, include the following information in each customer's bill: (A)
The total amount owed by the customer, which shall be itemized to
show (i) the electric generation services component and any additional
charges imposed by the electric supplier, and (ii) federally mandated congestion charges applicable to the generation services; (B) any unpaid amounts from previous bills, which shall be listed separately from current charges; (C) the rate and usage for the current month and each of the previous twelve months in bar graph form or other visual format; (D) the payment due date; (E) the interest rate applicable to any unpaid amount; (F) the toll-free telephone number of the Public Utilities Regulatory Authority for questions or complaints; and (G) the toll-free telephone number and address of the electric supplier. On or before October 1, 2013, the authority shall conduct a review of the costs and benefits of suppliers billing for all components of electric service, and report, in accordance with the provisions of section 11-4a, to the joint standing committee of the General Assembly having cognizance of matters relating to energy regarding the results of such review. Any such report may be submitted electronically.

(5) An electric distribution company shall, in accordance with the billing format developed by the authority, include the following information in each customer's bill: (A) The total amount owed by the customer, which shall be itemized using the categories described in subdivision (3) of this subsection; (B) any unpaid amounts from previous bills which shall be listed separately from current charges; (C) except for customers subject to a demand charge, the rate and usage for the current month and each of the previous twelve months in the form of a bar graph or other visual form; (D) the payment due date; (E) the interest rate applicable to any unpaid amount; (F) the toll-free telephone number of the electric distribution company to report power losses; (G) the toll-free telephone number of the Public Utilities Regulatory Authority for questions or complaints; and (H) if a customer has a demand of five hundred kilowatts or less during the preceding twelve months, a statement about the availability of information concerning electric suppliers pursuant to section 16-245p.

(6) The chairperson of the Public Utilities Regulatory Authority shall conduct a study that analyzes the components of the delivery portion of
the electric bill for customers of each electric distribution company. Such
study shall consider what additional informational items should be
available to customers on a state-run Internet web site, on an Internet
web site of an electric distribution company or at other locations that
aim to increase transparency concerning the costs and benefits of
programs funded through certain charges on a customer's electric bill.
Such study may include recommendations for a detailed plan aimed at
educating customers regarding how to access programs funded through
such charges. Not later than January 15, 2025, the chairperson shall
submit a report to the joint standing committee of the General Assembly
having cognizance of matters relating to energy, in accordance with the
provisions of section 11-4a, that contains the chairperson's analysis and
recommendations.

Teachers’ Retirement Fund Bonds Special Capital Reserve Fund for
purposes of paying principal and interest on bonds secured by the fund.

(f) Pending the use or application of amounts in the fund, moneys in
the fund may be invested and reinvested at the direction of the
Treasurer in such obligations, securities and investments as are set forth
in subsection (f) of section 3-20 and in participation certificates in the
Short Term Investment Fund created under section 3-27a.

(g) The state pledges to the holders of the bonds of the state issued
pursuant to section 10-183qq, and any bonds refunding such bonds, that
the state shall not limit or alter the rights of such holders under this
section or reduce the transfer or deposit of moneys into the fund
pursuant to section 10-183ww or section 12-812 until all such bonds are
fully paid or until provision for the payment of such bonds has been
made as provided in subdivision (2) of subsection (e) of this section,

(b) In the construction of this section and sections 167 to 171, inclusive, of this act, words and phrases that are not defined in subsection (a) of this section, but that are used in the federal Voting Rights Act and interpreted in relevant case law, including, but not limited to, "political process" and "prerequisite to voting", shall be construed in a manner consistent with such usage and interpretation.

Sec. 167. (NEW) (Effective July 1, 2023) (a) (1) No qualification for eligibility to be an elector in a municipality or other prerequisite to voting may be imposed, no ordinance, regulation or other law regarding the administration of elections may be enacted by a municipality, and no standard, practice, procedure or policy may be applied by a municipality, in a manner that results in an impairment of the right to vote for any protected class member.

(2) It shall be a violation of subdivision (1) of this subsection for any municipality to impose any qualification for eligibility to be an elector or other prerequisite to voting, to enact any ordinance, regulation or other law regarding the administration of elections or to apply any standard, practice, procedure or policy that:

(A) Results or will result in a disparity between such municipality's protected class members and the other members of such municipality's electorate in electoral participation, access to voting opportunities or ability to participate in the political process; or

(B) Based on the totality of the circumstances, results in an impairment of the opportunity or ability of such municipality's
protected class members to participate in the political process and elect
candidates of their choice or otherwise influence the outcome of
elections.

(b) (1) No municipality shall employ any method of election for any
office of the municipality that has the effect, or is motivated in part by
the intent, of impairing the opportunity or ability of protected class
members to participate in the political process and elect candidates of
their choice or otherwise influence the outcome of municipal elections
as a result of diluting the vote of such protected class members.

(2) (A) The following shall constitute a violation of subdivision (1) of
this subsection:

(i) Any municipality that employs an at-large method of election, in
which the candidates or electoral choices preferred by protected class
members would usually be defeated and in which (I) divergent voting
patterns occur and such at-large method of election results in a dilutive
effect on the vote of protected class members, or (II) based on the totality
of the circumstances, the opportunity or ability of protected class
members to elect candidates of their choice or otherwise influence the
outcome of elections is impaired; or

(ii) Any municipality that employs a district-based method of election
or an alternative method of election, in which the candidates or electoral
choices preferred by protected class members would usually be
defeated and in which (I) divergent voting patterns occur and such
district-based or alternative method of election results in a dilutive effect
on the vote of protected class members, or (II) based on the totality of
the circumstances, the ability of protected class members to participate
in the political process and elect candidates of their choice or otherwise
influence the outcome of elections is impaired.

(B) (i) In determining whether divergent voting patterns occur in a
municipality or whether a method of election in such municipality
results in a dilutive effect on the vote of protected class members, the
(i) Evidence concerning the causes of, or reasons for, the occurrence of divergent voting patterns shall not be deemed relevant to the determination of whether divergent voting patterns occur or whether a method of election results in a dilutive effect on the vote of protected class members.

(c) (1) In determining whether, based on the totality of the circumstances, an impairment of the right to vote for any protected class member in a municipality, or of the opportunity or ability of protected class members in a municipality to participate in the political process and elect candidates of their choice or otherwise influence the outcome of elections, has occurred, the superior court for the judicial district in which such municipality is located may consider factors that include, but are not limited to: (A) The history of discrimination in or affecting the municipality or state; (B) the extent to which protected class members have been elected to office in the municipality; (C) the use of any qualification for eligibility to be an elector or other prerequisite to
voting, any statute, ordinance, regulation or other law regarding the
administration of elections, or any standard, practice, procedure or
policy, by the municipality that may enhance the dilutive effects of a
method of election in such municipality; (D) the extent of any history of
unequal access on the part of protected class members or candidates to
election administration or campaign finance processes that determine
which candidates will receive access to the ballot or financial or other
support in a given election for an office of the municipality; (E) the
extent to which protected class members in the municipality or state
have historically made expenditures, as defined in section 9-601b of the
general statutes, at lower rates than other individuals in such
municipality or state; (F) the extent to which protected class members in
the municipality or state vote at lower rates than other electors in the
municipality or state, as applicable; (G) the extent to which protected
class members in the municipality are disadvantaged, or otherwise bear
the effects of public or private discrimination, in areas that may hinder
their ability to participate effectively in the political process, such as
education, employment, health, criminal justice, housing,
transportation, land use or environmental protection; (H) the extent to
which protected class members in the municipality are disadvantaged
in other areas that may hinder their ability to participate effectively in
the political process; (I) the use of overt or subtle racial appeals in
political campaigns in the municipality or surrounding the adoption or
maintenance of a challenged practice; (J) the extent to which candidates
face hostility or barriers while campaigning due to their membership in
a protected class; (K) a significant or recurring lack of responsiveness on
the part of elected officials of the municipality to the particularized
needs of a community or communities of protected class members,
except that compliance with a court order shall not be considered to be
evidence of such responsiveness; and (L) whether the particular method
of election, ordinance, regulation or other law regarding the
administration of elections, standard, practice, procedure or policy was
designed to advance, and does materially advance, a valid state interest.
(2) No particular combination or number of factors under subdivision (1) of this subsection shall be required for the court to determine the occurrence of an impairment under this subsection.

(d) Any individual aggrieved by a violation of this section, any organization whose membership includes individuals aggrieved by such a violation or the Secretary of the State may file an action alleging a violation of this section in the superior court for the judicial district in which such violation has occurred. Members of two or more protected classes that are politically cohesive in a municipality may jointly file such an action in such court.

(e) (1) Notwithstanding any provision of title 9 of the general statutes and any special act, charter or home rule ordinance, whenever the superior court for a judicial district finds a violation by a municipality within such judicial district of any provision of this section, such court shall order appropriate remedies that are tailored to address such violation in such municipality and to ensure protected class members have equitable opportunities to fully participate in the political process and that can be implemented in a manner that will not unduly disrupt the administration of an ongoing or imminent election. Such court shall take into account the ability of officials who administer elections in such municipality to implement any change to voting for an ongoing or imminent election in a manner that is orderly and fiscally sound, and shall not order any remedy that contravenes the Constitution of Connecticut. Appropriate remedies may include, but need not be limited to: (A) A district-based method of election; (B) an alternative method of election; (C) new or revised districting or redistricting plans; (D) elimination of staggered elections so that all members of the legislative body are elected at the same time; (E) reasonably increasing the size of the legislative body; (F) additional voting days or hours; (G) additional polling places; (H) additional means of voting, such as voting by mail, or additional opportunities to return ballots; (I) holding of special elections; (J) expanded opportunities for admission of electors; (K) additional elector education; (L) the restoration or addition of
individuals to registry lists; or (M) retaining jurisdiction for such period
of time as the court may deem appropriate, during which period no
qualification for eligibility to be an elector or prerequisite to voting, or
standard, practice or procedure with respect to voting, that is different
from that which was in effect at the time an action under subsection (d)
of this section was commenced shall be enforced unless the court finds
that such qualification, prerequisite, standard, practice or procedure
does not have the purpose, and will not have the effect, of impairing the
right to vote on the basis of protected class membership or in
contravention of the guarantees with respect to such right that are set
forth in sections 166 to 171, inclusive, of this act, provided, in any action
brought pursuant to chapter 149 of the general statutes, any remedy
ordered shall be consistent with the provisions of said chapter.
Notwithstanding the provisions of subparagraph (M) of this
subdivision, any such finding by the court shall not be a bar to any
subsequent action to enjoin enforcement of such qualification,
prerequisite, standard, practice or procedure.

(2) Such court may only order a remedy if such remedy will not
impair the ability of protected class members to participate in the
political process and elect their preferred candidates or otherwise
influence the outcome of elections. Such court shall consider remedies
proposed by any parties to an action filed pursuant to subsection (d) of
this section and by other interested persons who are not such parties.
The court shall not give deference or priority to a remedy proposed by
a municipality simply because it has been proposed by such
municipality. The court shall have authority to order that a municipality
implement one or more remedies that may be inconsistent with the
provisions of any municipal law or of any special act relating to the
conduct of elections, where such inconsistent provisions would
otherwise preclude the court from ordering an appropriate remedy.

(f) (1) In the case of any proposal for a municipality to enact and
implement (A) a new method of election to replace such municipality’s
at-large method of election with either a district-based method of
election or an alternative method of election, or (B) a new districting or redistricting plan, the legislative body of such municipality shall act in accordance with the provisions of subdivision (2) of this subsection if any such proposal was made after the receipt of a notification letter described in subsection (g) of this section or after the filing of a claim pursuant to this section or the federal Voting Rights Act.

(2) (A) Prior to drawing a draft districting or redistricting plan or plans, or transitioning to a proposed district-based method of election or alternative method of election, the municipality shall hold at least one public hearing at which members of the public may provide input regarding such draft or proposal, including, if applicable, the composition of districts. Notice of each such hearing shall be published at least three weeks prior to the date of such hearing. In advance of each such hearing, the municipality shall conduct outreach to members of the public, including to language minority groups, to explain the districting or redistricting process and to encourage such input.

(B) After all such draft districting or redistricting plans are drawn, the municipality shall publish and make available for public dissemination at least one such plan and include the potential sequence of elections in the event the members of the legislative body of such municipality would be elected for staggered terms under such plan. The municipality shall hold at least one public hearing at which members of the public may provide input regarding the content of such plan or plans and, if applicable, such potential sequence of elections. Such plan or plans shall be published at least three weeks prior to consideration at each such hearing. LCO No. 9776
(a) (1) For assessment years commencing prior to October 1, 2024, if any property tax, or any installment thereof, laid by any city, town, borough or other taxing district upon a registered motor vehicle or snowmobile remains unpaid, the tax collector of such city, town, borough or other taxing district shall notify the Commissioner of Motor Vehicles of such delinquency in accordance with subsection (e) of this section and guidelines and procedures established by the commissioner. The commissioner shall not issue registration for such motor vehicle or snowmobile for the next registration period if, according to the commissioner's records, it is then owned by the person against whom such tax has been assessed or by any person to whom such vehicle has not been transferred by bona fide sale. Unless notice has been received by the commissioner under the provisions of section 14-33a, no such registration shall be issued until the commissioner receives notification that the tax obligation has been legally discharged; nor shall the commissioner register any other motor vehicle, snowmobile, all-terrain vehicle or vessel in the name of such person, except that the commissioner may continue to register other vehicles owned by a leasing or rental firm licensed pursuant to section 14-15, and may issue such registration to any private owner of three or more paratransit vehicles in direct proportion to the percentage of total tax due on such vehicles which has been paid and notice of payment on which has been received. The Commissioner of Motor Vehicles may immediately suspend or cancel all motor vehicle, snowmobile, all-terrain vehicle or vessel registrations issued in the name of any person (A) who has been reported as delinquent and whose registration was renewed through an error or through the production of false evidence that the delinquent tax on any motor vehicle or snowmobile had been paid, or (B) who has been reported by a tax collector as having paid a property tax on a motor vehicle or snowmobile with a check which was dishonored by a bank and such tax remains unpaid. Any person aggrieved by any action of the commissioner under this section may appeal therefrom in the manner provided in section 14-134. For the purposes of this subsection, "paratransit vehicle" means a motor bus, taxicab or motor vehicle in
livery service operated under a certificate of convenience and necessity
issued by the Department of Transportation or by a transit district and
which is on call or demand or used for the transportation of passengers
for hire.

(2) For assessment years commencing on or after October 1, [2023]
2024, if any property tax, or any installment thereof, laid by any city,
town, borough or other taxing district upon a motor vehicle remains
unpaid, regardless of whether such motor vehicle is classified on the
grand list as a registered motor vehicle or personal property pursuant
to section 12-41, the tax collector of such city, town, borough or other
taxing district shall notify the Commissioner of Motor Vehicles of such
delinquency in accordance with subsection (e) of this section and
guidelines and procedures established by the commissioner. The
commissioner shall not issue registration for such motor vehicle for the
next registration period if, according to the commissioner's records, it is
then owned by the person against whom such tax has been assessed or
by any person to whom such vehicle has not been transferred by bona
fide sale. Unless notice has been received by the commissioner under
the provisions of section 14-33a, no such registration shall be issued
until the commissioner receives notification that the tax obligation has
been legally discharged; nor shall the commissioner register any other
motor vehicle, snowmobile, all-terrain vehicle or vessel in the name of
such person, except that the commissioner may continue to register
other vehicles owned by a leasing or rental firm licensed pursuant to
section 14-15, and may issue such registration to any private owner of
three or more paratransit vehicles in direct proportion to the percentage
of total tax due on such vehicles which has been paid and notice of
payment on which has been received. The Commissioner of Motor
Vehicles may immediately suspend or cancel all motor vehicle,
snowmobile, all-terrain vehicle or vessel registrations issued in the
name of any person (A) who has been reported as delinquent and whose
registration was renewed through an error or through the production of
false evidence that the delinquent tax on any motor vehicle had been
paid, or (B) who has been reported by a tax collector as having paid a
property tax on a motor vehicle with a check which was dishonored by
a bank and such tax remains unpaid.

(b) (1) For assessment years commencing prior to October 1, 2023,
notwithstanding the provisions of subsection (a) of this section,
the Commissioner of Motor Vehicles, in consultation with the Treasurer
and the Secretary of the Office of Policy and Management, may enter
into an agreement with the tax collector of any city, town, borough or
other taxing district whereby the commissioner shall collect any
property tax or any installment thereof on a registered motor vehicle
which remains unpaid from any person against whom such tax has been
assessed who makes application for registration for such motor vehicle.

(2) For assessment years commencing on and after October 1, 2023,
notwithstanding the provisions of subsection (a) of this section,
the Commissioner of Motor Vehicles, in consultation with the Treasurer
and the Secretary of the Office of Policy and Management, may enter
into an agreement with the tax collector of any city, town, borough or
other taxing district whereby the commissioner shall collect any
property tax or any installment thereof on any motor vehicle which
remains unpaid from any person against whom such tax has been
assessed who makes application for registration for such motor vehicle.

(3) Any agreement entered into pursuant to subdivision (1) or (2) of
this subsection shall include a procedure for the remission of taxes
collected to the city, town, borough or other taxing district, on a regular
basis, and may provide that a fee be paid by the city, town, borough or
other taxing district to the commissioner to cover any costs associated
with the administration of the agreement. In the event an agreement is
in effect, the commissioner shall immediately issue a registration for a
motor vehicle owned by a person against whom such tax has been
assessed upon receipt of payment of such tax and a service fee of two
dollars, in addition to the fee prescribed for the renewal of the
registration.
Sec. 220. Section 14-163 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023, and applicable to assessment years commencing on or after October 1, 2024):

In addition to any other information the owner of a motor vehicle is required to file with the commissioner by law, such owner shall provide the commissioner with the name of the town in which such owner's motor vehicle is to be set in the list for property tax purposes, pursuant to section 12-71. On or before November 1, 2024, and annually thereafter, the commissioner shall provide to each assessor in this state a list identifying motor vehicles that are subject to property taxation in each such assessor's town. Such list shall include the names and addresses of the owners of
such motor vehicles and the vehicle identification numbers and

(b) (1) On or before October 1, 2004, and annually thereafter until and
including October 1, [2023] 2024, the commissioner shall provide to each
assessor in this state a list identifying motor vehicles and snowmobiles
in each such assessor's town that were registered subsequent to the first

to property taxation on a supplemental list pursuant to section 12-71b.
In addition to the information for each such vehicle and snowmobile
specified under subdivision (1) of subsection (a) of this section that is
available to the commissioner, the list provided under this subsection
shall include a code related to the date of registration of each such
vehicle or snowmobile.

(2) Not later than November 15, [2023] 2024, and monthly thereafter,
the commissioner shall provide to each assessor in this state a list

code related to the date of registration of each such vehicle.

(c) No assessor or tax collector shall disclose any information
contained in any list provided by the commissioner pursuant to
subsections (a) and (b) of this section if the commissioner is not required
to provide such information or if such information is protected from
disclosure under state or federal law.

Sec. 221. Section 12-71d of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2023, and
applicable to assessment years commencing on or after October 1, 2024):

(a) Prior to and including October 1, [2022] 2023, on or before the first day of October each year, the Secretary of the Office of Policy and Management shall recommend a schedule of motor vehicle values which shall be used by assessors in each municipality in determining the assessed value of motor vehicles for purposes of property taxation. For every vehicle not listed in the schedule the determination of the assessed value of any motor vehicle for purposes of the property tax assessment list in any municipality shall continue to be the responsibility of the assessor in such municipality, provided the legislative body of the municipality may, by resolution, approve any change in the assessor's method of valuing motor vehicles. Any appeal from the findings of assessors concerning motor vehicle values shall be made in accordance with provisions related to such appeals under this chapter. Such schedule of values shall include, to the extent that information for such purpose is available, the value for assessment purposes of any motor vehicle currently in use. The value for each motor vehicle as listed shall represent one hundred per cent of the average retail price applicable to such motor vehicle in this state as of the first day of October in such year as determined by said secretary in cooperation with the Connecticut Association of Assessing Officers.

(b) Not later than October 1, [2023] 2024, and annually thereafter, the Secretary of the Office of Policy and Management shall, in consultation with the Connecticut Association of Assessing Officers, recommend a schedule of motor vehicle plate classes, which shall be used by assessors in each municipality in determining the classification of motor vehicles for purposes of property taxation. The determination of the assessed value of any vehicle for which a manufacturer's suggested retail price cannot be obtained for purposes of the property tax assessment list in any municipality shall be the responsibility of the assessor in such municipality, in consultation with the Connecticut Association of Assessing Officers.
Assessing Officers. Any appeal from the findings of assessors concerning motor vehicle values shall be made in accordance with provisions related to such appeals under this chapter.

Sec. 222. Section 12-63 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023, and applicable to assessment years commencing on or after October 1, 2024):

If so adopted, the present true and actual value of tangible personal property, other than motor vehicles, shall be determined in accordance with the provisions of this subsection. If such property is purchased, its true and actual value shall be established in relation to the cost of its acquisition, including transportation and installation, and shall reflect depreciation in accordance with the schedules set forth in subdivisions (3) to (6), inclusive, of this subsection. If such property is developed and produced by the owner of such property for a purpose other than wholesale or retail sale or lease, its true and actual value shall be established in relation to its cost of development, production and installation and shall reflect depreciation in accordance with the schedules provided in subdivisions (3) to (6), inclusive, of this subsection. 8693 (8) The present true and actual value of leased personal property other than motor vehicles shall be determined in accordance with the provisions of this subdivision. Such value for any assessment year shall be established in relation to the original selling price for self-manufactured property or acquisition cost for acquired property and shall reflect depreciation in accordance with the schedules provided in subdivisions (3) to (6), inclusive, of this subsection. If the assessor is unable to determine the original selling price of leased personal property, the present true and actual value thereof shall be its current selling price.

8693 (9) With respect to any personal property which is prohibited by law from being sold, the present true and actual value of such property shall be established with respect to such property's original manufactured cost increased by a ratio the numerator of which is the total proceeds from the manufacturer's salable equipment sold and the denominator of which is the total cost of the manufacturer's salable equipment sold. Such value shall then be depreciated in accordance with the appropriate schedule in this subsection.

8693 (10) The schedules of depreciation set forth in subdivisions (3) to (6), inclusive, of this subsection shall not be used with respect to videotapes, horses or other taxable livestock or electric cogenerating equipment.

8693 (11) If the assessor determines that the value of any item of personal property, other than a motor vehicle, produced by the application of the schedules set forth in this subsection does not accurately reflect the present true and actual value of such item, the assessor shall adjust such value to reflect the present true and actual value of such item.

8693 (12) Nothing in this subsection shall prevent any taxpayer from appealing any assessment made pursuant to this subsection if such
assessment does not accurately reflect the present true and actual value of any item of such taxpayer's personal property.

Sec. 223. Section 12-41 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023, and applicable to assessment years commencing on or after October 1, 2024):

(a) "Municipality", whenever used in this section, includes each town, consolidated town and city, and consolidated town and borough.

(b) (1) For assessment years commencing prior to October 1, [2023] 2024, no person required by law to file an annual declaration of personal property shall include in such declaration motor vehicles that are registered in the office of the state Commissioner of Motor Vehicles. With respect to any vehicle subject to taxation in a town other than the town in which such vehicle is registered, pursuant to section 12-71, information concerning such vehicle may be included in a declaration filed pursuant to this section or section 12-43, or on a report filed pursuant to section 12-57a.

(2) For assessment years commencing on or after October 1, [2023] 2024, any person required to file an annual declaration of tangible personal property shall include in such declaration the motor vehicle listing, pursuant to subdivision (2) of subsection (f) of section 12-71, of any motor vehicle owned by such person. If, after the annual deadline for filing a declaration, a motor vehicle is deemed personal property by the assessor, such motor vehicle shall be added to the declaration of the owner of such vehicle or included on a new declaration if no declaration was submitted in the prior year. The value of the motor vehicle shall be determined pursuant to section 12-63. If applicable, the value of the motor vehicle for the current assessment year shall be prorated pursuant to section 12-71b, and shall not be considered omitted property, as defined in section 12-53, or subject to a penalty pursuant to subsection (f) of this section.

(c) The annual declaration of the tangible personal property owned
by such person on the assessment date, shall include, but is not limited
to, the following property: Machinery used in mills and factories, cables,
wiress, poles, underground mains, conduits, pipes and other fixtures of
water, gas, electric and heating companies, leasehold improvements
classified as other than real property and furniture and fixtures of stores,
offices, hotels, restaurants, taverns, halls, factories and manufacturers.

Tangible personal property does not include a sign placed on a property
indicating that the property is for sale or lease. On and after October 1,
2023, tangible personal property shall include motor vehicles
listed on the schedule of motor vehicle plate classes recommended
pursuant to section 12-71d. Commercial or financial information in any
declaration filed under this section, except for commercial or financial
information which concerns motor vehicles, shall not be open for public
inspection but may be disclosed to municipal officers for tax collection
purposes.

(d) For assessment years commencing on or after October 1, 2023
2024, the Office of Policy and Management shall, in consultation with
the Connecticut Association of Assessing Officers, prescribe a form for
the annual declaration of personal property.

(e) Any person required by law to file an annual declaration of
personal property may sign and file such declaration electronically,
provided the municipality in which such declaration is to be filed (1) has
the technological ability to accept electronic signatures, and (2) agrees
to accept electronic signatures for annual declarations of personal
property.

(f) (1) Any person who fails to file a declaration of personal property
on or before the first day of November, or on or before the extended
filing date as granted by the assessor pursuant to section 12-42 shall be
subject to a penalty equal to twenty-five per cent of the assessment of
such property; (2) any person who files a declaration of personal
property in a timely manner, but has omitted property, as defined in
section 12-53, shall be subject to a penalty equal to twenty-five per cent
of the assessment of such omitted property. The penalty shall be added to the grand list by the assessor of the town in which such property is taxable; and (3) any declaration received by the municipality to which it is due that is in an envelope bearing a postmark, as defined in section 1-2a, showing a date within the allowed filing period shall not be deemed to be delinquent.

Sec. 224. Subsection (a) of section 12-53 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023, and applicable to assessment years commencing on or after October 1, 2024):

(a) For purposes of this section: (1) "Omitted property" means property for which complete information is not included in the declaration required to be filed by law with respect to (A) the total number and type of all items subject to taxation, (B) the true original cost and year acquired of all such items, or (C) on or after October 1, 2024, the manufacturer's suggested retail price of a motor vehicle plus any applicable after-market alterations to such motor vehicle, (2) "books", "papers", "documents" and "other records" includes, but is not limited to, federal tax forms relating to the acquisition and cost of fixed assets, general ledgers, balance sheets, disbursement ledgers, fixed asset and depreciation schedules, financial statements, invoices, operating expense reports, capital and operating leases, conditional sales agreements and building or leasehold ledgers, and (3) "designee of an assessor" means a Connecticut municipal assessor certified in accordance with subsection (b) of section 12-40a, a certified public accountant, a revaluation company certified in accordance with section 12-2c for the valuation of personal property, or an individual certified as a revaluation company employee in accordance with section 12-2b for the valuation of personal property.

(2) For assessment years commencing on or after October 1, [2023] 2024, goods, chattels and effects or any interest therein, including any interest in a leasehold improvement classified as other than real property, belonging to any person who is a resident in this state, shall be listed for purposes of property tax in the town where such person resides, subject to the provisions of sections 12-41, 12-43 and 12-59. Any such property belonging to any nonresident shall be listed for purposes of property tax as provided in section 12-43.

(b) Except as otherwise provided by the general statutes, property subject to this section shall be valued at the same percentage of its then actual valuation as the assessors have determined with respect to the listing of real estate for the same year, except that any antique, rare or special interest motor vehicle, as defined in section 14-1, shall be assessed at a value of not more than five hundred dollars. The owner of such antique, rare or special interest motor vehicle may be required by the assessors to provide reasonable documentation that such motor vehicle is an antique, rare or special interest motor vehicle, provided any motor vehicle for which special number plates have been issued pursuant to section 14-20 shall not be required to provide any such documentation. The provisions of this section shall not include money or property actually invested in merchandise or manufacturing carried on out of this state or machinery or equipment which would be eligible for exemption under subdivision (72) of section 12-81 once installed and
which cannot begin or which has not begun manufacturing, processing
or fabricating; or which is being used for research and development,
including experimental or laboratory research and development, design
or engineering directly related to manufacturing or being used for the
significant servicing, overhauling or rebuilding of machinery and
equipment for industrial use or the significant overhauling or
rebuilding of other products on a factory basis or being used for
measuring or testing or metal finishing or in the production of motion
pictures, video and sound recordings.

(c) For assessment years commencing prior to October 1, [2023] 2024,
upon payment of the property tax assessed with respect to any property
referred to in this section, owned by a resident or nonresident of this
state, which is currently used or intended for use in relation to
construction, building, grading, paving or similar projects, including,
but not limited to, motor vehicles, bulldozers, tractors and any
trailer-type vehicle, excluding any such equipment weighing less than
five hundred pounds, and excluding any motor vehicle subject to
registration pursuant to chapter 246 or exempt from such registration
by section 14-34, the town in which such equipment is taxed shall issue,
at the time of such payment, for display on a conspicuous surface of
each such item of equipment for which such tax has been paid, a
validation decal or sticker, identifiable as to the year of issue, which will
be presumptive evidence that such tax has been paid in the appropriate
town of the state.

(d) (1) Personal property subject to taxation under this chapter shall
not include computer software, except when the cost thereof is included,
without being separately stated, in the cost of computer hardware.
"Computer software" shall include any program or routine used to
cause a computer to perform a specific task or set of tasks, including
without limitation, operational and applicational programs and all
documentation related thereto.

(2) The provisions of subdivision (1) of this subsection shall be
applicable (A) to the assessment year commencing October 1, 1988, and each assessment year thereafter, and (B) to any assessment of computer software made after September 30, 1988, for any assessment year commencing before October 1, 1988.

(3) Nothing contained in this subsection shall create any implication related to liability for property tax with respect to computer software prior to July 1, 1989.

(4) A certificate of correction in accordance with section 12-57 shall not be issued with respect to any property described in subdivision (1) of this subsection for any assessment year commencing prior to October 1, 1989.

(2) (A) For assessment years commencing on or after October 1, 2024, each municipality shall list motor vehicles registered and classified in accordance with section 12-71d, and such motor vehicles shall be valued in the same manner as motor vehicles valued pursuant to section 12-63.

(B) For assessment years commencing on or after October 1, 2024, any unregistered motor vehicle or motor vehicle that is not used or capable of being used that is located in a municipality in this state, shall be listed and valued in the manner described in subparagraph (A)
(3) (A) For assessment years commencing prior to October 1, 2023, any motor vehicle or snowmobile registered in this state subject to taxation in accordance with the provisions of this subsection shall be set in the list of the town where such vehicle in the normal course of operation most frequently leaves from and returns to or in which it remains. In the event such an entity resides in more than one town in this state, it shall be subject to taxation by each such town with respect to any registered or unregistered motor vehicle that most frequently leaves from and returns to or remains in such town.

(4) Any motor vehicle owned by a nonresident of this state shall be set in the list of the town where such vehicle in the normal course of operation most frequently leaves from and returns to or in which it remains. If such vehicle in the normal course of operation most frequently leaves from and returns to or remains in more than one town, it shall be set in the list of the town in which such vehicle is located for the three or more months preceding the assessment day in any year, except that, if such vehicle is located in more than one town for three or more months preceding the assessment day in any year, it shall be set in the list of the town where it is located for the three months or more in such year nearest to such assessment day. the town in which such vehicle is subject to taxation.

(7) (A) For assessment years commencing prior to October 1, [2023]
2024, information concerning any vehicle subject to taxation in a town
other than the town in which it is registered may be included on any
declaration or report filed pursuant to section 12-41, 12-43 or 12-57a. If a

(B) For assessment years commencing on or after October 1, 2023, information concerning any vehicle subject to taxation in a town other than the town in which it is registered may be included on any declaration or report filed pursuant to section 12-41, 12-43 or 12-57a. If a motor vehicle is listed in a town in which it is not subject to taxation, pursuant to the provisions of subdivision (5) of this subsection, the assessor of the town in which such vehicle is listed shall notify the assessor of the town in which such vehicle is listed of the name and address of the owner of such motor vehicle, the vehicle identification number and the town in which such vehicle is taxed. The assessor of the town in which said vehicle is registered and the assessor of the town in which said vehicle is listed shall cooperate in administering the provisions of this section concerning the listing of such vehicle for property tax purposes.

Sec. 226. Section 12-71b of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023, and applicable to assessment years commencing on or after October 1, 2024):

(a) (1) For assessment years commencing prior to October 1, 2023, any person who owns a motor vehicle which is not registered with the Commissioner of Motor Vehicles on the first day of October in any assessment year and which is registered subsequent to said first day of October but prior to the first day of August in such assessment year shall be liable for the payment of property tax with respect to such motor vehicle in the town where such motor vehicle is subject to property tax, in an amount as hereinafter provided, on the first day of January
immediately subsequent to the end of such assessment year. The
property tax payable with respect to such motor vehicle on said first day
of January shall be in the amount which would be payable if such motor
vehicle had been entered in the taxable list of the town where such
motor vehicle is subject to property tax on the first day of October in
such assessment year if such registration occurs prior to the first day of
November. If such registration occurs on or after the first day of
November but prior to the first day of August in such assessment year,
such tax shall be a pro rata portion of the amount of tax payable if such
motor vehicle had been entered in the taxable list of such town on
October first in such assessment year to be determined (A) by a ratio,
the numerator of which shall be the number of months from the date of
such registration, including the month in which registration occurs, to
the first day of October next succeeding and the denominator of which
shall be twelve, or (B) upon the affirmative vote of the legislative body
of the municipality, by a ratio the numerator of which shall be the
number of days from the date of such registration, including the day on
which the registration occurs, to the first day of October next succeeding
and the denominator of which shall be three hundred sixty-five. For
purposes of this section the term "assessment year" means the period of
twelve full months commencing with October first each year.

(2) For assessment years commencing on or after October 1, [2023]
2024, any person who owns a motor vehicle which is not registered with
the Commissioner of Motor Vehicles on the first day of October in any
assessment year and which is registered subsequent to said first day of
October but prior to the first day of April in such assessment year shall
be liable for the payment of property tax with respect to such motor
vehicle in the town where such motor vehicle is subject to property tax,
in an amount as hereinafter provided, on the first day of July in such
assessment year. Any person who owns a motor vehicle which is
registered with the Commissioner of Motor Vehicles on or after the first
day of April in any assessment year but prior to the first day of October
next succeeding shall be liable for the payment of property tax with
respect to such motor vehicle in the town where such motor vehicle is subject to property tax, in an amount hereinafter provided, on the first day of January immediately subsequent to the end of such assessment year. The property tax payable with respect to a motor vehicle described in this subdivision shall be in the amount which would be payable if such motor vehicle had been entered into the taxable list of the town where such motor vehicle is subject to property tax on the first day of October in such assessment year if such registration occurs prior to the first day of November. If such registration occurs on or after the first day of November but prior to the first day of October next succeeding, such tax shall be a pro rata portion of the amount of tax payable if such motor vehicle had been entered in the taxable list of such town on October first in such assessment year to be determined (A) by a ratio, the numerator of which shall be the number of months from the date of such registration, including the month in which registration occurs, to the first day of October next succeeding and the denominator of which shall be twelve, or (B) upon the affirmative vote of the legislative body of the municipality, by a ratio the numerator of which shall be the number of days from the date of such registration, including the day on which the registration occurs, to the first day of October next succeeding and the denominator of which shall be three hundred sixty-five.

(b) (1) For assessment years commencing prior to October 1, [2023] 2024, whenever any person who owns a motor vehicle which has been entered in the taxable list of the town where such motor vehicle is subject to property tax in any assessment year and who, subsequent to the first day of October in such assessment year but prior to the first day of August in such assessment year, replaces such motor vehicle with another motor vehicle, hereinafter referred to as the replacement vehicle, which vehicle may be in a different classification for purposes of registration than the motor vehicle replaced, and provided one of the following conditions is applicable with respect to the motor vehicle replaced: (A) The unexpired registration of the motor vehicle replaced is transferred to the replacement vehicle, (B) the motor vehicle replaced
was stolen or totally damaged and proof concerning such theft or total
damage is submitted to the assessor in such town, or (C) the motor
vehicle replaced is sold by such person within forty-five days
immediately prior to or following the date on which such person
acquires the replacement vehicle, such person shall be liable for the
payment of property tax with respect to the replacement vehicle in the
town in which the motor vehicle replaced is subject to property tax, in
an amount as hereinafter provided, on the first day of January
immediately subsequent to the end of such assessment year. If the
replacement vehicle is replaced by such person with another motor
vehicle prior to the first day of August in such assessment year, the
replacement vehicle shall be subject to property tax as provided in this
subsection and such other motor vehicle replacing the replacement
vehicle, or any motor vehicle replacing such other motor vehicle in such
assessment year, shall be deemed to be the replacement vehicle for
purposes of this subsection and shall be subject to property tax as
provided herein. The property tax payable with respect to the
replacement vehicle on said first day of January shall be the amount by
which (i) is in excess of (ii) as follows: (i) The property tax which would
be payable if the replacement vehicle had been entered in the taxable list
of the town in which the motor vehicle replaced is subject to property
tax on the first day of October in such assessment year if such
registration occurs prior to the first day of November, however if such
registration occurs on or after the first day of November but prior to the
first day of August in such assessment year, such tax shall be a pro rata
portion of the amount of tax payable if such motor vehicle had been
entered in the taxable list of such town on October first in such
assessment year to be determined by a ratio, the numerator of which
shall be the number of months from the date of such registration,
including the month in which registration occurs, to the first day of
October next succeeding and the denominator of which shall be twelve,
provided if such person, on said first day of October, was entitled to any
exemption under section 12-81 which was allowed in the assessment of
the motor vehicle replaced, such exemption shall be allowed for
purposes of determining the property tax payable with respect to the replacement vehicle as provided herein; (ii) the property tax payable by such person with respect to the motor vehicle replaced, provided if the replacement vehicle is registered subsequent to the thirty-first day of October but prior to the first day of August in such assessment year such property tax payable with respect to the motor vehicle replaced shall, for purposes of the computation herein, be deemed to be a pro rata portion of such property tax to be prorated in the same manner as the amount of tax determined under (i) above.

(2) For assessment years commencing on or after October 1, 2023, whenever any person who owns a motor vehicle which has been entered in the taxable list of the town where such motor vehicle is subject to property tax in any assessment year and who, subsequent to the first day of October in such assessment year but prior to the first day of April in such assessment year, replaces such motor vehicle with another motor vehicle, hereinafter referred to as the replacement vehicle, which vehicle may be in a different classification for purposes of registration than the motor vehicle replaced, and provided one of the following conditions is applicable with respect to the motor vehicle replaced: (A) The unexpired registration of the motor vehicle replaced is transferred to the replacement vehicle, (B) the motor vehicle replaced was stolen or totally damaged and proof concerning such theft or total damage is submitted to the assessor in such town, or (C) the motor vehicle replaced is sold by such person within forty-five days immediately prior to or following the date on which such person acquires the replacement vehicle, such person shall be liable for the payment of property tax with respect to the replacement vehicle in the town in which the motor vehicle replaced is subject to property tax pursuant to subdivision (4) of this subsection, on the first day of July in such assessment year. If a replacement vehicle is replaced by the owner of such replacement vehicle prior to the first day of October next succeeding such assessment year, the replacement vehicle shall be subject to property tax as provided in this subdivision and such other
motor vehicle replacing the replacement vehicle, or any motor vehicle replacing such other motor vehicle in such assessment year, shall be deemed to be the replacement vehicle for purposes of this subdivision.

(B) After a health carrier notifies a covered person, a covered person's authorized representative or a covered person's health care professional of an initial adverse determination that was based, in whole or in part, on medical necessity, of a concurrent or prospective utilization review or of a benefit request, the health carrier shall offer a covered person's health care professional the opportunity to confer, at the request of the covered person's health care professional, with a clinical peer of such health carrier, provided such covered person, covered person's authorized representative or covered person's health care professional has not filed a grievance of such initial adverse determination prior to such conference. Such conference shall not be considered a grievance of such initial adverse determination.

(b) With respect to a nonurgent care request:

(1) (A) For a prospective or concurrent review request, a health carrier shall make a determination within a reasonable period of time appropriate to the covered person's medical condition, but not later than fifteen seven calendar days after the date the health carrier receives such request, and shall notify the covered person and, if applicable, the covered person's authorized representative of such determination, whether or not the carrier certifies the provision of the benefit.

(B) If the review under subparagraph (A) of this subdivision is a review of a grievance involving a concurrent review request, pursuant
to 45 CFR 147.136, as amended from time to time, the treatment shall be
continued without liability to the covered person until the covered
person has been notified of the review decision.

(2) For a retrospective review request, a health carrier shall make a
determination within a reasonable period of time, but not later than
thirty calendar days after the date the health carrier receives such
request.

(3) (A) The time period specified in subdivision (1) and
subdivision (2) of this subsection may be extended once by the
health carrier for up to fifteen calendar days, and the time period
specified in subdivision (2) of this subsection may be extended once by

circumstances beyond the health carrier's control; and

[(B)] (ii) Notifies the covered person and, if applicable, the covered
person's authorized representative prior to the expiration of the initial
time period, of the circumstances requiring the extension of time and
the date by which the health carrier expects to make a determination.

(B) Notwithstanding the provisions of subparagraph (A) of
subdivision (3) of this subsection, the time period specified in
subdivision (1) of this subsection may be extended once by the health
carrier for up to fifteen calendar days, provided the covered person's
health care professional notifies the health carrier that the service will
not be performed for at least three months from the date such health
carrier received the request.

(4) (A) If the extension pursuant to subdivision (3) of this subsection
is necessary due to the failure of the covered person or the covered
person's authorized representative to provide information necessary to
make a determination on the request, the health carrier shall:
(i) Specifically describe in the notice of extension the required information necessary to complete the request; and

(ii) Provide the covered person and, if applicable, the covered person's authorized representative with not less than forty-five calendar days after the date of receipt of the notice to provide the specified information.

(B) If the covered person or the covered person's authorized representative fails to submit the specified information before the end of the period of the extension, the health carrier may deny certification of the benefit requested.

(c) With respect to an urgent care request:

(1) (A) Unless the covered person or the covered person's authorized representative has failed to provide information necessary for the health carrier to make a determination and except as specified under subparagraph (B) of this subdivision, the health carrier shall make a determination as soon as possible, taking into account the covered person's medical condition, but not later than forty-eight hours after the health carrier receives such request, or seventy-two hours after such health carrier receives such request if any portion of such forty-eight-hour period falls on a weekend, provided, if the urgent care request is a concurrent review request to extend a course of treatment beyond the initial period of time or the number of treatments, such request is made [at least] not less than twenty-four hours prior to the expiration of the prescribed period of time or number of treatments.

(B) Unless the covered person or the covered person's authorized representative has failed to provide information necessary for the health carrier to make a determination, for an urgent care request specified under subparagraph (B) or (C) of subdivision (38) of section 38a-591a, the health carrier shall make a determination as soon as possible, taking into account the covered person's medical condition, but not later than twenty-four hours after the health carrier receives such request,
provided, if the urgent care request is a concurrent review request to extend a course of treatment beyond the initial period of time or the number of treatments, such request is made [at least] not less than twenty-four hours prior to the expiration of the prescribed period of time or number of treatments.

(2) (A) If the covered person or the covered person's authorized representative has failed to provide information necessary for the health carrier to make a determination, the health carrier shall notify the covered person or the covered person's representative, as applicable, as soon as possible, but not later than twenty-four hours after the health carrier receives such request.

(B) The health carrier shall provide the covered person or the covered person's authorized representative, as applicable, a reasonable period of time to submit the specified information, taking into account the covered person's medical condition, but not less than forty-eight hours after notifying the covered person or the covered person's authorized representative, as applicable.

(3) The health carrier shall notify the covered person and, if applicable, the covered person's authorized representative of its determination as soon as possible, but not later than forty-eight hours after the earlier of (A) the date on which the covered person and the covered person's authorized representative, as applicable, provides the specified information to the health carrier, or (B) the date on which the specified information was to have been submitted.

(d) (1) Whenever a health carrier receives a review request from a covered person or a covered person's authorized representative that fails to meet the health carrier's filing procedures, the health carrier shall notify the covered person and, if applicable, the covered person's authorized representative of such failure not later than five calendar days after the health carrier receives such request, except that for an urgent care request, the health carrier shall notify the covered person
and, if applicable, the covered person's authorized representative of such failure not later than twenty-four hours after the health carrier receives such request. For a nonurgent prospective or concurrent review request, each health carrier shall acknowledge receipt of each such request as soon as practicable, but not later than twenty-four hours after the health carrier receives such request, except that such health carrier shall respond in less time if such a response is required by applicable federal law.

(2) If the health carrier provides such notice orally, the health carrier shall provide confirmation in writing to the covered person and the covered person's health care professional of record not later than [five] three calendar days after providing the oral notice. No health carrier shall require a health care professional or hospital to submit additional information that was not reasonably available to such health care professional or hospital at the time that such health care professional or hospital filed the prospective or concurrent review request with such health carrier.

(e) Each health carrier shall provide promptly to a covered person and, if applicable, the covered person's authorized representative a notice of an adverse determination.

(1) Such notice may be provided in writing or by electronic means and shall set forth, in a manner calculated to be understood by the covered person or the covered person's authorized representative:

(F) (i) (I) A copy of the specific rule, guideline, protocol or other similar criterion the health carrier relied upon to make the adverse determination, or (II) a statement that a specific rule, guideline, protocol or other similar criterion of the health carrier was relied upon to make the adverse determination and that a copy of such rule, guideline, protocol or other similar criterion will be provided to the covered person free of charge upon request, with instructions for requesting such copy, and (ii) the links to such rule, guideline, protocol or other similar criterion on such health carrier's Internet web site;

(G) If the adverse determination is based on medical necessity or an experimental or investigational treatment or similar exclusion or limit, the written statement of the scientific or clinical rationale for the adverse determination and (i) an explanation of the scientific or clinical rationale used to make the determination that applies the terms of the health
benefit plan to the covered person's medical circumstances, or (ii) a statement that an explanation will be provided to the covered person free of charge upon request, and instructions for requesting a copy of such explanation;

Such statement shall include the contact information for said offices; and

(I) A statement, expressed in language approved by the Healthcare Advocate and prominently displayed on the first page or cover sheet of the notice using a call-out box and large or bold text, that if the covered person or the covered person's authorized representative chooses to file a grievance of an adverse determination, (i) such appeals are sometimes successful, (ii) such covered person or covered person's authorized representative may benefit from free assistance from the Office of the Healthcare Advocate, which can assist such covered person or covered person's authorized representative with the filing of a grievance pursuant to 42 USC 300gg-93, as amended from time to time, (iii) such covered person or covered person's authorized representative is entitled and encouraged to submit supporting documentation for the health carrier's consideration during the review of an adverse determination, including narratives from such covered person or covered person's authorized representative and letters and treatment notes from such covered person's health care professional, and (iv) such covered person or covered person's authorized representative has the right to ask such covered person's health care professional for such letters or treatment notes.

(2) Upon request pursuant to subparagraph (E) of subdivision (1) of this subsection, the health carrier shall provide such copies in accordance with subsection (a) of section 38a-591n.
If the adverse determination is a rescission, the health carrier shall include with the advance notice of the application for rescission required to be sent to the covered person, a written statement that includes:

1. Clear identification of the alleged fraudulent act, practice or omission or the intentional misrepresentation of material fact;
2. An explanation as to why the act, practice or omission was fraudulent or was an intentional misrepresentation of a material fact;
3. A disclosure that the covered person or the covered person's authorized representative may file immediately, without waiting for the date such advance notice of the proposed rescission ends, a grievance with the health carrier to request a review of the adverse determination to rescind coverage, pursuant to sections 38a-591e and 38a-591f;
4. A description of the health carrier's grievance procedures established under sections 38a-591e and 38a-591f, including any time limits applicable to those procedures; and
5. The date such advance notice of the proposed rescission ends and the date back to which the coverage will be retroactively rescinded.

Whenever a health carrier fails to strictly adhere to the requirements of this section with respect to making utilization review and benefit determinations of a benefit request or claim, the covered person shall be deemed to have exhausted the internal grievance process of such health carrier and may file a request for an external review in accordance with the provisions of section 38a-591g, regardless of whether the health carrier asserts it substantially complied with the requirements of this section or that any error it committed was de minimis.

A covered person who has exhausted the internal grievance process of a health carrier may, in addition to filing a request for an
external review, pursue any available remedies under state or federal law on the basis that the health carrier failed to provide a reasonable internal grievance process that would yield a decision on the merits of the claim.

purposes of this section and sections 4a-60, 4a-60a, 4a-60g [4a-62] and 46a-68b to 46a-68k, inclusive.

Sec. 255. Section 46a-68b of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

As used in this section and sections 4a-60, 4a-60a, [4a-62,] 46a-56 and 46a-68c to 46a-68k, inclusive: "Public works contract" means any agreement between any individual, firm or corporation and the state or any political subdivision of the state other than a municipality for construction, rehabilitation, conversion, extension, demolition or repair of a public building, highway or other changes or improvements in real property, or which is financed in whole or in part by the state, including, but not limited to, matching expenditures, grants, loans, insurance or guarantees and "municipal public works contract", "quasi-public agency project" and "awarding agency" have the same meanings as provided in section 4a-60g.

Sec. 256. Section 46a-68c of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

(a) In addition to the provisions of section 4a-60, each contractor with fifty or more employees awarded a public works contract, municipal public works contract or contract for a quasi-public agency project in excess of fifty thousand dollars in any fiscal year, but not subject to the provisions of section 46a-68d, shall develop and file an affirmative action plan with the Commission on Human Rights and Opportunities [an affirmative action plan] which shall comply with regulations adopted by the commission. The executive director or the executive director's designee shall review and formally approve, conditionally approve or disapprove the content of the affirmative action plan not later than one hundred twenty days following the date of the submission of the plan to the commission. The executive director or the executive director's designee shall, not later than fifteen days after the date of deeming an affirmative action plan approved or deficient without consequence, provide the contractor with written notification of the action taken with respect to such plan. Failure to develop an affirmative action plan that is either approved or deficient without consequence shall act as a bar to bidding on or the award of future contracts until such requirement has been met.

(b) When the executive director or the executive director's designee approves an affirmative action plan pursuant to this section, the executive director or the executive director's designee shall issue a certificate of compliance to the contractor. Such certificate shall be prima facie proof of the contractor's eligibility to bid or be awarded contracts for a period of two years from the date of the certificate. Such certificate shall not excuse the contractor from monitoring by the commission or from the reporting and record-keeping requirements of sections 46a-68e and 46a-68f. The executive director or the executive director's designee may revoke the certificate of a contractor if the contractor does not implement its affirmative action plan in compliance with this section and sections 4a-60, 4a-60g, [4a-62,] 46a-56, 46a-68b, 46a-68d, and 46a-68e to 46a-68k, inclusive.

Sec. 271. Section 14-99h of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2023):

(a) For the purposes of this section, (1) "component part" includes, but is not limited to, the hood, trunk, wheels and doors of a motor vehicle or the frame or steering column of a motorcycle, (2) "covert application" means a latent brushed chemical that embeds a marking over a vinyl stencil such that when it is removed it is only visible with the assistance of ultraviolet light, and (3) "new car dealer" and "used car dealer" have the same meanings as provided in section 14-51.

(b) Each new car dealer or used car dealer, as defined in section 14-51, or lessor, licensed under the provisions of section 14-15, may offer the purchaser or lessee of a new or used motor vehicle, at the time of sale or lease, the optional service of etching the complete vehicle identification number on a lower corner of the windshield and on each side or rear window in such vehicle. [Prior to July 1, 2022, each such dealer or lessor may etch the complete vehicle identification number on any such vehicle in its inventory prior to its sale or lease provided it specifies the charge for such service separately on the order for the sale of the motor vehicle as prescribed by the provisions of section 14-62.] On and after July 1, 2022, no such dealer or lessor shall etch the complete vehicle identification number on any vehicle prior to the sale of or lease of such vehicle without the written consent of the purchaser or lessee of such vehicle.

(c) Each new car dealer or used car dealer, as defined in section 14-51, offers the purchaser of a new or used motor vehicle, at the time of sale, the optional service of marking the vehicle component parts of such vehicle with the complete vehicle identification number, the dealer of such vehicle using a covert application, and shall specify the charge for such service
separately on the order for the sale of the motor vehicle as prescribed by the provisions of section 14-62. Each new [or used] dealer that sells a new motorcycle shall [offer to the purchaser to] mark the complete vehicle identification number of such motorcycle on the component parts of [said] such motorcycle. Such marking service shall be subject to the regulations and standards adopted by the [commissioner] Commissioner of Motor Vehicles in accordance with this section. The marking of component parts shall (1) include permanently marking the complete vehicle identification number on the component part in a secure manner using a covert application, (2) remain visible after one or more layers of paint have been applied to the area in which the complete vehicle identification number has been marked, (3) include the name and telephone number or Internet web site of the company that performed such marking, (4) be identified by a vinyl stencil that is highly resistant to counterfeiting, cannot be removed in one piece and leaves a permanent mark on the component part if removed, and (5) be performed using chemicals that will not damage the paint on the motor vehicle, motorcycle or component part.

[(c)] (d) Each new car dealer, used car dealer or lessor shall charge reasonable rates for etching services and component parts marking services rendered within the state pursuant to subsections [(a) and] (b) and (c) of this section and shall file a schedule of such rates with the Commissioner of Motor Vehicles. Each such dealer or lessor may from time to time file an amended schedule of such rates with the commissioner. No such dealer or lessor may charge any rate for such etching services or parts marking services which is greater than the rates contained in the most recent schedule filed with the commissioner. Any person violating the provisions of this subsection shall be subject to the penalties of false statement, as provided for in sections 14-110 and 53a-157b.

(e) Each new car dealer, used car dealer, lessor or company performing component parts marking services pursuant to subsections (b) and (c) of this section shall maintain a secure database of motor
vehicles, including motorcycles, and component parts that have been marked by such dealer, lessor or company and retain the information on such vehicles and parts in such database for not less than ten years. Such database shall be accessible by the Department of Motor Vehicles and any law enforcement agency, as defined in section 7-294a, without requiring a search warrant.

[(d)] (f) A motor vehicle dealer, licensed in accordance with section 14-52, and meeting qualifications established by the commissioner, may verify a manufacturer's vehicle identification number to satisfy any provision requiring such verification in this chapter, or chapter 246a or 247. Such verification shall be provided in a written affidavit signed by such a motor vehicle dealer, or such dealer's designee, and submitted to the commissioner. Such affidavit shall contain a statement that the manufacturer's vehicle identification number corresponds to such number (1) on the manufacturer's or importer's certificate of origin, if the motor vehicle is new, (2) on a current certificate of title, or (3) on a current motor vehicle registration document. Such affidavit shall also contain a statement that the vehicle identification number has not been mutilated, altered or removed.

[(e) Any person violating the provisions of subsection (c) of this section shall be subject to the penalties of false statement, provided for in sections 14-110 and 53a-157b.]

(g) No person shall replace or refurbish a component part marked pursuant to subsection (c) of this section or paint a part of a motor vehicle, including a motorcycle, that has been marked pursuant to subsection (c) of this section, unless such person (1) is a repairer licensed in accordance with section 14-52, and (2) provides the new car dealer or company that marked the component part to be replaced or refurbished with information sufficient to identify the customer, motor vehicle and replacement or refurbished part or painted area for each service performed. Any new car dealer or company that receives information from a repairer pursuant to the provisions of this subsection shall input
such information in the database established pursuant to subsection (e)
of this section. No component part used to replace a component part
marked pursuant to subsection (c) of this section shall be used unless
the replacement component part is marked by a repairer.

(h) Each new car dealer that performs a marking service pursuant to
subsection (c) of this section shall provide the purchaser of the motor
vehicle with a written warranty. Such warranty shall identify the vehicle
identification number of the motor vehicle that received such marking
service and the date such service was performed. Such warranty shall
be valid for a five-year period with regard to a motor vehicle, other than
a motorcycle, and for a three-year period with regard to a motorcycle.
Such warranty shall require such dealer, not later than sixty days after
the receipt of sufficient proof that the vehicle that is the subject of the
warranty was stolen, to (1) pay the purchaser of such vehicle two
thousand five hundred dollars, and (2) provide the purchaser with a
credit of two thousand five hundred dollars, that may be applied toward
the purchase, from such dealer, of a vehicle that is of equal or greater
value to the vehicle that is the subject of the warranty. For purposes of
this subsection, "sufficient proof" means (A) a police report indicating
that the motor vehicle was stolen, and (B) proof of total loss of such
vehicle due to theft, from the primary insurance company that provides
insurance on such vehicle.

(i) Each new car dealer performing marking services under
subsection (c) of this section shall obtain an insurance policy or maintain
reserves adequate to cover claims under such warranties. Each such
dealer shall provide the Insurance Commissioner with (1) a copy of such
insurance policy or a certification from a certified public accountant
attesting to the adequacy of the dealer's reserves to satisfy claims under
such warranties as reported on such dealer's financial statements or in a
trust account, and (2) a copy of the warranty form used by such dealer.

[(f) The commissioner] (j) Except as provided in subsection (k) of this
section, the Commissioner of Motor Vehicles shall adopt regulations, in
accordance with chapter 54, to implement the provisions of this section. Such regulations may shall, at a minimum, provide standards for (1) the marking of component parts in a secure manner, (2) telephone or online access to a secure database of vehicles including motorcycles and parts that have been marked and registered in such database established pursuant to subsection (e) of this section, and (3) the marking of parts that are used to replace previously marked parts that have been marked by repairers [licensed in accordance with section 14-52] pursuant to subsection (g) of this section.

(k) The Insurance Commissioner shall adopt regulations, in accordance with chapter 54, to implement the provisions of this section.

(l) Except as provided in subsection (d) of this section, any person who violates any provision of this section shall, for a first violation, be fined not more than one hundred dollars and, for any subsequent violation, be fined not more than three hundred dollars.

Before issuing registration for any motor vehicle that has not been previously registered in this state, except a new motor vehicle, the Commissioner of Motor Vehicles may require an inspection of the manufacturer's vehicle identification number. Such an inspection may be performed at any designated official emissions inspection station or by any other business or firm authorized by the commissioner to perform safety inspections in accordance with sections 14-12 and 14-16a or by any motor vehicle dealer or repairer, licensed in accordance with section 14-52 and meeting qualifications established by the commissioner. If the inspection is performed by a licensed dealer or repairer, and is not performed in connection with an official emissions inspection, such dealer or repairer may charge a fee to the owner in an
amount not to exceed twenty dollars, provided an affidavit relating to such inspection is furnished to the commissioner in accordance with the provisions of subsection [(d)] (f) of section 14-99h.

Sec. 279. Subsection (a) of section 17b-112 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective April
1, 2024):

(a) The Department of Social Services shall administer a temporary
family assistance program under which cash assistance shall be
provided to eligible families in accordance with the temporary
assistance for needy families program, established pursuant to the
Personal Responsibility and Work Opportunity Reconciliation Act of
1996. The Commissioner of Social Services may operate portions of the
temporary family assistance program as a solely state-funded program,
separate from the federal temporary assistance for needy families
program, if the commissioner determines that doing so will enable the
state to avoid fiscal penalties under the temporary assistance for needy
families program. Families receiving assistance under the solely state-
funded portion of the temporary family assistance program shall be
subject to the same conditions of eligibility as those receiving assistance
under the federal temporary assistance for needy families program.
Under the temporary family assistance program, benefits shall be
provided to a family for not longer than [twenty-one] thirty-six months,
except as provided in subsections (b) and (c) of this section. For the
purpose of calculating said [twenty-one-month] thirty-six-month time
limit, months of assistance received on and after January 1, 1996,
pursuant to time limits under the aid to families with dependent
children program, shall be included. For purposes of this section,
"family" means one or more individuals who apply for or receive
assistance together under the temporary family assistance program. If
the commissioner determines that federal law allows individuals not
otherwise in an eligible covered group for the temporary family
assistance program to become covered, such family may also, at the
discretion of the commissioner, be composed of (1) a pregnant woman,
or (2) a parent, both parents or other caretaker relative and at least one child who is under the age of eighteen, or who is under the age of nineteen and a full-time student in a secondary school or its equivalent. A caretaker relative shall be related to the child or children by blood, marriage or adoption or shall be the legal guardian of such a child or pursuing legal proceedings necessary to achieve guardianship. If the commissioner elects to allow state eligibility consistent with any change in federal law, the commissioner may administratively transfer any qualifying family cases under the cash assistance portion of the state-administered general assistance program to the temporary family assistance program without regard to usual eligibility and enrollment procedures. If such families become an ineligible coverage group under the federal law, the commissioner shall administratively transfer such families back to the cash assistance portion of the state-administered general assistance program without regard to usual eligibility and enrollment procedures to the degree that such families are eligible for the state program.

Sec. 280. Subsection (c) of section 17b-112 of the general statutes is repealed and the following is substituted in lieu thereof (Effective April 1, 2024):

(c) A family who is subject to time-limited benefits may petition the Commissioner of Social Services for six-month extensions of such benefits. The commissioner shall grant not more than two extensions to such family who has made a good faith effort to comply with the requirements of the program and despite such effort has a total family income [at a level below the payment standard] below one hundred percent of the federal poverty level, or has encountered circumstances preventing employment including, but not limited to: (1) Domestic violence or physical harm to such family's children; or (2) other circumstances beyond such family's control. The commissioner shall disregard ninety dollars of earned income in determining applicable family income. The commissioner may grant a subsequent six-month extension if each adult in the family meets one or more of the following
criteria: (A) The adult is precluded from engaging in employment activities due to domestic violence or another reason beyond the adult's control; (B) the adult has two or more substantiated barriers to employment including, but not limited to, the lack of available child care, substance abuse or addiction, severe mental or physical health problems, one or more severe learning disabilities, domestic violence or a child who has a serious physical or behavioral health problem; or (C) the adult is working thirty-five or more hours per week, is earning at least the minimum wage and continues to earn less than the family's temporary family assistance payment standard; or (D) the adult is employed and works less than thirty-five hours per week due to (i) a documented medical impairment that limits the adult's hours of employment, provided the adult works the maximum number of hours that the medical condition permits, or (ii) the need to care for a disabled member of the adult's household, provided the adult works the maximum number of hours the adult's caregiving responsibilities permit. Families receiving temporary family assistance shall be notified by the department of the right to petition for such extensions. Notwithstanding the provisions of this section, the commissioner shall not provide benefits under the state's temporary family assistance program to a family that is subject to the [twenty-one month] thirty-six-month benefit limit and has received benefits beginning on or after October 1, 1996, if such benefits result in that family's receiving more than sixty months of time-limited benefits unless that family experiences domestic violence, as defined in Section 402(a)(7)(B), P.L. 104-193. For the purpose of calculating said sixty-month limit: (I) A month shall count toward the limit if the family receives assistance for any day of the month, provided any months of temporary family assistance received during the public health emergency declared by Governor Ned Lamont related to the COVID-19 pandemic shall not be included, and (II) a month in which a family receives temporary assistance for needy families benefits that are issued from a jurisdiction other than Connecticut shall count toward the limit.
Sec. 281. Subsection (d) of section 17b-112 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(d) (1) Under said program, no family shall be eligible that has total gross earnings exceeding the federal poverty level, however, in the calculation of the benefit amount for eligible families and previously eligible families that become ineligible temporarily because of receipt of workers' compensation benefits by a family member who subsequently returns to work immediately after the period of receipt of such benefits, earned income shall be disregarded up to the federal poverty level. On and after October 1, 2023, the commissioner shall not deny a family assistance under said program on the basis of such family's assets unless such assets exceed six thousand dollars. Except when determining eligibility for a six-month extension of benefits pursuant to subsection (c) of this section, the commissioner shall disregard the first fifty dollars per month of income attributable to current child support that a family receives in determining eligibility and benefit levels for temporary family assistance. Any current child support in excess of fifty dollars per month collected by the department on behalf of an eligible child shall be considered in determining eligibility but shall not be considered when calculating benefits and shall be taken as reimbursement for assistance paid under this section, except that when the current child support collected exceeds the family's monthly award of temporary family assistance benefits plus fifty dollars, the current child support shall be paid to the family and shall be considered when calculating benefits.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, on and after January 1, 2024, in the first month in which a family's total gross earnings exceed one hundred per cent of the federal poverty level and for a period not to exceed six consecutive months, the department shall disregard, for purposes of eligibility, a family's total gross earnings in an amount not to exceed two hundred thirty per cent of the federal poverty level. If a family's total gross earnings are an amount between one hundred seventy-one per cent and two hundred
thirty per cent of the federal poverty level, the department shall reduce
the household's benefit by twenty per cent for the months in which
earnings are between one hundred seventy-one per cent and two
hundred thirty per cent of the federal poverty level.

Sec. 282. Subsection (f) of section 17b-112 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective April
1, 2024):

(f) A family leaving assistance at the end of (1) said [twenty-one-
month] thirty-six-month time limit, [including a family with income
above the payment standard,] or (2) the sixty-month limit shall have an
interview for the purpose of being informed of services that may
continue to be available to such family, including employment services
available through the Labor Department. Such interview shall include
(A) a determination of benefits available to the family provided by the
Department of Social Services; and (B) a determination of whether such
family is eligible for supplemental nutrition assistance or Medicaid.
Information and referrals shall be made to such a family for services and
benefits including, but not limited to, the earned income tax credit,
rental subsidies emergency housing, employment services and energy
assistance.

repealed and the following is substituted in lieu thereof (Effective April
1, 2024):

(a) An applicant or recipient who is a past or present victim of
domestic violence or at risk of further domestic violence, pursuant to
subsection (c) of section 17b-112a, shall, for good cause: (1) Be excused
from failing to participate in a work activity; or (2) be exempted from
child support enforcement requirements pursuant to subsection (e) of
section 17b-112. Such an applicant or recipient may, for good cause, be
granted an extension of cash assistance beyond [twenty-one] thirty-six
months, provided the domestic violence experienced is of sufficient

of subsection (b) of this section prior to the end of the [twenty-one-
month] thirty-six-month time limit shall be considered to have made a
good faith effort to comply with the requirements of the program for the
purposes of qualifying for a six-month extension, provided they have
made a good faith effort to comply with the individual performance

(d) The Commissioner of Social Services shall implement policies and

provided the commissioner prints notice of intention to adopt the

Sec. 285. Subsection (d) of section 17b-112g of the general statutes is
repealed and the following is substituted in lieu thereof (Effective April
1, 2024):

(d) A family receiving diversion assistance shall be ineligible to
receive monthly temporary family assistance payments for a period of
three months from the date of application for temporary family
assistance, except that such family shall be eligible to receive temporary
family assistance payments within such period if the Commissioner of
Social Services, or the commissioner's designee, in the commissioner's
sole discretion, determines that the family has experienced undue
hardship. A family that is subject to the [twenty-one-month] thirty-six-month benefit limit under temporary family assistance shall have diversion assistance count as three months toward such limit. Nothing in this section shall prohibit a family receiving diversion assistance that later qualifies for temporary family assistance from qualifying for a six-month extension available to recipients of temporary family assistance who did not receive diversion assistance.

In determining eligibility, the commissioner shall not consider as income (A) Aid and Attendance pension benefits granted to a veteran, as defined in section 27-103, or the surviving spouse of such veteran; and (B) any tax refund or advance payment with respect to a refundable credit to the same extent such refund or advance payment would be disregarded under 26 USC 6409 in any federal program or state or local program financed in whole or in part with federal funds. No person who is a substance abuser and refuses or fails to enter available, appropriate treatment shall be eligible for cash assistance under the program until such person enters treatment. Sec. 287. Section 17b-601 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2023):

The Commissioner of Social Services shall adopt regulations in accordance with the provisions of chapter 54 establishing the method by which payments are made for recipients of the state supplement program who are residents of licensed residential care homes, as defined in section 19a-490, and a rated housing facility, as defined in section 17b-82. Such regulations shall provide for the safeguarding of residents' personal funds with respect to any homes, or rated housing facilities that handle such funds. Regulations concerning payment for residents shall provide for payment to the licensed residential care home or rated housing facility for the period during which the recipient makes such home or facility his or her residence, without regard to periods during which the recipient is absent, provided (1) the recipient's bed at the home or facility would otherwise be available during such absence, and (2) the recipient can reasonably be expected to return to the home or facility before the end of the month following the month in which the recipient leaves the home or facility. If the department determines that a resident of a home or rated housing facility who applies for state supplement benefits is eligible for such benefits, the department shall pay the home or facility at a per diem or monthly rate less any applied income due from the resident. The start date of eligibility for state supplement benefits for an individual residing in a home or facility shall be the date the person became a resident in such home or facility and met all eligibility criteria for the state supplement program, but in no event shall the start date be more than ninety days prior to the date the department received the application for assistance. Any retroactive adjustment to the rate of such a home or facility by the commissioner that results in money due to such home or facility shall be made to such home or facility directly, and any such adjustment that results in an overpayment to the home or facility shall be paid by the home or facility to the department. If a retroactive adjustment to the rate of such home or facility results in a current resident becoming eligible for state supplement benefits, and such resident applies for state supplement
benefits, the department may determine the start date of eligibility for
state supplement benefits to be the later of the resident's admission date
or the date ninety days prior to the date the department receives the
application.

Sec. 288. Section 17b-244 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2023):

(a) The room and board component of the rates to be paid by the state
to private facilities and facilities operated by regional education service
centers which are licensed to provide residential care pursuant to
section 17a-227, but not certified to participate in the Title XIX Medicaid
program as intermediate care facilities for individuals with intellectual
disabilities, shall be determined annually by the Commissioner of Social
Services, except that rates effective April 30, 1989, shall remain in effect
through October 31, 1989. Any facility with real property other than
land placed in service prior to July 1, 1991, shall, for the fiscal year
ending June 30, 1995, receive a rate of return on real property equal to
the average of the rates of return applied to real property other than land
placed in service for the five years preceding July 1, 1993. For the fiscal
year ending June 30, 1996, and any succeeding fiscal year, the rate of
return on real property for property items shall be revised every five
years. The commissioner shall, upon submission of a request by such
facility, allow actual debt service, comprised of principal and interest,
on the loan or loans in lieu of property costs allowed pursuant to section
17-313b-5 of the regulations of Connecticut state agencies, whether
actual debt service is higher or lower than such allowed property costs,
provided such debt service terms and amounts are reasonable in
relation to the useful life and the base value of the property. In the case
of facilities financed through the Connecticut Housing Finance
Authority, the commissioner shall allow actual debt service, comprised
of principal, interest and a reasonable repair and replacement reserve
on the loan or loans in lieu of property costs allowed pursuant to section
17-313b-5 of the regulations of Connecticut state agencies, whether
actual debt service is higher or lower than such allowed property costs,
provided such debt service terms and amounts are determined by the commissioner at the time the loan is entered into to be reasonable in relation to the useful life and base value of the property. The commissioner may allow fees associated with mortgage refinancing provided such refinancing will result in state reimbursement savings, after comparing costs over the terms of the existing proposed loans. For the fiscal year ending June 30, 1992, the inflation factor used to determine rates shall be one-half of the gross national product percentage increase for the period between the midpoint of the cost year through the midpoint of the rate year. For fiscal year ending June 30, 1993, the inflation factor used to determine rates shall be two-thirds of the gross national product percentage increase from the midpoint of the cost year to the midpoint of the rate year. For the fiscal years ending June 30, 1996, and June 30, 1997, no inflation factor shall be applied in determining rates. The Commissioner of Social Services shall prescribe uniform forms on which such facilities shall report their costs. Such rates shall be determined on the basis of a reasonable payment for necessary services. Any increase in grants, gifts, fund-raising or endowment income used for the payment of operating costs by a private facility in the fiscal year ending June 30, 1992, shall be excluded by the commissioner from the income of the facility in determining the rates to be paid to the facility for the fiscal year ending June 30, 1993, provided any operating costs funded by such increase shall not obligate the state to increase expenditures in subsequent fiscal years. Nothing contained in this section shall authorize a payment by the state to any such facility in excess of the charges made by the facility for comparable services to the general public. The service component of the rates to be paid by the state to private facilities and facilities operated by regional education service centers which are licensed to provide residential care pursuant to section 17a-227, but not certified to participate in the Title XIX Medicaid programs as intermediate care facilities for individuals with intellectual disabilities, shall be determined annually by the Commissioner of Developmental Services in accordance with section 17b-244a. For the fiscal year ending June 30, 2008, no facility shall receive
a rate that is more than two per cent greater than the rate in effect for
the facility on June 30, 2007, except any facility that would have been
issued a lower rate effective July 1, 2007, due to interim rate status or
agreement with the department, shall be issued such lower rate effective
July 1, 2007. For the fiscal year ending June 30, 2009, no facility shall
receive a rate that is more than two per cent greater than the rate in effect
for the facility on June 30, 2008, except any facility that would have been
issued a lower rate effective July 1, 2008, due to interim rate status or
agreement with the department, shall be issued such lower rate effective
July 1, 2008. For the fiscal years ending June 30, 2010, and June 30, 2011,
rates in effect for the period ending June 30, 2009, shall remain in effect
until June 30, 2011, except that (1) the rate paid to a facility may be higher
than the rate paid to the facility for the period ending June 30, 2009, if a
capital improvement required by the Commissioner of Developmental
Services for the health or safety of the residents was made to the facility
during the fiscal years ending June 30, 2010, or June 30, 2011, and (2) any
facility that would have been issued a lower rate for the fiscal year
ending June 30, 2010, or June 30, 2011, due to interim rate status or
agreement with the department, shall be issued such lower rate. For the
fiscal year ending June 30, 2012, rates in effect for the period ending June
30, 2011, shall remain in effect until June 30, 2012, except that (A) the
rate paid to a facility may be higher than the rate paid to the facility for
the period ending June 30, 2011, if a capital improvement required by
the Commissioner of Developmental Services for the health or safety of
the residents was made to the facility during the fiscal year ending June
30, 2012, and (B) any facility that would have been issued a lower rate
for the fiscal year ending June 30, 2012, due to interim rate status or
agreement with the department, shall be issued such lower rate. Any
facility that has a significant decrease in land and building costs shall
receive a reduced rate to reflect such decrease in land and building costs.
The rate paid to a facility may be increased if a capital improvement
approved by the Department of Developmental Services, in consultation
with the Department of Social Services, for the health or safety of the
residents was made to the facility during the fiscal year ending June 30,
2014, or June 30, 2015, only to the extent such increases are within available appropriations. For the fiscal years ending June 30, 2016, and June 30, 2017, rates shall not exceed those in effect for the period ending June 30, 2015, except the rate paid to a facility may be higher than the rate paid to the facility for the period ending June 30, 2015, if a capital improvement approved by the Department of Developmental Services, in consultation with the Department of Social Services, for the health or safety of the residents was made to the facility during the fiscal year ending June 30, 2016, or June 30, 2017, to the extent such rate increases are within available appropriations. For the fiscal years ending June 30, 2016, and June 30, 2017, and each succeeding fiscal year, any facility that would have been issued a lower rate, due to interim rate status, a change in allowable fair rent or agreement with the department, shall be issued such lower rate. For the fiscal years ending June 30, 2018, and June 30, 2019, rates shall not exceed those in effect for the period ending June 30, 2017, except the rate paid to a facility may be higher than the rate paid to the facility for the period ending June 30, 2017, if a capital improvement approved by the Department of Developmental Services, in consultation with the Department of Social Services, for the health or safety of the residents was made to the facility during the fiscal year ending June 30, 2018, or June 30, 2019, to the extent such rate increases are within available appropriations. For the fiscal years ending June 30, 2020, and June 30, 2021, rates shall not exceed those in effect for the fiscal year ending June 30, 2019, except the rate paid to a facility may be higher than the rate paid to the facility for the fiscal year ending June 30, 2019, if a capital improvement approved by the Department of Developmental Services, in consultation with the Department of Social Services, for the health or safety of the residents was made to the facility during the fiscal year ending June 30, 2020, or June 30, 2021, to the extent such rate increases are within available appropriations. For the fiscal years ending June 30, 2022, and June 30, 2023, rates shall be based upon rates in effect for the fiscal year ending June 30, 2021, inflated by the gross domestic product deflator applicable to each rate year, except the commissioner may, in the commissioner's discretion and within...
available appropriations, provide pro rata fair rent increases to facilities
which have documented fair rent additions placed in service in the cost
report years ending September 30, 2020, and September 30, 2021, that
are not otherwise included in rates issued, or if a rate adjustment for a
capital improvement approved by the Department of Developmental
Services, in consultation with the Department of Social Services, for the
health or safety of the residents was made to the facility during the fiscal
year ending June 30, 2022, or June 30, 2023. For the fiscal year ending
June 30, 2024, rates shall not exceed those in effect for the fiscal year
ending June 30, 2023, except the rate paid to a facility may be higher
than the rate paid to the facility for the fiscal year ending June 30, 2023,
if a capital improvement approved by the Department of
Developmental Services, in consultation with the Department of Social
Services, for the health or safety of the residents was made to the facility
during the fiscal year ending June 30, 2024, to the extent such rate
increases are within available appropriations.

(b) Notwithstanding the provisions of subsection (a) of this section,
state rates of payment for the fiscal years ending June 30, 2018, June 30,
2019, June 30, 2020, and June 30, 2021, for residential care homes and
community living arrangements that receive the flat rate for residential
services under section 17-311-54 of the regulations of Connecticut state
agencies shall be set in accordance with section 298 of public act 19-117.
For the fiscal years ending June 30, 2022, and June 30, 2023, rates shall
be based upon rates in effect for the fiscal year ending June 30, 2021,
inflated by the gross domestic product deflator applicable to each rate
year.

(c) For the fiscal year ending June 30, 2024, and each subsequent fiscal
year, the commissioner may, in the commissioner's discretion and
within available appropriations, provide pro rata fair rent increases to
facilities which have documented fair rent additions placed in service in
the cost report years that are not otherwise included in rates issued.

(h) (1) For the fiscal year ending June 30, 1993, any intermediate care facility for individuals with intellectual disabilities with an operating cost component of its rate in excess of one hundred forty per cent of the median of operating cost components of rates in effect January 1, 1992, shall not receive an operating cost component increase. For the fiscal year ending June 30, 1993, any intermediate care facility for individuals with intellectual disabilities with an operating cost component of its rate that is less than one hundred forty per cent of the median of operating cost components of rates in effect January 1, 1992, shall have an allowance for real wage growth equal to thirty per cent of the increase determined in accordance with subsection (q) of section 17-311-52 of the regulations of Connecticut state agencies, provided such operating cost component shall not exceed one hundred forty per cent of the median of operating cost components in effect January 1, 1992. Any facility with real property other than land placed in service prior to October 1, 1991, shall, for the fiscal year ending June 30, 1995, receive a rate of return on real property equal to the average of the rates of return applied to real property other than land placed in service for the five years preceding October 1, 1993. The commissioner shall, upon submission of a request, allow actual debt service, comprised of principal and interest, in excess of property costs allowed pursuant to section 17-311-52 of the regulations of Connecticut state agencies, provided such debt service terms and amounts are reasonable in relation to the useful life and the base value of the property. For the fiscal year ending June 30, 1995, and any succeeding fiscal year, the inflation adjustment made in accordance with subsection (p) of section 17-311-52.

For the fiscal year ending June 30, 1996, and any succeeding fiscal year, no rate shall exceed three hundred seventy-five dollars per day unless the commissioner, in consultation with the Commissioner of Developmental Services, determines after a review of program and management costs, that a rate in excess of this amount is necessary for care and treatment of facility residents. except any facility that would have been issued a lower rate for the fiscal year ending June 30, 2009, due to interim rate status or agreement with the department, shall be issued such lower rate. Any facility that would have been issued a lower rate for the fiscal year ending June 30, 2014, or the fiscal year ending June 30, 2015, due to interim rate status or agreement with the department, shall be issued such lower rate. For the fiscal years ending June 30, 2016, and June 30, 2017, rates shall not exceed those in effect for the period ending June 30, 2015, except the rate paid to a facility may be higher than the rate paid to the facility for the period ending June 30, 2015, if a capital improvement approved by the Department of Developmental Services, in consultation with the Department of Social Services, for the health or safety of the residents was made to the facility during the fiscal year ending June 30, 2016, or June 30, 2017, to the extent such rate increases are within available appropriations. There shall be no increase to rates based on inflation or any inflationary factor for the fiscal years ending June 30, 2022, and June 30, 2023. Notwithstanding any other provisions of chapter 319y, any subsequent increase to allowable operating costs, excluding fair rent, shall be inflated by the gross domestic product deflator when funding is specifically appropriated for such purposes in the enacted budget. The rate of inflation shall be computed by comparing the most recent rate year to the average of the gross domestic product deflator for the previous four fiscal quarters ending April thirtieth. Any increase to rates based on inflation shall be applied prior to the application of any other budget adjustment factors that may impact such rates. For the fiscal year ending June 30, 2024, the department shall determine facility rates based upon 2022 cost report filings subject to the provisions of this section, adjusted to reflect any rate increases provided after the cost report year ending June 30, 2022, and with the addition of a two per cent adjustment factor. For the fiscal year ending June 30, 2025, the department shall determine facility rates based upon 2023 cost report filings subject to the provisions of this section, adjusted to reflect any rate increases provided after the cost report ending June 30, 2023. A facility may
receive a rate that is less than the rate in effect for the fiscal year ending
June 30, 2024, but shall not receive a rate less than the minimum per
diem, per bed rate. For the fiscal year ending June 30, 2025, the
minimum per diem, per bed rate shall remain at five hundred one
dollars for a residential facility licensed pursuant to section 17a-227 and
certified to participate in the Title XIX Medicaid program as an
intermediate care facility for individuals with intellectual disability.
There shall be no increase to rates based on any inflationary factor for
the fiscal year ending June 30, 2025. For the fiscal year ending June 30,
2026, the department shall determine facility rates based upon 2024 cost
report filings subject to the provisions of this section, adjusted to reflect
any rate increases provided after the cost report ending June 30, 2024.
For the fiscal year ending June 30, 2026, there shall be no minimum per
diem, per bed rate for a residential facility licensed pursuant to section
17a-227 and certified to participate in the Title XIX Medicaid program
as an intermediate care facility for individuals with intellectual
disability. There shall be no increase to rates based on any inflationary
factor for the fiscal year ending June 30, 2026. For the fiscal years ending
June 30, 2024, and June 30, 2025, a facility may receive a rate increase for
a capital improvement approved by the Department of Developmental
Services, in consultation with the Department of Social Services, for the
health or safety of the residents during the fiscal year ending June 30,
2024, or June 30, 2025, only to the extent such rate increases are within
available appropriations. Any facility that has a significant decrease in
land and building costs shall receive a reduced rate to reflect such
decrease in land and building costs. For the fiscal years ending June 30,
2012, June 30, 2013, June 30, 2014, June 30, 2015, June 30, 2016, June 30,
2017, June 30, 2018, June 30, 2019, June 30, 2020, June 30, 2021, June 30,
2022, [and] June 30, 2023, June 30, 2024, and June 30, 2025, the
Commissioner of Social Services may provide fair rent increases to any
facility that has undergone a material change in circumstances related
to fair rent and has an approved certificate of need pursuant to section
17b-352, 17b-353, 17b-354 or 17b-355. Notwithstanding the provisions of
this section, the Commissioner of Social Services may, within available
appropriations, increase or decrease rates issued to intermediate care facilities for individuals with intellectual disabilities to reflect a reduction in available appropriations as provided in subsection (a) of this section. For the fiscal years ending June 30, 2014, and June 30, 2015, the commissioner shall not consider rebasing in determining rates. Notwithstanding the provisions of this subsection, effective July 1, 2021, and July 1, 2022, the commissioner shall, within available appropriations, increase rates for the purpose of wage and benefit enhancements for employees of intermediate care facilities. Facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries as described in this subsection on or before July 31, 2021, and July 31, 2022, respectively, may be subject to a rate decrease in the same amount as the adjustment by the commissioner.

(2) The Commissioner of Social Services shall determine whether and to what extent a change in ownership of a facility shall occasion the rebasing of the facility's costs. There shall be no inflation adjustment during a year in which a facility's rates are rebased.

Sec. 290. Subsection (a) of section 17b-340d of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) The Commissioner of Social Services shall implement an acuity-based methodology for Medicaid reimbursement of nursing home services effective July 1, 2022. Notwithstanding section 17b-340, for the fiscal year ending June 30, 2023, and annually thereafter, the Commissioner of Social Services shall establish Medicaid rates paid to nursing home facilities based on cost years ending on September thirtieth in accordance with the following:

(1) Case-mix adjustments to the direct care component, which will be based on Minimum Data Set resident assessment data as well as cost data reported for the cost year ending September 30, 2019, shall be made
effective beginning July 1, 2022, and updated every quarter thereafter. After modeling such case-mix adjustments, the Commissioner of Social Services shall evaluate impact on a facility by facility basis and, not later than October 1, 2021, (A) make recommendations to the Secretary of the Office of Policy and Management, and (B) submit a report on the recommendations, in accordance with the provisions of section 11-4a, to the joint standing committees of the General Assembly having cognizance of matters relating to appropriations and the budgets of state agencies and human services on any adjustments needed to facilitate the transition to the new methodology on July 1, 2022. This evaluation may include a review of inflationary allowances, case mix and budget adjustment factors and stop loss and stop gain corridors and the ability to make such adjustments within available appropriations.

(2) Beginning July 1, 2022, facilities will be required to comply with collection and reporting of quality metrics as specified by the Department of Social Services, after consultation with the nursing home industry, consumers, employees and the Department of Public Health. Rate adjustments based on performance on quality metrics will be phased in, beginning July 1, 2022, with a period of reporting only. Effective July 1, 2023, the Department of Social Services shall issue individualized reports annually to each nursing home facility showing the impact to the Medicaid rate for such home based on the quality metrics program. A nursing home facility receiving an individualized quality metrics report may use such report to evaluate the impact of the quality metrics program on said facility's Medicaid reimbursement. Not later than June 30, 2025, the department shall submit a report, in accordance with the provisions of section 11-4a, to the joint standing committees of the General Assembly having cognizance of matters relating to appropriations and the budgets of state agencies and human services on the quality metrics program. Such report shall include information regarding individualized reports and the anticipated impact on nursing homes if the state were to implement a rate withhold on nursing homes that fail to meet certain quality metrics.
(3) Geographic peer groupings of facilities shall be established by the Department of Social Services pursuant to regulations adopted in accordance with subsection (b) of this section.

(4) Allowable costs shall be divided into the following five cost components: (A) Direct costs, which shall include salaries for nursing personnel, related fringe benefits and costs for nursing personnel supplied by a temporary nursing services agency; (B) indirect costs, which shall include professional fees, dietary expenses, housekeeping expenses, laundry expenses, supplies related to patient care, salaries for indirect care personnel and related fringe benefits; (C) fair rent, which shall be defined in regulations adopted in accordance with subsection (b) of this section; (D) capital-related costs, which shall include property taxes, insurance expenses, equipment leases and equipment depreciation; and (E) administrative and general costs, which shall include maintenance and operation of plant expenses, salaries for administrative and maintenance personnel and related fringe benefits. For (i) direct costs, the maximum cost shall be equal to one hundred thirty-five per cent of the median allowable cost of that peer grouping; (ii) indirect costs, the maximum cost shall be equal to one hundred fifteen per cent of the state-wide median allowable cost; (iii) fair rent, the amount shall be calculated utilizing the amount approved pursuant to section 17b-353; (iv) capital-related costs, there shall be no maximum; and (v) administrative and general costs, the maximum shall be equal to the state-wide median allowable cost. For purposes of this subdivision, "temporary nursing services agency" and "nursing personnel" have the same meaning as provided in section 19a-118.

(5) Costs in excess of the maximum amounts established under this subsection shall not be recognized as allowable costs, except that the commissioner may establish rates whereby allowable costs may exceed such maximum amounts for beds which are restricted to use by patients with acquired immune deficiency syndrome, traumatic brain injury or other specialized services.
[(5) For the fiscal year ending] (6) On or after June 30, 2022, the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the most recently filed cost report [year ending September 30, 2020,] that are not otherwise included in the rates issued. The commissioner may provide, within available appropriations, pro rata fair rent increases, which may, at the discretion of the commissioner, include increases for facilities which have undergone a material change in circumstances related to fair rent additions in the most recently filed cost report. The commissioner may allow minimum fair rent as the basis upon which reimbursement associated with improvements to real property is added.

(7) For the purpose of determining allowable fair rent, a facility with allowable fair rent less than the twenty-fifth percentile of the state-wide allowable fair rent shall be reimbursed as having allowable fair rent equal to the twenty-fifth percentile of the state-wide allowable fair rent. Any facility with a rate of return on real property other than land in excess of eleven per cent shall have such allowance revised to eleven per cent. Any facility or its related realty affiliate which finances or refinances debt through bonds issued by the Connecticut Health and Education Facilities Authority shall report the terms and conditions of such financing or refinancing to the Commissioner of Social Services not later than thirty days after completing such financing or refinancing. The commissioner may revise the facility's fair rent component of its rate to reflect any financial benefit the facility or its related realty affiliate received as a result of such financing or refinancing. The commissioner shall determine allowable fair rent for real property other than land based on the rate of return for the cost year in which such bonds were issued. The financial benefit resulting from a facility financing or refinancing debt through such bonds shall be shared between the state and the facility to an extent determined by the commissioner on a case-by-case basis and shall be reflected in an adjustment to the facility's allowable fair rent.
(8) A facility shall receive cost efficiency adjustments for indirect costs and for administrative and general costs if such costs are below the state-wide median costs. The cost efficiency adjustments shall equal twenty-five per cent of the difference between allowable reported costs and the applicable median allowable cost established pursuant to subdivision (4) of this subsection.

(9) On and after July 1, 2025, costs shall be rebased no more frequently than every two years and no less frequently than every four years, as determined by the commissioner. There shall be no inflation adjustment during a year in which a facility's rates are rebased. The commissioner shall determine whether and to what extent a change in ownership of a facility shall occasion the rebasing of the facility's costs.

(10) The method of establishing rates for new facilities shall be determined by the commissioner in accordance with the provisions of this subsection.

(11) There shall be no increase to rates based on inflation or any inflationary factor for the fiscal years ending June 30, 2022, and June 30, 2023, unless otherwise authorized under subdivision (1) of this subsection. Notwithstanding section 17-311-52 of the regulations of Connecticut state agencies, for the fiscal years ending June 30, 2024, and June 30, 2025, there shall be no inflationary increases to rates beyond those already factored into the model for the transition to an acuity-based reimbursement system. Notwithstanding any other provisions of chapter 319y, any subsequent increase to allowable operating costs, excluding fair rent, shall be inflated by the gross domestic product deflator when funding is specifically appropriated for such purposes in the enacted budget. The rate of inflation shall be computed by comparing the most recent rate year to the average of the gross domestic product deflator for the previous four fiscal quarters ending April thirtieth. Any increase to rates based on inflation shall be applied prior to the application of any other budget adjustment factors that may impact such rates.
For purposes of computing minimum allowable patient days, utilization of a facility's certified beds shall be determined at a minimum of ninety per cent of capacity, except for facilities that have undergone a change in ownership, new facilities, and facilities which are certified for additional beds which may be permitted a lower occupancy rate for the first three months of operation after the effective date of licensure.

Rates determined under this section shall comply with federal laws and regulations.

The Commissioner of Social Services may authorize an interim rate for a facility demonstrating circumstances particular to that individual facility impacting facility finances or costs not reflected in the underlying rates.

Sec. 291. (Effective July 1, 2023) Notwithstanding the provisions of subsection (a) of section 17b-244 of the general statutes, and subsections (a) to (i), inclusive, of section 17b-340 of the general statutes, or any other provisions of chapter 319y of the general statutes, or regulations adopted thereunder, the state rates of payments in effect for the fiscal year ending June 30, 2016, for residential care homes, community living arrangements and community companion homes that receive the flat rate for residential services under section 17-311-54 of the regulations of Connecticut state agencies shall remain in effect until June 30, 2024.

Sec. 292. Subsection (i) of section 17b-340 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

(i) For the fiscal year ending June 30, 1993, any residential care home with an operating cost component of its rate in excess of one hundred thirty per cent of the median of operating cost components of rates in effect January 1, 1992, shall not receive an operating cost component increase. For the fiscal year ending June 30, 1993, any residential care home with an operating cost component of its rate that is less than one...
hundred thirty per cent of the median of operating cost components of rates in effect January 1, 1992, shall have an allowance for real wage growth equal to sixty-five per cent of the increase determined in accordance with subsection (q) of section 17-311-52 of the regulations of Connecticut state agencies, provided such operating cost component shall not exceed one hundred thirty per cent of the median of operating cost components in effect January 1, 1992. Beginning with the fiscal year ending June 30, 1993, for the purpose of determining allowable fair rent, a residential care home with allowable fair rent less than the twenty-fifth percentile of the state-wide allowable fair rent shall be reimbursed as having allowable fair rent equal to the twenty-fifth percentile of the state-wide allowable fair rent. Beginning with the fiscal year ending June 30, 1997, a residential care home with allowable fair rent less than three dollars and ten cents per day shall be reimbursed as having allowable fair rent equal to three dollars and ten cents per day. Property additions placed in service during the cost year ending September 30, 1996, or any succeeding cost year shall receive a fair rent allowance for such additions as an addition to three dollars and ten cents per day if the fair rent for the facility for property placed in service prior to September 30, 1995, is less than or equal to three dollars and ten cents per day. Beginning with the fiscal year ending June 30, 2016, a residential care home shall be reimbursed the greater of the allowable accumulated fair rent reimbursement associated with real property additions and land as calculated on a per day basis or three dollars and ten cents per day if the allowable reimbursement associated with real property additions and land is less than three dollars and ten cents per day. For the fiscal year ending June 30, 1996, and any succeeding fiscal year, the allowance for real wage growth, as determined in accordance with subsection (q) of section 17-311-52 of the regulations of Connecticut state agencies, shall not be applied. For the fiscal year ending June 30, 1996, and any succeeding fiscal year, the inflation adjustment made in accordance with subsection (p) of section 17-311-52 of the regulations of Connecticut state agencies shall not be applied to real property costs. Beginning with the fiscal year ending June 30, 1997, minimum allowable
patient days for rate computation purposes for a residential care home with twenty-five beds or less shall be eighty-five per cent of licensed capacity. Beginning with the fiscal year ending June 30, 2002, for the purposes of determining the allowable salary of an administrator of a residential care home with sixty beds or less the department shall revise the allowable base salary to thirty-seven thousand dollars to be annually inflated thereafter in accordance with section 17-311-52 of the regulations of Connecticut state agencies. The rates for the fiscal year ending June 30, 2002, shall be based upon the increased allowable salary of an administrator, regardless of whether such amount was expended in the 2000 cost report period upon which the rates are based. Beginning with the fiscal year ending June 30, 2000, and until the fiscal year ending June 30, 2009, inclusive, the inflation adjustment for rates made in accordance with subsection (p) of section 17-311-52 of the regulations of Connecticut state agencies shall be increased by two per cent, and beginning with the fiscal year ending June 30, 2002, the inflation adjustment for rates made in accordance with subsection (c) of said section shall be increased by one per cent. Beginning with the fiscal year ending June 30, 1999, for the purpose of determining the allowable salary of a related party, the department shall revise the maximum salary to twenty-seven thousand eight hundred fifty-six dollars to be annually inflated thereafter in accordance with section 17-311-52 of the regulations of Connecticut state agencies and beginning with the fiscal year ending June 30, 2001, such allowable salary shall be computed on an hourly basis and the maximum number of hours allowed for a related party other than the proprietor shall be increased from forty hours to forty-eight hours per work week. For the fiscal year ending June 30, 2005, each facility shall receive a rate that is two and one-quarter per cent more than the rate the facility received in the prior fiscal year, except any facility that would have been issued a lower rate effective July 1, 2004, than for the fiscal year ending June 30, 2004, due to interim rate status or agreement with the department shall be issued such lower rate effective July 1, 2004. Effective upon receipt of all the necessary federal approvals to secure federal financial participation matching
funds associated with the rate increase provided in subdivision (4) of subsection (f) of this section, but in no event earlier than October 1, 2005, and provided the user fee imposed under section 17b-320 is required to be collected, each facility shall receive a rate that is determined in accordance with applicable law and subject to appropriations, except any facility that would have been issued a lower rate effective October 1, 2005, than for the fiscal year ending June 30, 2005, due to interim rate status or agreement with the department, shall be issued such lower rate effective October 1, 2005. Such rate increase shall remain in effect unless:

(1) The federal financial participation matching funds associated with the rate increase are no longer available; or

(2) the user fee created pursuant to section 17b-320 is not in effect. For the fiscal year ending June 30, 2007, rates in effect for the period ending June 30, 2006, shall remain in effect until September 30, 2006, except any facility that would have been issued a lower rate effective July 1, 2006, than for the fiscal year ending June 30, 2006, due to interim rate status or agreement with the department, shall be issued such lower rate effective July 1, 2006.

Effective October 1, 2006, no facility shall receive a rate that is more than four per cent greater than the rate in effect for the facility on September 30, 2006, except for any facility that would have been issued a lower rate effective October 1, 2006, due to interim rate status or agreement with the department, shall be issued such lower rate effective October 1, 2006. For the fiscal years ending June 30, 2010, and June 30, 2011, rates in effect for the period ending June 30, 2009, shall remain in effect until June 30, 2011, except any facility that would have been issued a lower rate for the fiscal year ending June 30, 2010, or the fiscal year ending June 30, 2011, due to interim rate status or agreement with the department, shall be issued such lower rate, except (A) any facility that would have been issued a lower rate for the fiscal year ending June 30, 2010, or the fiscal year ending June 30, 2011, due to interim rate status or agreement with the Commissioner of Social Services shall be issued such lower rate; and (B) the commissioner may increase a facility’s rate for reasonable costs associated with such facility’s compliance with the provisions of section 19a-495a concerning the administration of medication by unlicensed
personnel. For the fiscal year ending June 30, 2012, rates in effect for the period ending June 30, 2011, shall remain in effect until June 30, 2012, except that (i) any facility that would have been issued a lower rate for the fiscal year ending June 30, 2012, due to interim rate status or agreement with the Commissioner of Social Services shall be issued such lower rate; and (ii) the commissioner may increase a facility's rate for reasonable costs associated with such facility's compliance with the provisions of section 19a-495a concerning the administration of medication by unlicensed personnel. For the fiscal year ending June 30, 2013, the Commissioner of Social Services may, within available appropriations, provide a rate increase to a residential care home. Any facility that would have been issued a lower rate for the fiscal year ending June 30, 2013, due to interim rate status or agreement with the Commissioner of Social Services shall be issued such lower rate. For the fiscal years ending June 30, 2012, and June 30, 2013, the Commissioner of Social Services may provide fair rent increases to any facility that has undergone a material change in circumstances related to fair rent and has an approved certificate of need pursuant to section 17b-352, 17b-353, 17b-354 or 17b-355. For the fiscal years ending June 30, 2014, and June 30, 2015, for those facilities that have a calculated rate greater than the rate in effect for the fiscal year ending June 30, 2013, the commissioner may increase facility rates based upon available appropriations up to a stop gain as determined by the commissioner. No facility shall be issued a rate that is lower than the rate in effect on June 30, 2013, except that any facility that would have been issued a lower rate for the fiscal year ending June 30, 2014, or the fiscal year ending June 30, 2015, due to interim rate status or agreement with the commissioner, shall be issued such lower rate. For the fiscal year ending June 30, 2014, and each fiscal year thereafter, a residential care home shall receive a rate increase for any capital improvement made during the fiscal year for the health and safety of residents and approved by the Department of Social Services, provided such rate increase is within available appropriations. For the fiscal year ending June 30, 2015, and each succeeding fiscal year thereafter, costs of less than ten thousand dollars that are incurred by a
facility and are associated with any land, building or nonmovable
equipment repair or improvement that are reported in the cost year used
to establish the facility's rate shall not be capitalized for a period of more
than five years for rate-setting purposes. For the fiscal year ending June
30, 2015, subject to available appropriations, the commissioner may, at
the commissioner's discretion: Increase the inflation cost limitation
under subsection (c) of section 17-311-52 of the regulations of
Connecticut state agencies, provided such inflation allowance factor
does not exceed a maximum of five per cent; establish a minimum rate
of return applied to real property of five per cent inclusive of assets
placed in service during cost year 2013; waive the standard rate of return
under subsection (f) of section 17-311-52 of the regulations of
Connecticut state agencies for ownership changes or health and safety
improvements that exceed one hundred thousand dollars and that are
required under a consent order from the Department of Public Health;
and waive the rate of return adjustment under subsection (f) of section
17-311-52 of the regulations of Connecticut state agencies to avoid
financial hardship. For the fiscal years ending June 30, 2016, and June
30, 2017, rates shall not exceed those in effect for the period ending June
30, 2015, except the commissioner may, in the commissioner's discretion
and within available appropriations, provide pro rata fair rent increases
to facilities which have documented fair rent additions placed in service
in cost report years ending September 30, 2014, and September 30, 2015,
that are not otherwise included in rates issued. For the fiscal years
ending June 30, 2016, and June 30, 2017, and each succeeding fiscal year,
any facility that would have been issued a lower rate, due to interim rate
status, a change in allowable fair rent or agreement with the department,
shall be issued such lower rate. For the fiscal year ending June 30, 2018,
rates shall not exceed those in effect for the period ending June 30, 2017,
except the commissioner may, in the commissioner's discretion and
within available appropriations, provide pro rata fair rent increases to
facilities which have documented fair rent additions placed in service in
the cost report year ending September 30, 2016, that are not otherwise
included in rates issued. For the fiscal year ending June 30, 2019, rates
shall not exceed those in effect for the period ending June 30, 2018, except the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report year ending September 30, 2017, that are not otherwise included in rates issued. For the fiscal year ending June 30, 2020, rates shall not exceed those in effect for the fiscal year ending June 30, 2019, except the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report year ending September 30, 2018, that are not otherwise included in rates issued. For the fiscal year ending June 30, 2021, rates shall not exceed those in effect for the fiscal year ending June 30, 2020, except the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report year ending September 30, 2019, that are not otherwise included in rates issued. For the fiscal year ending June 30, 2022, the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities that have documented fair rent additions placed in service in the cost report year ending September 30, 2020, that are not otherwise included in rates issued. For the fiscal year ending June 30, 2023, the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report year ending September 30, 2021, that are not otherwise included in rates issued. For the fiscal years ending June 30, 2022, and June 30, 2023, a facility may receive a rate increase for a capital improvement approved by the Department of Social Services, for the health or safety of the residents during the fiscal year ending June 30, 2022, or June 30, 2023, only to the extent such rate increases are within available appropriations. For the fiscal year ending June 30, 2022, and June 30, 2023, rates shall be based upon rates in effect for the fiscal year ending
June 30, 2021, inflated by the gross domestic product deflator applicable to each rate year, except the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report years ending September 30, 2020, and September 30, 2021, that are not otherwise included in rates issued. For the fiscal years ending June 30, 2024, and June 30, 2025, a facility may receive a rate increase for a capital improvement approved by the Department of Social Services, for the health or safety of the residents during the fiscal year ending June 30, 2024, or June 30, 2025, only to the extent such rate increases are within available appropriations. For the fiscal year ending June 30, 2024, the department shall determine facility rates based upon 2022 cost report filings subject to the provisions of this section, adjusted to reflect any rate increases provided after the cost report year ending September 30, 2022. There shall be no increase to rates based on any inflationary factor for the fiscal year ending June 30, 2024. Notwithstanding any other provisions of chapter 319y, any subsequent increase to allowable operating costs, excluding fair rent, shall be inflated by the gross domestic product deflator when funding is specifically appropriated for such purposes in the enacted budget. The rate of inflation shall be computed by comparing the most recent rate year to the average of the gross domestic product deflator for the previous four fiscal quarters ending April thirtieth. Any increase to rates based on inflation shall be applied prior to the application of any other budget adjustment factors that may impact such rates. The commissioner shall determine whether and to what extent a change in ownership of a facility shall occasion the rebasing of the facility's costs. There shall be no inflation adjustment during a year in which a facility's rates are rebased. For the fiscal year ending June 30, 2024, the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities that have documented fair rent additions placed in service in the cost report year ending September 30, 2022, that are not otherwise included in rates issued. For the fiscal year ending June 30, 2025, the

Sec. 297. Subsection (a) of section 17b-242 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024):
(a) The Department of Social Services shall determine the rates to be paid to home health care agencies and home health aide agencies by the state or any town in the state for persons aided or cared for by the state or any such town. The Commissioner of Social Services shall establish a fee schedule for home health services to be effective on and after July 1, 1994. The commissioner may annually modify such fee schedule if such modification is needed to ensure that the conversion to an administrative services organization is cost neutral to home health care agencies and home health aide agencies in the aggregate and ensures patient access. Utilization may be a factor in determining cost neutrality. The commissioner shall increase the fee schedule for home health services provided under the Connecticut home-care program for the elderly established under section 17b-342, effective July 1, 2000, by two per cent over the fee schedule for home health services for the previous year. In no case shall any rate or fee exceed the charge to the general public for similar services. A home health care agency or home health aide agency which, due to any material change in circumstances, is aggrieved by a rate determined pursuant to this subsection may, within ten days of receipt of written notice of such rate from the Commissioner of Social Services, request in writing a hearing on all items of aggrievement. The commissioner shall, upon the receipt of all documentation necessary to evaluate the request, determine whether there has been such a change in circumstances and shall conduct a hearing if appropriate. The Commissioner of Social Services shall adopt regulations, in accordance
with chapter 54, to implement the provisions of this subsection. The commissioner may implement policies and procedures to carry out the provisions of this subsection while in the process of adopting regulations, provided notice of intent to adopt the regulations is [published in the Connecticut Law Journal] posted on the eRegulations System not later than twenty days after the date of implementing the policies and procedures. Such policies and procedures shall be valid for not longer than nine months. Not later than January 1, 2025, the commissioner shall file a report, in accordance with the provisions of section 11-4a of the general statutes, with the joint standing committees of the General Assembly having cognizance of matters relating to appropriations and the budgets of state agencies and human services on (A) the costs and benefits of providing medical assistance to such persons, and (B) a plan to implement medical assistance to such persons.

June 30, 2023, to increase rates to state-contracted providers for the purpose of wage enhancements and related Federal Insurance Contributions Act, workers compensation, and unemployment insurance expenses for employees who provide services to individuals with intellectual disability authorized to receive supports and services through the Department of Developmental Services. [Providers] Except as provided in subsection (c) of this section, providers that receive a rate adjustment for the purpose of wage enhancements but do not provide increases in employee salaries as described in this section on or before July 31, 2021, and July 31, 2022, respectively, may be subject to a rate decrease in the same amount as the adjustment by the Commissioner of Developmental Services. In addition, the commissioner shall, within available resources and at the commissioner's discretion, make funds available to support enhanced benefits. Nothing in this section shall require the commissioner to distribute funding in a way that jeopardizes anticipated federal reimbursement.

(b) If, after the Secretary of the Office of Policy and Management allocates funds pursuant to subsection (a) of this section, there is a balance of available funds that has not been allocated for the fiscal years ending June 30, 2022, and June 30, 2023, the Office of Policy and Management shall disburse such funds as a cost-of-living adjustment to state-contracted providers that deliver services and supports through the Department of Developmental Services.

(c) For the fiscal year ending June 30, 2023, any state-contracted provider who received funds pursuant to subsection (a) of this section may use such funds for the purpose of wage enhancements and related benefits, as described in subsection (a) of this section, for employees working in intermediate care facilities who provide services to individuals with intellectual disability authorized to receive supports and services through the Department of Social Services.

of wage enhancements and related benefits, as described in subsection

Social Services.

repealed and the following is substituted in lieu thereof (Effective from
passage):

(b) Upon receipt of the application with the recommendations of the
regional behavioral action organization and approval by the
Department of Mental Health and Addiction Services, the department
shall grant such funds by way of a contract or grant-in-aid within the
appropriation for any annual fiscal year. [No funds authorized by this
section shall be used for the construction or renovation of buildings.]

Sec. 305. Section 17a-861 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2023):

The [Department of Aging and Disability Services] Office of Policy
and Management shall establish an outreach program to educate
consumers as to: (1) The need for long-term care; (2) mechanisms for
financing such care; (3) the availability of long-term care insurance; and
(4) the asset protection provided under sections 17b-252 to 17b-254,
inclusive, and 38a-475. The [Department of Aging and Disability
Services] Office of Policy and Management shall provide public
information to assist individuals in choosing appropriate insurance
coverage.

Sec. 306. Subdivision (5) of subsection (c) of section 17b-706b of the
general statutes is repealed and the following is substituted in lieu
thereof (Effective from passage):
(5) The factors to be considered by the arbitrator in arriving at a
decision are: (A) The nature and needs of the personal care assistance
program and the needs and welfare of consumers, including interests in
better recruitment, retention and quality with respect to the covered
personal care attendants; (B) the history of negotiations between each
party including those leading to the proceeding; (C) the existing
conditions of employment of similar groups of workers; (D) the wages,
fringe benefits and working conditions prevailing in the labor market
for workers covered by the collective bargaining agreement as defined
in this section; (E) the overall compensation paid to the employees
involved in the arbitration proceedings, including direct wages
compensation, paid time off, holiday pay and other forms of assistance,
and all other benefits received by such employees; (F) the ability of the
state Medicaid program to pay; (G) changes in the cost of living; [and
(E)] (H) the interests and welfare of the covered personal care
attendants; and (I) the sustainability of the programs serving consumers
as defined in subdivision (1) of section 17b-706.

Sec. 307. Subsection (a) of section 17b-340 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective from
passage):

(a) For purposes of this subsection, (1) a "related party" includes, but
is not limited to, any company related to a chronic and convalescent
nursing home through family association, common ownership, control
or business association with any of the owners, operators or officials of
such nursing home; (2) "company" means any person, partnership,
association, holding company, limited liability company or corporation;
(3) "family association" means a relationship by birth, marriage or
domestic partnership; and (4) "profit and loss statement" means the
most recent annual statement on profits and losses finalized by a related
party before the annual report mandated under this subsection. The
rates to be paid by or for persons aided or cared for by the state or any
town in this state to licensed chronic and convalescent nursing homes,
to chronic disease hospitals associated with chronic and convalescent
nursing homes, to rest homes with nursing supervision, to licensed residential care homes, as defined by section 19a-490, and to residential facilities for persons with intellectual disability that are licensed pursuant to section 17a-227 and certified to participate in the Title XIX Medicaid program as intermediate care facilities for individuals with intellectual disabilities, for room, board and services specified in licensing regulations issued by the licensing agency shall be determined annually, except as otherwise provided in this subsection by the Commissioner of Social Services, to be effective July first of each year except as otherwise provided in this subsection. Such rates shall be determined on a basis of a reasonable payment for such necessary services, which basis shall take into account as a factor the costs of such services. Cost of such services shall include reasonable costs mandated by collective bargaining agreements with certified collective bargaining agents or other agreements between the employer and employees, provided "employees" shall not include persons employed as managers or chief administrators or required to be licensed as nursing home administrators, and compensation for services rendered by proprietors at prevailing wage rates, as determined by application of principles of accounting as prescribed by said commissioner. Cost of such services shall not include amounts paid by the facilities to employees as salary, or to attorneys or consultants as fees, where the responsibility of the employees, attorneys, or consultants is to persuade or seek to persuade the other employees of the facility to support or oppose unionization. Nothing in this subsection shall prohibit inclusion of amounts paid for legal counsel related to the negotiation of collective bargaining agreements, the settlement of grievances or normal administration of labor relations. The commissioner may, in the commissioner's discretion, allow the inclusion of extraordinary and unanticipated costs of providing services that were incurred to avoid an immediate negative impact on the health and safety of patients. The commissioner may, in the commissioner's discretion, based upon review of a facility's costs, direct care staff to patient ratio and any other related information, revise a facility's rate for any increases or decreases to total licensed capacity
of more than ten beds or changes to its number of licensed rest home
with nursing supervision beds and chronic and convalescent nursing
home beds. The commissioner may, in the commissioner's discretion,
revise the rate of a facility that is closing. An interim rate issued for the
period during which a facility is closing shall be based on a review of
facility costs, the expected duration of the close-down period, the
anticipated impact on Medicaid costs, available appropriations and the
relationship of the rate requested by the facility to the average Medicaid
rate for a close-down period. The commissioner may so revise a facility's
rate established for the fiscal year ending June 30, 1993, and thereafter
for any bed increases, decreases or changes in licensure effective after
October 1, 1989. Effective July 1, 1991, in facilities that have both a
chronic and convalescent nursing home and a rest home with nursing
supervision, the rate for the rest home with nursing supervision shall
not exceed such facility's rate for its chronic and convalescent nursing
home. All such facilities for which rates are determined under this
subsection shall report on a fiscal year basis ending on September
thirtieth. Such report shall be submitted to the commissioner by
February fifteenth. Each for-profit chronic and convalescent nursing
home that receives state funding pursuant to this section shall include
in such annual report a profit and loss statement from each related party
that receives from such chronic and convalescent nursing home fifty
thousand dollars or more per year for goods, fees and services. No cause
of action or liability shall arise against the state, the Department of Social
Services, any state official or agent for failure to take action based on the
information required to be reported under this subsection. The
commissioner may reduce the rate in effect for a facility that fails to
submit a complete and accurate report on or before February fifteenth
by an amount not to exceed ten per cent of such rate. If a licensed
residential care home fails to submit a complete and accurate report, the
department shall notify such home of the failure and the home shall
have thirty days from the date the notice was issued to submit a
complete and accurate report. If a licensed residential care home fails to
submit a complete and accurate report not later than thirty days after
the date of notice, such home may not receive a retroactive rate increase, in the commissioner's discretion. The commissioner shall, annually, on or before April first, report the data contained in the reports of such facilities on the department's Internet web site. For the cost reporting year commencing October 1, 1985, and for subsequent cost reporting years, facilities shall report the cost of using the services of any nursing personnel supplied by a temporary nursing services agency by separating said cost into two categories, the portion of the cost equal to the salary of the employee for whom the nursing personnel supplied by a temporary nursing services agency is substituting shall be considered a nursing cost and any cost in excess of such salary shall be further divided so that seventy-five per cent of the excess cost shall be considered an administrative or general cost and twenty-five per cent of the excess cost shall be considered a nursing cost, provided if the total costs of a facility for nursing personnel supplied by a temporary nursing services agency in any cost year are equal to or exceed fifteen per cent of the total nursing expenditures of the facility for such cost year, no portion of such costs in excess of fifteen per cent shall be classified as administrative or general costs. The commissioner, in determining such rates, shall also take into account the classification of patients or boarders according to special care requirements or classification of the facility according to such factors as facilities and services and such other factors as the commissioner deems reasonable, including anticipated fluctuations in the cost of providing such services. The commissioner may establish a separate rate for a facility or a portion of a facility for traumatic brain injury patients who require extensive care but not acute general hospital care. Such separate rate shall reflect the special care requirements of such patients. If changes in federal or state laws, regulations or standards adopted subsequent to June 30, 1985, result in increased costs or expenditures in an amount exceeding one-half of one per cent of allowable costs for the most recent cost reporting year, the commissioner shall adjust rates and provide payment for any such increased reasonable costs or expenditures within a reasonable period of time retroactive to the date of enforcement. Nothing in this section
shall be construed to require the Department of Social Services to adjust rates and provide payment for any increases in costs resulting from an inspection of a facility by the Department of Public Health. Such assistance as the commissioner requires from other state agencies or departments in determining rates shall be made available to the commissioner at the commissioner's request. Payment of the rates established pursuant to this section shall be conditioned on the establishment by such facilities of admissions procedures that conform with this section, section 19a-533 and all other applicable provisions of the law and the provision of equality of treatment to all persons in such facilities. The established rates shall be the maximum amount chargeable by such facilities for care of such beneficiaries, and the acceptance by or on behalf of any such facility of any additional compensation for care of any such beneficiary from any other person or source shall constitute the offense of aiding a beneficiary to obtain aid to which the beneficiary is not entitled and shall be punishable in the same manner as is provided in subsection (b) of section 17b-97. Notwithstanding any provision of this section, the Commissioner of Social Services may, within available appropriations, provide an interim rate increase for a licensed chronic and convalescent nursing home or a rest home with nursing supervision for rate periods no earlier than April 1, 2004, only if the commissioner determines that the increase is necessary to avoid the filing of a petition for relief under Title 11 of the United States Code; imposition of receivership pursuant to sections 19a-542 and 19a-543; or substantial deterioration of the facility's financial condition that may be expected to adversely affect resident care and the continued operation of the facility, and the commissioner determines that the continued operation of the facility is in the best interest of the state. The commissioner shall consider any requests for interim rate increases on file with the department from March 30, 2004, and those submitted subsequently for rate periods no earlier than April 1, 2004. When reviewing an interim rate increase request the commissioner shall, at a minimum, consider: (A) Existing chronic and convalescent nursing home or rest home with nursing supervision utilization in the
area and projected bed need; (B) physical plant long-term viability and
the ability of the owner or purchaser to implement any necessary
property improvements; (C) licensure and certification compliance
history; (D) reasonableness of actual and projected expenses; and (E) the
ability of the facility to meet wage and benefit costs. No interim rate
shall be increased pursuant to this subsection in excess of one hundred
fifteen per cent of the median rate for the facility's peer grouping,
established pursuant to [subdivision (2) of subsection (f) of this section]
subdivision (3) of subsection (a) of section 17b-340d, unless
recommended by the commissioner and approved by the Secretary of
the Office of Policy and Management after consultation with the
commissioner. Such median rates shall be published by the Department
of Social Services not later than April first of each year. In the event that
a facility granted an interim rate increase pursuant to this section is sold
or otherwise conveyed for value to an unrelated entity less than five
years after the effective date of such rate increase, the rate increase shall
be deemed rescinded and the department shall recover an amount equal
to the difference between payments made for all affected rate periods
and payments that would have been made if the interim rate increase
was not granted. The commissioner may seek recovery of such
payments from any facility with common ownership. With the approval
of the Secretary of the Office of Policy and Management, the
commissioner may waive recovery and rescission of the interim rate for
good cause shown that is not inconsistent with this section, including,
but not limited to, transfers to family members that were made for no
value. The commissioner shall provide written quarterly reports to the
joint standing committees of the General Assembly having cognizance
of matters relating to aging, human services and appropriations and the
budgets of state agencies, that identify each facility requesting an
interim rate increase, the amount of the requested rate increase for each
facility, the action taken by the commissioner and the secretary pursuant
to this subsection, and estimates of the additional cost to the state for
each approved interim rate increase. Nothing in this subsection shall
prohibit the commissioner from increasing the rate of a licensed chronic
and convalescent nursing home or a rest home with nursing supervision for allowable costs associated with facility capital improvements or increasing the rate in case of a sale of a licensed chronic and convalescent nursing home or a rest home with nursing supervision if receivership has been imposed on such home. For purposes of this section, "temporary nursing services agency" and "nursing personnel" have the same meaning as provided in section 19a-118.

Sec. 308. Section 17b-265 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2023):

(a) In accordance with 42 USC 1396k, the Department of Social Services shall be subrogated to any right of recovery or indemnification that an applicant or recipient of medical assistance or any legally liable relative of such applicant or recipient has against an insurer or other legally liable third party including, but not limited to, a self-insured plan, group health plan, as defined in Section 607(1) of the Employee Retirement Income Security Act of 1974, service benefit plan, managed care organization, health care center, pharmacy benefit manager, dental benefit manager, third-party administrator or other party that is, by statute, contract or agreement, legally responsible for payment of a claim for a health care item or service, for the cost of all health care items or services furnished to the applicant or recipient, including, but not limited to, hospitalization, pharmaceutical services, physician services, nursing services, behavioral health services, long-term care services and other medical services, not to exceed the amount expended by the department for such care and treatment of the applicant or recipient. In the case of such a recipient who is an enrollee in a care management organization under a Medicaid care management contract with the state or a legally liable relative of such an enrollee, the department shall be subrogated to any right of recovery or indemnification which the enrollee or legally liable relative has against such a private insurer or other third party for the medical costs incurred by the care management organization on behalf of an enrollee. Whenever funds owed to a person are collected pursuant to this section and the person who otherwise
would have been entitled to such funds is subject to a court-ordered
current or arrearage child support payment obligation in an IV-D
support case, such funds shall first be paid to the state for
reimbursement of Medicaid funds paid on behalf of such person for
medical expenses incurred for injuries related to a legal claim by such
person that was the subject of the state's right of subrogation, and
remaining funds, if any, shall then be paid to the Office of Child Support
Services for distribution pursuant to the federally mandated child
support distribution system implemented pursuant to subsection (j) of
section 17b-179. Any additional claim of the state to the remainder of
such funds, if any, shall be paid in accordance with state law.

(b) An applicant or recipient or legally liable relative, by the act of the
applicant's or recipient's receiving medical assistance, shall be deemed
to have made a subrogation assignment and an assignment of claim for
benefits to the department. The department shall inform an applicant of
such assignments at the time of application. Any entitlements from a
contractual agreement with an applicant or recipient, legally liable
relative or a state or federal program for such medical services, not to
exceed the amount expended by the department, shall be so assigned.
Such entitlements shall be directly reimbursable to the department by
[third party] third-party payors. The Department of Social Services may
assign its right to subrogation or its entitlement to benefits to a designee
or a health care provider participating in the Medicaid program and
providing services to an applicant or recipient, in order to assist the
provider in obtaining payment for such services. In accordance with
subsection (b) of section 38a-472, a provider that has received an
assignment from the department shall notify the recipient's health
insurer or other legally liable third party including, but not limited to, a
self-insured plan, group health plan, as defined in Section 607(1) of the
Employee Retirement Income Security Act of 1974, service benefit plan,
managed care organization, health care center, pharmacy benefit
manager, dental benefit manager, third-party administrator or other
party that is, by statute, contract or agreement, legally responsible for
payment of a claim for a health care item or service, of the assignment
upon rendition of services to the applicant or recipient. Failure to so
notify the health insurer or other legally liable third party shall render
the provider ineligible for payment from the department. The provider
shall notify the department of any request by the applicant or recipient
or legally liable relative or representative of such applicant or recipient
for billing information. This subsection shall not be construed to affect
the right of an applicant or recipient to maintain an independent cause

(a) Medical assistance shall be provided for any otherwise eligible
person (1) whose income, including any available support from legally
liable relatives and the income of the person's spouse or dependent
child, is not more than [one hundred forty-three per cent, pending
approval of a federal waiver applied for pursuant to subsection (e) of
this section, of the benefit amount paid to a person with no income
under the temporary family assistance program] one hundred five per
cent of the federal poverty level, after any authorized income
disregards, and (2) if such person is an institutionalized individual as
defined in Section 1917 of the Social Security Act, 42 USC 1396p(h)(3),
and has not made an assignment or transfer or other disposition of
property for less than fair market value for the purpose of establishing
eligibility for benefits or assistance under this section. Any such
disposition shall be treated in accordance with Section 1917(c) of the
Social Security Act, 42 USC 1396p(c). Any disposition of property made
on behalf of an applicant or recipient or the spouse of an applicant or
recipient by a guardian, conservator, person authorized to make such
disposition pursuant to a power of attorney or other person so authorized by law shall be attributed to such applicant, recipient or spouse. A disposition of property ordered by a court shall be evaluated in accordance with the standards applied to any other such disposition for the purpose of determining eligibility. The commissioner shall establish the standards for eligibility for medical assistance at one hundred [forty-three] five per cent of the [benefit amount paid to a household of equal size with no income under the temporary family assistance program] federal poverty level, after any authorized income disregards. In determining eligibility, the commissioner shall not consider as income Aid and Attendance pension benefits granted to a veteran, as defined in section 27-103, or the surviving spouse of such veteran. Except as provided in section 17b-277 and section 17b-292, the medical assistance program shall provide coverage to persons under the age of nineteen with household income up to one hundred ninety-six per cent of the federal poverty level without an asset limit and to persons under the age of nineteen, who qualify for coverage under Section 1931 of the Social Security Act, with household income not exceeding one hundred ninety-six per cent of the federal poverty level without an asset limit, and their parents and needy caretaker relatives, who qualify for coverage under Section 1931 of the Social Security Act, with household income not exceeding one hundred fifty-five per cent of the federal poverty level without an asset limit. Such levels shall be based on the regional differences in such benefit amount, if applicable, unless such levels based on regional differences are not in conformance with federal law. Any income in excess of the applicable amounts shall be applied as may be required by said federal law, and assistance shall be granted for the balance of the cost of authorized medical assistance. The Commissioner of Social Services shall provide applicants for assistance under this section, at the time of application, with a written statement advising them of (A) the effect of an assignment or transfer or other disposition of property on eligibility for benefits or assistance, (B) the effect that having income that exceeds the limits prescribed in this subsection will have with respect to program eligibility, and (C) the
availability of, and eligibility for, services provided by the Connecticut Home Visiting System, established pursuant to section 17b-751b. For coverage dates on or after January 1, 2014, the department shall use the modified adjusted gross income financial eligibility rules set forth in Section 1902(e)(14) of the Social Security Act and the implementing regulations to determine eligibility for HUSKY A, HUSKY B and HUSKY D applicants, as defined in section 17b-290. Persons who are determined ineligible for assistance pursuant to this section shall be provided a written statement notifying such persons of their ineligibility and advising such persons of their potential eligibility for one of the other insurance affordability programs as defined in 42 CFR 435.4.

Sec. 319. Section 19a-42 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2023):

(a) To protect the integrity and accuracy of vital records, a certificate registered under chapter 93 may be amended only in accordance with sections 19a-41 to 19a-45, inclusive, chapter 93, regulations adopted by the Commissioner of Public Health pursuant to chapter 54 and uniform procedures prescribed by the commissioner. Only the commissioner may amend birth certificates to reflect changes concerning parentage or the legal name of a parent or birth or marriage certificates to reflect changes concerning gender change. Amendments related to parentage or gender change or the legally changed name of a parent shall result in the creation of a replacement certificate that supersedes the original, and shall in no way reveal the original language changed by the amendment. Any amendment to a vital record made by the registrar of vital statistics of the town in which the vital event occurred or by the commissioner shall be in accordance with such regulations and uniform procedures.

(b) The commissioner and the registrar of vital statistics shall maintain sufficient documentation, as prescribed by the commissioner, to support amendments and shall ensure the confidentiality of such documentation as required by law. The date of amendment and a
summary description of the evidence submitted in support of the amendment shall be endorsed on or made part of the record and the original certificate shall be marked "Amended", except for amendments [due to] concerning parentage, [or] gender change or the legally changed name of a parent. When the registrar of the town in which the vital event occurred amends a certificate, such registrar shall, within ten days of making such amendment, forward an amended certificate to the commissioner and to any registrar having a copy of the certificate. When the commissioner amends a birth certificate, including changes [due to] concerning parentage, [or] gender change or the legally changed name of a parent, the commissioner shall forward an amended certificate to the registrars of vital statistics affected and their records shall be amended accordingly.

(c) An amended certificate shall supersede the original certificate that has been changed and shall be marked "Amended", except for amendments [due to] concerning parentage, [or] gender change or the legally changed name of a parent. The original certificate in the case of amendments concerning parentage, [or] gender change or the legally changed name of a parent shall be physically or electronically sealed and kept in a confidential file by the department and the registrar of any town in which the birth was recorded, and may be unsealed for issuance only as provided in section 7-53 with regard to an original birth certificate or upon a written order of a court of competent jurisdiction. The amended certificate shall become the official record.

(d) (1) Upon receipt of (A) an acknowledgment of parentage executed in accordance with the provisions of sections 46b-476 to 46b-487, inclusive, by both parents of a child, or (B) a certified copy of an order of a court of competent jurisdiction establishing the parentage of a child, the commissioner shall include on or amend, as appropriate, such child's birth certificate to show such parentage if parentage is not already shown on such birth certificate and to change the name of the child under eighteen years of age if so indicated on the acknowledgment of parentage form or within the certified court order as part of the
parentage action. If a person who is the subject of a voluntary
acknowledgment of parentage, as described in this subdivision, is
eighteen years of age or older, the commissioner shall obtain a notarized
affidavit from such person affirming that such person agrees to the
commissioner's amendment of such person's birth certificate as such
amendment relates to the acknowledgment of parentage. The
commissioner shall amend the birth certificate for an adult child to
change the child's name only pursuant to a court order.

(2) If the birth certificate lists the information of a parent other than
the parent who gave birth, the commissioner shall not remove or replace
the parent's information unless presented with a certified court order
that meets the requirements specified in section 7-50, or upon the proper
filing of a rescission, in accordance with the provisions of section 46b-570. The commissioner shall thereafter amend such child's birth
certificate to remove or change the name of the parent other than the
person who gave birth and, if relevant, to change the name of the child,
as requested at the time of the filing of a rescission, in accordance with
the provisions of section 46b-570. Birth certificates amended under this
subsection shall not be marked "Amended".

(e) When the parent or parents of a child request the amendment of
the child's birth certificate to reflect a new name of the parent who gave
birth because the name on the original certificate is fictitious, such
parent or parents shall obtain an order of a court of competent
jurisdiction declaring the person who gave birth to be the child's parent.
Upon receipt of a certified copy of such order, the department shall
amend the child's birth certificate to reflect the parent's true name.

(f) Upon receipt of a certified copy of an order of a court of competent
jurisdiction changing the name of a person born in this state and upon
request of such person or such person's parents, guardian, or legal
representative, the commissioner or the registrar of vital statistics of the
town in which the vital event occurred shall amend the birth certificate
to show the new name by a method prescribed by the department.
(g) When an applicant submits the documentation required by the regulations to amend a vital record, the commissioner shall hold a hearing, in accordance with chapter 54, if the commissioner has reasonable cause to doubt the validity or adequacy of such documentation.

(h) When an amendment under this section involves the changing of existing language on a death certificate due to an error pertaining to the cause of death, the death certificate shall be amended in such a manner that the original language is still visible. A copy of the death certificate shall be made. The original death certificate shall be sealed and kept in a confidential file at the department and only the commissioner may order it unsealed. The copy shall be amended in such a manner that the language to be changed is no longer visible. The copy shall be a public document.

(i) The commissioner shall issue a new birth certificate to reflect a gender change upon receipt of the following documents submitted in the form and manner prescribed by the commissioner: (1) A written request from the applicant, signed under penalty of law, for a replacement birth certificate to reflect that the applicant's gender differs from the sex designated on the original birth certificate; (2) a notarized affidavit by a physician licensed pursuant to chapter 370 or holding a current license in good standing in another state, a physician assistant licensed pursuant to chapter 370 or holding a current license in good standing in another state, an advanced practice registered nurse licensed pursuant to chapter 378 or holding a current license in good standing in another state, or a psychologist licensed pursuant to chapter 383 or holding a current license in good standing in another state, stating that the applicant has undergone surgical, hormonal or other treatment clinically appropriate for the applicant for the purpose of gender transition; and (3) if an applicant is also requesting a change of name listed on the original birth certificate, proof of a legal name change. The new birth certificate shall reflect the new gender identity by way of a change in the sex designation on the original birth certificate and, if
applicable, the legal name change.

(j) The commissioner shall issue a new birth certificate to reflect the legally changed name of a parent of a minor child who is the subject of such birth certificate upon receipt of the following documents, submitted in a form and manner prescribed by the commissioner: (1) A written request from the parent, signed under penalty of law, for a replacement birth certificate to reflect that the parent's legal name differs from the name designated on the original birth certificate, and (2) a certified copy of an order of a court of competent jurisdiction changing such parent's name. The commissioner shall issue a new birth certificate to an adult child who is the subject of such birth certificate and wishes to change the name of a parent who has legally changed such parent's name upon presentation by such adult child to the commissioner of a certified copy of an order of a court of competent jurisdiction changing such parent's name.

[(j) (k)] The commissioner shall issue a new marriage certificate to reflect a gender change upon receipt of the following documents, submitted in a form and manner prescribed by the commissioner: (1) A written request from the applicant, signed under penalty of law, for a replacement marriage certificate to reflect that the applicant's gender differs from the sex designated on the original marriage certificate, along with an affirmation that the marriage is still legally intact; (2) a notarized statement from the spouse named on the marriage certificate to be amended, consenting to the amendment; (3) (A) a United States passport or amended birth certificate or court order reflecting the applicant's gender as of the date of the request, or (B) a notarized affidavit by a physician licensed pursuant to chapter 370 or holding a current license in good standing in another state, physician assistant licensed pursuant to chapter 370 or holding a current license in good standing in another state, an advanced practice registered nurse licensed pursuant to chapter 378 or holding a current license in good standing in another state or a psychologist licensed pursuant to chapter 383 or holding a current license in good standing in another state stating

The new marriage certificate shall reflect the new gender identity by way of a change in the sex designation on the original marriage certificate and, if applicable, the legal name change.

Sec. 320. (Effective from passage) The Commissioner of Correction, the Chief Court Administrator and the chairperson of the Board of Pardons and Paroles shall collaborate to determine a method by which any inmate or prisoner whose name has been ordered changed pursuant to section 45a-99 or section 52-11 of the general statutes may change such inmate's name within the Department of Correction. (l) A participating district shall provide opportunities for its students to attend an interdistrict magnet school in a number that is at least equal to the number specified in any written agreement with an interdistrict magnet school operator or in a number that is at least equal to the average number of students that the participating district enrolled in such magnet school during the previous three school years.

(m) (1) On or before May 15, 2010, and annually thereafter, each interdistrict magnet school operator shall provide written notification to any school district that is otherwise responsible for educating a student
who resides in such school district and will be enrolled in an interdistrict magnet school under the operator's control for the following school year. Such notification shall include (A) the number of any such students, by grade, who will be enrolled in an interdistrict magnet school under the control of such operator, (B) the name of the school in which such student has been placed, and (C) the amount of tuition to be charged to the local or regional board of education for such student. Such notification shall represent an estimate of the number of students expected to attend such interdistrict magnet schools in the following school year, but shall not be deemed to limit the number of students who may enroll in such interdistrict magnet schools for such year.

(2) For the school year commencing July 1, 2015, and each school year thereafter, any interdistrict magnet school operator that is a local or regional board of education and did not charge tuition to another local or regional board of education for the school year commencing July 1, 2014, may not charge tuition to such board unless (A) such operator receives authorization from the Commissioner of Education to charge the proposed tuition, and (B) if such authorization is granted, such operator provides written notification on or before September first of the school year prior to the school year in which such tuition is to be charged to such board of the tuition to be charged to such board for each student that such board is otherwise responsible for educating and is enrolled at the interdistrict magnet school under such operator's control, except for the fiscal year ending June 30, 2025, and each fiscal year thereafter, the amount of such tuition charged to such other local or regional board of education shall not exceed fifty-eight per cent the per student tuition charged during the fiscal year ending June 30, 2024. In deciding whether to authorize an interdistrict magnet school operator to charge tuition under this subdivision, the commissioner shall consider (i) the average per pupil expenditure of such operator for each interdistrict magnet school under the control of such operator, and (ii) the amount of any per pupil state subsidy and any revenue from other sources received by such operator. The commissioner may conduct a
comprehensive financial review of the operating budget of the magnet
school of such operator to verify that the tuition is appropriate. The
provisions of this subdivision shall not apply to any interdistrict magnet
school operator that is a regional educational service center or assisting
the state in meeting its obligations pursuant to the decision in Sheff v.
O'Neill, 238 Conn. 1 (1996), or any related stipulation or order in effect,
as determined by the Commissioner of Education.

(3) Not later than two weeks following an enrollment lottery for an
interdistrict magnet school conducted by a magnet school operator, the
parent or guardian of a student (A) who will enroll in such interdistrict
magnet school in the following school year, or (B) whose name has been
placed on a waiting list for enrollment in such interdistrict magnet
school for the following school year, shall provide written notification
of such prospective enrollment or waiting list placement to the school
district in which such student resides and is otherwise responsible for
educating such student.

(n) (1) Each interdistrict magnet school operator shall annually file
with the Commissioner of Education, at such time and in such manner
as the commissioner prescribes, (A) a financial audit for each
interdistrict magnet school operated by such operator, and (B) an
aggregate financial audit for all of the interdistrict magnet schools
operated by such operator.

(2) Annually, the commissioner shall randomly select one
interdistrict magnet school operated by a regional educational service
center to be subject to a comprehensive financial audit conducted by an
auditor selected by the commissioner. The regional educational service
center shall be responsible for all costs associated with the audit
carried out pursuant to the provisions of this subdivision.

(o) For the school years commencing July 1, 2009, to July 1, 2018,
inclusive, any local or regional board of education operating an interdistrict magnet school pursuant to the
decision in Sheff v. O'Neill, 238 Conn. 1 (1996), or any related stipulation or order in effect, shall not charge tuition for any student enrolled in a preschool program or in kindergarten to grade twelve, inclusive, in an interdistrict magnet school operated by such school district, except the Hartford school district may charge tuition for any student enrolled in the Great Path Academy.

(p) (1) For the fiscal year ending June 30, 2023, and each fiscal year thereafter, if the East Hartford school district or the Manchester school district has greater than four per cent of its resident students, as defined in section 10-262f, enrolled in an interdistrict magnet school program, then the board of education for the town of East Hartford or the town of Manchester shall not be financially responsible for four thousand four hundred dollars of the portion of the per student tuition charged for each such student in excess of such four per cent. The Department of Education shall, within available appropriations, be financially responsible for such excess per student tuition. Notwithstanding the provisions of this subsection, for the fiscal year ending June 30, 2023, and each fiscal year thereafter, the amount of the grants payable to the boards of education for the towns of East Hartford and Manchester in accordance with this subsection shall be reduced proportionately if the total of such grants in such year exceeds the amount appropriated for purposes of this subsection.

(2) For the fiscal year ending June 30, 2023, [2023] 2024, if the local or regional board of education for (A) [a town located in the Sheff region, as defined in subsection (k) of this section, other than a local board of education described in subdivision (1) of this subsection,] the town of Windsor, (B) the town of New Britain, [and] (C) the town of New London, and (D) the town of Bloomfield, has greater than four per cent of its resident students, as defined in section 10-262f, enrolled in an interdistrict magnet school program, then such board of education shall not be financially responsible for four thousand four hundred dollars of the portion of the per student tuition charged for each such student in excess of such four per cent. The Department of Education shall, within
available appropriations, be financially responsible for such excess per student tuition. Notwithstanding the provisions of this subsection, for the fiscal year ending June 30, [2023] 2024, the amount of the grants payable to any such board of education in accordance with this subsection shall be reduced proportionately if the total of such grants in such year exceeds the amount allocated for said year in accordance with the provisions of special act 21-1, from the federal funds designated for the state pursuant to the provisions of section 602 of Subtitle M of Title IX of the American Rescue Plan Act of 2021, P.L. 117-2, as amended from time to time, appropriated for purposes of this subsection.

O'Neill, 238 Conn. 1 (1996), or any related stipulation or order in effect, as determined by the Commissioner of Education, for any student enrolled in kindergarten to grade twelve, inclusive, in such interdistrict magnet school shall be in an amount equal to the difference between (1) the average per pupil expenditure of the magnet school for the prior fiscal year, and (2) the amount of any per pupil state subsidy calculated under subsection (c) of section 10-264l, plus any revenue from other sources calculated on a per pupil basis, except for the fiscal year ending June 30, 2025, and each fiscal year thereafter, the per student tuition charged to a local or regional board of education shall not exceed fifty-eight per cent the per student tuition charged during the fiscal year ending June 30, 2024. school as a supplementary grant for the operation of the interdistrict magnet school program. In no case shall the sum of such tuitions exceed the difference between (A) the total expenditures of the magnet school for the prior fiscal year, and (B) the total per pupil state subsidy calculated under subsection (c) of section 10-264l, plus any revenue from other sources. The commissioner may conduct a comprehensive review of the operating budget of a magnet school to verify such tuition rate.

and convincing evidence to the satisfaction of the commissioner; and

(10) "Connecticut source income" means (A) the separately and
nonseparately computed items, as described in Section 702(a) of the
Internal Revenue Code with respect to a partnership or Section 1366 of
the Internal Revenue Code with respect to an S corporation, of the
affected business entity, excluding any item treated as an itemized
deduction for federal income tax purposes, plus any item described in
Section 707(c) of the Internal Revenue Code with respect to a
partnership, to the extent any such items under this subparagraph are
derived from or connected with sources within this state, as determined
under the provisions of chapter 229, (B) as increased or decreased by
any modification described in section 12-701 that relates to an item of
the affected business entity's income, gain, loss or deduction, to the
extent derived from or connected with sources within this state, as
determined under the provisions of chapter 229.

(b) [Each] For taxable years commencing on or after January 1, 2024,
an affected business entity that is required to file a return under the
provisions of section 12-726 may elect to pay to the commissioner a tax
as determined under this section. Any affected business entity making
such election shall submit written notice of such election to the
commissioner (1) not later than the due date or, if an extension of time
to file has been requested and granted, the extended due date, of the
return due from such entity, and (2) for each taxable year such entity
makes the election under this subsection. Each affected business entity
that has made the election under this subsection shall pay to the
commissioner, on or before the fifteenth day of the third month
following the close of each taxable year [pay to the commissioner] that
such entity makes such election, a tax as determined under this section.
(c) The tax due under subsection (b) of this section shall be equal to
[[1) (A) the separately and nonseparately computed items, as described
in Section 702(a) of the Internal Revenue Code with respect to a
partnership or Section 1366 of the Internal Revenue Code with respect
to an S corporation, of the affected business entity, excluding any item
treated as an itemized deduction for federal income tax purposes, plus
any item described in Section 707(c) of the Internal Revenue Code with
respect to a partnership, to the extent any such items under this
subparagraph are derived from or connected with sources within this
state, as determined under the provisions of chapter 229, (B) as
increased or decreased by any modification described in section 12-701
that relates to an item of the affected business entity's income, gain, loss
or deduction, to the extent derived from or connected with sources
within this state, as determined under the provisions of chapter 229, (2)

calculated under subdivision (1) of this subsection results in a net loss,
such net loss may be carried forward to succeeding taxable years until
fully used] six and ninety-nine-hundredths per cent multiplied by the
tax base. The tax base shall be equal to the resident portion of unsourced
income plus modified Connecticut source income.

(d) If an affected business entity, the lower-tier entity, is a member of
another affected business entity, the upper-tier entity, the lower-tier
entity shall, when calculating [the amount under subdivision (1) of
subsection (c) of this section] its Connecticut source income, subtract its
distributive share of income or add its distributive share of loss from the
upper-tier entity to the extent that the income or loss was derived from
or connected with sources within this state.

[(e) A nonresident individual who is a member of an affected
business entity shall not be required to file an income tax return under
the provisions of chapter 229 for a taxable year if, for such taxable year,
the only source of income derived from or connected with sources
within this state for such member, or the member and the member's
spouse if a joint federal income tax return is or shall be filed, is from one
or more affected business entities and such nonresident individual member's tax under chapter 229 would be fully satisfied by the credit allowed to such individual under subparagraph (A) of subdivision (1) of subsection (g) of this section.]

[(f) (e) Each affected business entity shall report to each of its members, for each taxable year, such member's direct share of the tax imposed under this section on such affected business entity and indirect share of the tax imposed on any upper-tier entity of which such affected business entity is a member.

[(g) (1) (A) (f) (1) Each person that is subject to the tax imposed under chapter 229 and is a member of an affected business entity shall be entitled to a credit against the tax imposed under said chapter, other than the tax imposed under section 12-707. Such credit shall be in an amount equal to such person's direct and indirect share of the tax due and paid under this section by any affected business entity of which such person is a member multiplied by eighty-seven and one-half percent. If the amount of the credit allowed pursuant to this subdivision exceeds such person's tax liability for the tax imposed under said chapter, the commissioner shall treat such excess as an overpayment and, except as provided in section 12-739 or 12-742, shall refund the amount of such excess, without interest, to such person.

[(B) (2) Each person that is subject to the tax imposed under chapter 229 as a resident or a part-year resident of this state and is a member of an affected business entity shall also be entitled to a credit against the tax imposed under said chapter, other than the tax imposed under section 12-707, for such person's direct and indirect share of taxes paid to another state of the United States or the District of Columbia, on income of any affected business entity of which such person is a member that is derived therefrom, provided the taxes paid to another state of the United States or the District of Columbia results from a tax that [the commissioner determines] is substantially similar to the tax imposed under this section. Any such credit shall be calculated in [the] a manner
[prescribed by the commissioner, which shall be] consistent with the
provisions of section 12-704.

(2) Each company that is subject to the tax imposed under chapter
208 and is a member of an affected business entity shall be entitled to a
credit against the tax imposed under said chapter. Such credit shall be
in an amount equal to such company's direct and indirect share of the
tax paid under this section by any affected business entity of which such
company is a member multiplied by eighty-seven and one-half per cent.
Such credit shall be applied after all other credits are applied and shall
not be subject to the limits imposed under section 12-217zz. Any credit
that is not used in the income year during which the affected business
entity incurs the tax under this section shall be carried forward to each
of the succeeding income years by the company until such credit is fully
taken against the tax under chapter 208.]

[(h)] (g) Upon the failure of any affected business entity to pay the tax
due under this section within thirty days of the due date, the provisions
of section 12-35 shall apply with respect to the enforcement of this
section and the collection of such tax. The warrant therein provided for
shall be signed by the commissioner or an authorized agent of the
commissioner. The amount of any such tax, penalty and interest shall be
a lien, from the last day of the last month of the taxable year next
preceding the due date of such tax until discharged by payment, against
all real estate of the taxpayer within the state, and a certificate of such
lien signed by the commissioner may be recorded in the office of the
clerk of any town in which such real estate is situated, provided no such
lien shall be effective as against any bona fide purchaser or qualified
encumbrancer of any interest in any such property. When any tax with
respect to which a lien has been recorded under the provisions of this
section has been satisfied, the commissioner, upon request of any
interested party, shall issue a certificate discharging such lien, which
certificate shall be recorded in the same office in which the lien was
recorded. Any action for the foreclosure of such lien shall be brought by
the Attorney General in the name of the state in the superior court for
the judicial district in which the property subject to such lien is situated,
or, if such property is located in two or more judicial districts, in the
superior court for any one such judicial district, and the court may limit
the time for redemption or order the sale of such property or make such
other or further decree as it judges equitable.

[(i) (h)] If any tax is not paid when due as provided in this section,
there shall be added to the amount of the tax interest at the rate of one
per cent per month or fraction thereof from the date the tax became due
until it is paid.

[(j) (1) Any affected business entity subject to tax under this section
may elect to file a combined return together with one or more other
commonly-owned affected business entities subject to tax under this
section. Each affected business entity making such election shall submit
written notice of such election to file a combined return, including the
written consent of the other commonly-owned affected business entities
to such election, to the commissioner not later than the due date, or if an
extension of time to file has been requested and granted, the extended
due date, of the returns due from such entities. An affected business
entity shall submit such written notice and consent for each taxable year
such entity makes the election under this subdivision. Each affected
business entity electing to file a combined return under this subdivision
shall be jointly and severally liable for the tax due under this section. For
the purposes of this subdivision, "commonly-owned" means that more
than eighty per cent of the voting control of an affected business entity
is directly or indirectly owned by a common owner or owners, either
corporate or noncorporate. Whether voting control is indirectly owned
shall be determined in accordance with Section 318 of the Internal
Revenue Code.

(2) Except as provided in subdivision (5) of this subsection, affected
business entities that elect to file a combined return under subdivision
(1) of this subsection shall net the amounts each such entity calculates
under subdivision (1) of subsection (c) of this section after such amounts
are separately apportioned or allocated by each affected business entity in accordance with this section.

(3) Affected business entities that elect to file a combined return under subdivision (1) of this subsection shall report to the commissioner the portion of the direct and indirect share of the tax paid with the combined return that is allocated to each of their members. Such report shall be filed with the combined return and the allocation reported shall be irrevocable.

(4) The election made under this subsection shall not affect the calculation of tax due under any other provision of the general statutes other than with respect to the calculation of the credits under subsection (g) of this section.

(5) Affected business entities that elect to file a combined return under subdivision (1) of this subsection shall calculate their tax due in accordance with subsection (c) of this section unless each such entity elects under subsection (k) of this section to calculate its tax due on the alternative basis under subsection (l) of this section. If such election is made, the affected business entities shall net their alternative tax bases instead of netting the amounts under subdivision (2) of this subsection.

(k) In lieu of calculating the tax due in accordance with subsection (c) of this section, any affected business entity may elect to calculate the tax due on the alternative basis under subsection (l) of this section. An affected business entity making such election shall submit to the commissioner written notice of such election not later than the due date, or if an extension of time to file has been requested and granted, the extended due date, of the return due from such entity. An affected business entity shall submit such written notice for each taxable year such entity makes the election under this subsection. The election made under this subsection shall not affect the calculation of tax due under any other provision of the general statutes other than with respect to the calculation of the credits under subsection (g) of this section.
The tax due from an affected business entity making the election under subsection (k) of this section shall be equal to six and ninety-nine-hundredths per cent multiplied by the alternative tax base. The alternative tax base shall be equal to the resident portion of unsourced income plus modified Connecticut source income.

(2) For the purposes of this subsection:

(A) "Resident portion of unsourced income" means unsourced income multiplied by a percentage equal to the sum of the ownership interests in the affected business entity owned by members who are residents of this state, as defined in section 12-701;

(B) "Unsourced income" means the separately and nonseparately computed items, as described in Section 702(a) of the Internal Revenue Code with respect to a partnership or Section 1366 of the Internal Revenue Code with respect to an S corporation, of the affected business entity, excluding any item treated as an itemized deduction for federal income tax purposes, plus any item described in Section 707(c) of the Internal Revenue Code with respect to a partnership, regardless of the location from which such item is derived or connected, as increased or decreased by any modification described in section 12-701, that relates to an item of the affected business entity's income, gain, loss or deduction, regardless of the location from which such item is derived or connected, less (i) the amount determined under subdivision (1) of subsection (c) of this section, determined without regard to subsection (d) of this section, and (ii) (I) the separately and nonseparately computed items, as described in Section 702(a) of the Internal Revenue Code, of the affected business entity, excluding any item treated as an itemized deduction for federal income tax purposes, plus any item described in Section 707(c) of the Internal Revenue Code with respect to a partnership, to the extent any such items under this subclause are derived from or connected with sources within another state that has jurisdiction to subject the affected business entity to tax, as determined under the provisions of chapter 229, (II) as increased or decreased by...
any modification described in section 12-701, that relates to an item of
the affected business entity's income, gain or deduction, to the extent
derived from or connected with sources within another state that has
jurisdiction to subject the affected business entity to tax, as determined
under the provisions of chapter 229; and

(C) "Modified Connecticut source income" means the amount
calculated under subdivision (1) of subsection (c) of this section
multiplied by a percentage equal to the sum of the ownership interests
in the affected business entity owned by members that are (i) subject to
tax under chapter 229, or (ii) affected business entities to the extent such
entities are directly or indirectly owned by persons subject to tax under
chapter 229. A member that is an affected business entity shall be
presumed to be directly or indirectly owned by persons subject to tax
under chapter 229 unless the affected business entity subject to tax
under this section can establish otherwise by clear and convincing
evidence to the satisfaction of the commissioner.]

[(m)] (i) The provisions of sections 12-723, 12-725 and 12-728 to 12-
737, inclusive, shall apply to the provisions of this section in the same
manner and with the same force and effect as if the language of said
sections had been incorporated in full into this section and had expressly
referred to the tax under this section, except to the extent that any such
provision is inconsistent with a provision of this section.

Sec. 377. Section 12-699a of the general statutes is repealed and the
following is substituted in lieu thereof (Effective January 1, 2024, and
applicable to taxable years commencing on or after January 1, 2024):

(a) As used in this section, "required annual payment" means the
lesser of (1) ninety per cent of the tax under section 12-699 that is
reported on the return filed for the taxable year or, if no return is filed,
ninety per cent of the tax due under section 12-699, or (2) if the preceding
taxable year was a taxable year of twelve months and the affected
business entity filed a return for such taxable year, one hundred per cent
of the tax under section 12-699 that is reported on such return.

(b) (1) Each affected business entity required to pay or, with respect to taxable years commencing on or after January 1, 2024, elects to pay, the tax imposed under section 12-699 and whose required annual payment for the taxable year is greater than or equal to one thousand dollars shall make the required annual payment each taxable year, in four required estimated tax installments on the following due dates: (A) For the first required installment, the fifteenth day of the fourth month of the taxable year; (B) for the second required installment, the fifteenth day of the sixth month of the taxable year; (C) for the third required installment, the fifteenth day of the ninth month of the taxable year; and (D) for the fourth required installment, the fifteenth day of the first month of the next succeeding taxable year. An affected business entity may elect to pay any required installment prior to the specified due date. Except as provided in subdivision (2) of this subsection, the amount of each required installment shall be twenty-five per cent of the required annual payment.

(2) (A) For any required installment, if the affected business entity establishes that its annualized income installment calculated pursuant to subparagraph (B) of this subdivision is less than the amount determined under subsection (a) of this section, the amount of such required installment shall be the annualized income installment. Any reduction in a required installment resulting pursuant to this subdivision shall be recaptured by increasing the amount of the next required installment by the amount of such reduction and by increasing subsequent required installments to the extent such reduction has not previously been recaptured under this subdivision.

(B) The annualized income installment is the amount by which (i) the amount equal to the applicable percentage, as set forth in subparagraph (C) of this subdivision, multiplied by the tax imposed under section 12-699 for the taxable year that would be due if income subject to tax under said section for the months in the taxable year ending before the due
(C) For the purposes of subparagraph (B) of this subdivision, the applicable percentages shall be as follows: (i) For the first required installment, twenty-two and one-half per cent; (ii) for the second required installment, forty-five per cent; (iii) for the third required installment, sixty-seven and one-half per cent; and (iv) for the fourth required installment, ninety per cent.

(c) (1) Except as otherwise provided in this section, in the case of any underpayment of estimated tax by an affected business entity, there shall be added to the tax imposed under section 12-699 an amount determined by applying interest (A) at the rate of one per cent per month or fraction thereof, (B) to the amount of the underpayment, (C) for the period of the underpayment.

(2) For the purposes of subdivision (1) of this subsection, (A) the amount of the underpayment is the amount by which the required installment exceeds the amount, if any, of the installment paid on or before the due date of the installment, and (B) the period of the underpayment runs from the due date of the installment to whichever date is earlier: (i) The fifteenth day of the third month of the next succeeding taxable year, or (ii) with respect to any portion of the underpayment, the date on which such portion is paid. Any payment of estimated tax under this section shall be credited against unpaid or underpaid required installments in the order in which such installments are required to be paid.

(d) Payment of the estimated tax under this section or any required installment thereof shall be considered payment on account of the tax imposed under section 12-699 for the taxable year. If an affected business entity makes payment of estimated tax pursuant to this section against the tax due under this chapter for a taxable year and (1) does not make the election under subsection (b) of section 12-699, or (2) such
payments exceed the amount due under said subsection for such taxable year, such payments shall be deemed to be made against the tax liability of the affected business entity under section 12-719.

(e) For taxable years of less than twelve months, the provisions of this section shall apply in a manner consistent with the regulations adopted under chapter 229 pertaining to such taxable years.

Sec. 378. Section 12-719 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024, and applicable to taxable years commencing on or after January 1, 2024):

(a) The income tax return required under this chapter shall be filed on or before the fifteenth day of the fourth month following the close of the taxpayer's taxable year. A person required to make and file a return shall, without assessment, notice or demand, pay any tax due thereon to the Commissioner of Revenue Services on or before the date fixed for filing such return, determined without regard to any extension of time for filing the return.

(b) (1) (A) The provisions of this subsection shall not apply to taxable years commencing on or after January 1, 2018, and prior to January 1, 2024.

(B) With respect to each of its nonresident partners, each partnership doing business in this state or having income derived from or connected with sources within this state shall, for each taxable year, make payment to the commissioner as provided in subdivision (2) of this subsection.

(C) For taxable years commencing on or after January 1, 2024, the payment due with respect to each nonresident partner under this subsection shall be reduced by such partner's direct and indirect credit properly reported by the partnership under subdivision (1) of subsection (f) of section 12-699. In no event shall the payment with respect to any nonresident partner be less than zero.
(2) (A) Any payment under this subdivision shall be in an amount equal to the highest marginal tax rate in effect under section 12-700 for the taxable year multiplied by the subject partner's distributive share of (i) such partnership's separately and nonseparately computed items, as described in Section 702(a) of the Internal Revenue Code, to the extent derived from or connected with sources within this state, as determined under this chapter, and (ii) any modification described in section 12-701 which relates to an item of such partnership's income, gain, loss or deduction, to the extent derived from or connected with sources within this state, as determined under this chapter. Any amount paid by a partnership to this state with respect to any taxable year pursuant to this subdivision shall be considered to be a payment by the partner on account of the income tax imposed on the partner for such taxable year pursuant to this chapter. A partnership shall not be liable to, and shall be entitled to recover a payment made pursuant to this subdivision from, the partner on whose behalf the payment was made. Any payment for a taxable year shall be made on or before the date the annual return for such taxable year is required to be filed pursuant to section 12-726. The partnership shall furnish, on a form prescribed by the commissioner, to each partner on whose behalf payment was made under this subdivision no later than the fifteenth day of the [fourth] third month following the close of the partnership's taxable year a record of the amount of the tax paid on behalf of such partner by the partnership with respect to the taxable year.

(B) (i) If income from one or more pass-through entities, as defined in subparagraph (D) of this subdivision, is the only source of income derived from or connected with Connecticut sources of a partner, or the partner and his or her spouse if a joint federal income tax return is or shall be made, the filing by the partnership of an annual return pursuant to section 12-726 and the payment by the partnership on behalf of the partner of the tax prescribed under subparagraph (A) of this subdivision shall satisfy the filing and payment requirements otherwise separately imposed on the partner by this chapter. The commissioner may make
any deficiency assessment against, at the commissioner's sole discretion, either the partnership or the partner, provided any such assessment against the partner shall be limited to the partner's share thereof. Except as otherwise provided in section 12-733, any such assessment shall be made not later than three years after the partnership's annual return pursuant to section 12-726 is filed. The commissioner may refund or credit any overpayment to either the partnership or the partner, in the commissioner's sole discretion. Except as otherwise provided in section 12-732, any such overpayment shall be refunded or credited not later than three years from the due date of the partnership's annual return pursuant to section 12-726 or, if the time for filing such return was extended, not later than three years from the date on which such return is filed or the extended due date of such return, whichever is earlier.

(ii) If income from one or more pass-through entities, as defined in subparagraph (D) of this subdivision, is not the only source of income derived from or connected with Connecticut sources of a partner, or the partner and his or her spouse if a joint federal income tax return is or shall be made, nothing in this subdivision shall be construed as excusing the partner from the obligation to file his or her own separate tax return under this chapter. In such event, the partner shall receive credit for the income tax paid under this subdivision by the partnership on his or her behalf. The commissioner may make any deficiency assessment that is related to the partner's share of partnership items against either, in the commissioner's sole discretion, the partnership or the partner. If the commissioner chooses to make any deficiency assessment against the partnership, then, except as otherwise provided in section 12-733, any such assessment shall be made not later than three years after the partnership's annual return pursuant to section 12-726 is filed. The commissioner may refund or credit any overpayment that is related to the partner's share of partnership items to either, in the commissioner's sole discretion, the partnership or the partner. If the commissioner chooses to refund or credit any overpayment to the partnership, then, except as otherwise provided in section 12-732, any such overpayment
shall be refunded or credited not later than three years from the due date
of the partnership's annual return pursuant to section 12-726 or, if the
time for filing such return was extended, not later than three years from
the date on which such return is filed or the extended due date of such
return, whichever is earlier.

(C) Notwithstanding any provision of subparagraph (A) of this
subdivision, a partnership shall not be required to make a payment on
account of the income tax imposed on a partner for a taxable year
pursuant to this chapter if (i) the partner's distributive share of
partnership income, to the extent derived from or connected with
sources within this state, as reflected on the partnership's annual return
for the taxable year under section 12-726, is less than one thousand
dollars; (ii) the department has determined by regulation, ruling or
instruction that the partner's income is not subject to the provisions of
this subdivision; or (iii) the partnership is a publicly traded partnership,
as defined in Section 7704(b) of the Internal Revenue Code, that is
treated as a partnership for federal income tax purposes and that has
agreed to file the annual return pursuant to section 12-726, and to report
therewith the name, address, Social Security number or federal
employer identification number, and other information required by the
department concerning each unitholder whose distributive share of
partnership income, to the extent derived from or connected with
sources within this state, as reflected on such annual return, is more than
five hundred dollars.

(D) If a member of a pass-through entity, referred to in this
subparagraph as an "upper-tier pass-through entity", is itself a pass-
through entity, the member, referred to in this subparagraph as a
"lower-tier pass-through entity", shall be subject to the same
requirements to make payment, on behalf of its members, of the income
tax imposed on those members pursuant to this chapter that apply to
the upper-tier pass-through entity under this subdivision. The
department shall apply the income tax paid by the upper-tier pass-
through entity, on behalf of the lower-tier pass-through entity, to the
income tax required to be paid by the lower-tier pass-through entity, on behalf of its members. For purposes of this subdivision, "pass-through entity" means an S corporation, general partnership, limited partnership, limited liability partnership or limited liability company that is treated as a partnership for federal income tax purposes; and "member" means a shareholder of an S corporation, a partner in a general partnership, a limited partnership, or a limited liability partnership and a member of a limited liability company that is treated as a partnership for federal income tax purposes.

(E) For purposes of section 12-740, a nonresident individual who is a member of a pass-through entity, as defined in subparagraph (D) of this subdivision, shall not be required to file an income tax return under this chapter for a taxable year if, for such taxable year, the only source of income derived from or connected with Connecticut sources of such member, or the member and his or her spouse if a joint federal income tax return is or shall be made, is from one or more pass-through entities, and the sum of such income derived from or connected with Connecticut sources from such one or more pass-through entities is less than one thousand dollars.

(c) (1) (A) The provisions of this subsection shall not apply to taxable years commencing on or after January 1, 2018, and prior to January 1, 2024.

(B) With respect to each of its nonresident shareholders, each S corporation doing business in this state or having income derived from or connected with sources within this state shall, for each taxable year, make payment to the commissioner as provided in subdivision (2) of this subsection.

(C) For taxable years commencing on or after January 1, 2024, the payment due with respect to each nonresident shareholder under this subsection shall be reduced by such shareholder's direct and indirect credit properly reported by the S corporation under subdivision (1) of
subsection (f) of section 12-699. In no event shall the payment with respect to any nonresident shareholder be less than zero.

(2) (A) Any payment under this subdivision shall be in an amount equal to the highest marginal tax rate in effect under section 12-700 for the taxable year multiplied by the subject shareholder's pro rata share of
(i) such S corporation's separately and nonseparately computed items, as described in Section 1366 of the Internal Revenue Code, to the extent derived from or connected with sources within this state, as determined under this chapter, and (ii) any modification described in section 12-701 which relates to an item of such S corporation's income, gain, loss or deduction, to the extent derived from or connected with sources within this state, as determined under this chapter. Any amount paid by an S corporation to this state with respect to any taxable year pursuant to this subdivision shall be considered to be a payment by the shareholder on account of the income tax imposed on the shareholder for such taxable year pursuant to this chapter. An S corporation shall not be liable to, and shall be entitled to recover a payment made pursuant to this subdivision from, the shareholder on whose behalf the payment was made. Any payment for a taxable year shall be made at or before the date the annual return for such taxable year is required to be filed pursuant to section 12-726. The S corporation shall furnish, on a form prescribed by the department, to each shareholder on whose behalf payment was made under this subdivision no later than the fifteenth day of the [fourth] third month following the close of the S corporation's taxable year a record of the amount of the tax paid on behalf of such shareholder by the S corporation with respect to the taxable year.

(B) (i) If income from one or more pass-through entities, as defined in subparagraph (D) of this subdivision, is the only source of income derived from or connected with Connecticut sources of a shareholder, or the shareholder and his or her spouse if a joint federal income tax return is or shall be made, the filing by the S corporation of an annual return pursuant to section 12-726 and the payment by the S corporation on behalf of the shareholder of the tax prescribed under subparagraph
(A) of this subdivision shall satisfy the filing and payment requirements otherwise separately imposed on the shareholder by this chapter. The commissioner may make any deficiency assessment against, at the commissioner's sole discretion, either the S corporation or the shareholder, provided any such assessment against the shareholder shall be limited to the shareholder's share thereof. Except as otherwise provided in section 12-733, any such assessment shall be made not later than three years after the S corporation's annual return pursuant to section 12-726 is filed. The commissioner may refund or credit any overpayment to either the S corporation or the shareholder, in the commissioner's sole discretion. Except as otherwise provided in section 12-732, any such overpayment shall be refunded or credited not later than three years from the due date of the S corporation's annual return pursuant to section 12-726 or, if the time for filing such return was extended, not later than three years from the date on which such return is filed or the extended due date of such return, whichever is earlier.

(ii) If income from one or more pass-through entities, as defined in subparagraph (D) of subdivision (2) of subsection (b) of this section, is not the only source of income derived from or connected with Connecticut sources of a shareholder, or the shareholder and his or her spouse if a joint federal income tax return is or shall be made, nothing in this subdivision shall be construed as excusing the shareholder from the obligation to file his or her own separate tax return under this chapter. In such event, the shareholder shall receive credit for the income tax paid under this subdivision by the S corporation on his or her behalf. The commissioner may make any deficiency assessment that is related to the shareholder's share of S corporation items against either, in the commissioner's sole discretion, the S corporation or the shareholder. If the commissioner chooses to make any deficiency assessment against the S corporation, then, except as otherwise provided in section 12-733, any such assessment shall be made not later than three years after the S corporation's annual return pursuant to section 12-726 is filed. The commissioner may refund or credit any
overpayment that is related to the shareholder's share of S corporation items to either, in the commissioner's sole discretion, the S corporation or the shareholder. If the commissioner chooses to refund or credit any overpayment to the S corporation, then, except as otherwise provided in section 12-732, any such overpayment shall be refunded or credited not later than three years from the due date of the S corporation's annual return pursuant to section 12-726 or, if the time for filing such return was extended, not later than three years from the date on which such return is filed or the extended due date of such return, whichever is earlier.

(C) Notwithstanding the provisions of subparagraph (A) of this subdivision, an S corporation shall not be required to make a payment on account of the income tax imposed on a shareholder for a taxable year pursuant to this chapter if (i) the shareholder's distributive share of S corporation income, to the extent derived from or connected with sources within this state, as reflected on the S corporation's annual return for the taxable year under section 12-726, is less than one thousand dollars; or (ii) the department has determined by regulation, ruling or instruction that the shareholder's income is not subject to the provisions of this subdivision.

(D) For purposes of this subdivision, the provisions of subparagraphs (D) and (E) of subdivision (2) of subsection (b) of this section apply.

(d) (1) In lieu of filing a return pursuant to this section, the commissioner may, if he determines that the enforcement of this chapter would not be adversely affected and pursuant to requirements and conditions set forth in forms and instructions, provide for the filing of a composite return for every qualifying nonresident member of a professional athletic team by such team, if such team is doing business in this state or the members of such team have compensation which is received for services rendered as members of such team and which is derived from or connected with sources within this state.
(2) If a professional athletic team is required to file a composite return pursuant to this subsection, the commissioner may, if he determines that the enforcement of this chapter would not be adversely affected, require such team, in lieu of deducting and withholding Connecticut income tax as may otherwise be required under section 12-705, to make payment to the commissioner of tax, estimated tax, additions to tax, interest and penalties otherwise required to be paid to the commissioner by such qualifying nonresident members.

(3) The commissioner may, if he determines that the enforcement of this chapter would not be adversely affected, require a professional athletic team, in lieu of deducting and withholding Connecticut income tax as may otherwise be required under section 12-705, to make payment to the commissioner of tax, estimated tax, additions to tax, interest and penalties otherwise required to be paid to the commissioner by every (A) resident member, but only with respect to compensation which is received for services rendered as a member of a professional athletic team and (B) nonresident member who is not a qualifying nonresident member, but only with respect to compensation which is received for services rendered as a member of a professional athletic team and which is derived from or connected with sources within this state.

(4) Any amount paid by a professional athletic team to this state with respect to any taxable period pursuant to this subsection shall be considered to be a payment by the member on account of the income tax imposed on the member for such taxable period pursuant to this chapter. The team shall be entitled to recover a payment made pursuant to this subsection from the member on whose behalf the payment was made.

(5) For purposes of this subsection, "qualifying nonresident member" means a member of a professional athletic team who is a nonresident individual for the entire taxable year, who does not maintain a permanent place of abode in Connecticut at any time during the taxable year.
year, who does not have income derived from or connected with sources within this state other than compensation which is received for services rendered as a member of a professional athletic team and which is derived from or connected with sources within this state.

Sec. 379. Subparagraph (B) of subdivision (2) of subsection (a) of section 12-217g of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024, and applicable to income years commencing on or after January 1, 2024):

(B) For taxable years commencing on or after January 1, 2022, with respect to an affected business entity claiming a credit under this subsection against the tax due under chapter 228z, the credit available to the members of such entity pursuant to subdivision (1) of subsection [(g)] (f) of section 12-699 shall be based upon the amount of tax due under chapter 228z from such entity prior to the application of the credit granted under this subsection and any other payments made against such tax due.

Sec. 380. Subdivision (4) of subsection (b) of section 12-733 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024, and applicable to taxable years commencing on or after January 1, 2024):

(4) If an affected business entity, as defined in section 12-699, omits from the Connecticut adjusted gross income derived from or connected with sources within Connecticut of any member of such affected business entity an amount properly includable therein that is in excess of twenty-five per cent of the amount of Connecticut adjusted gross income derived from or connected with sources within Connecticut stated in the return [required under] filed pursuant to section 12-699 [.] or section 12-719, a notice of a proposed deficiency assessment may be mailed to the taxpayer not later than six years after the date on which the return is filed. For purposes of this subdivision, there shall not be taken into account any amount that is omitted in the return if such
amount is disclosed in the return, or in a statement attached to the return, in a manner adequate to apprise the commissioner of the nature and the amount of such item.

Sec. 381. Section 32-7u of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2024, and applicable to taxable years commencing on or after January 1, 2024):

As used in this section, "affected business entity" and "member" have the same meanings as provided in subsection (a) of section 12-699. An affected business entity that receives a rebate under section 32-7t shall claim such rebate as a credit against the tax due under chapter 228z. If the amount of the rebate allowed pursuant to section 32-7t exceeds the liability for the tax imposed under chapter 228z, the Commissioner of Revenue Services shall treat such excess as an overpayment and shall refund the amount of such excess, without interest, to the taxpayer. With respect to an affected business entity granted a rebate pursuant to section 32-7t, the credit available to the members of such entity pursuant to subdivision (1) of subsection [(g)] (f) of section 12-699 shall be based upon the amount of tax due under chapter 228z from such entity prior to the application of the rebate granted pursuant to section 32-7t and any other payments made against such tax due.

Sec. 382. Section 12-493a of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(3) "Department" means the Department of Revenue Services;
(4) "Eligible motor vehicle" means a motor vehicle, as defined in section 14-1, that (A) has a gross weight of twenty-six thousand pounds or more, and (B) carries a classification between Class 8 and Class 13, inclusive, under the Federal Highway Administration vehicle classification system. "Eligible motor vehicle" does not include a motor vehicle carrying or transporting milk or dairy products to or from a dairy farm that holds a license to ship milk;

(5) "Gross weight" has the same meaning as provided in section 14-1; and

(b) (1) For each calendar month commencing on or after January 1, 2023, and prior to October 1, 2023, and for each calendar quarter commencing on or after October 1, 2023, a tax is imposed on every carrier for the privilege of operating or causing to be operated an eligible motor vehicle on any highway of the state. Use of any such highway shall be measured by the number of miles traveled within the state by each eligible motor vehicle operated or caused to be operated by such carrier during each month prior to October 1, 2023, and during each calendar quarter commencing on or after October 1, 2023. The amount of tax due from each carrier shall be determined in accordance with the provisions of subdivision (2) of this subsection.

(2) Each carrier shall calculate the number of miles traveled by each eligible motor vehicle operated or caused to be operated by such carrier within the state during each month prior to October 1, 2023, and during each calendar quarter commencing on or after October 1, 2023. The miles traveled within the state by each eligible motor vehicle shall be multiplied by the tax rate as follows, such rate to be based on the gross weight of each such vehicle:

(c) (1) Each carrier shall file with the commissioner a return, (A) on or before the last day of each month [, a return] for the calendar month immediately preceding, up to and including a return for the month ending September 30, 2023, and (B) on or before the last day of each month following the last day of a calendar quarter commencing on or after October 1, 2023, for the calendar quarter immediately preceding, in such form and containing such information as the commissioner may prescribe. The return shall be accompanied by payment of the amount of the tax shown to be due thereon. Each carrier shall be required to file such return electronically with the department and to make such payment by electronic funds transfer in the manner provided by chapter 228g, irrespective of whether the carrier would have otherwise been
required to file such return electronically or to make such payment by electronic funds transfer under the provisions of said chapter.

(2) Notwithstanding the provisions of subsection (a) of section 13b-61, the commissioner shall deposit into the Special Transportation Fund established under section 13b-68 the amounts received by the state from the tax imposed under this section.

(d) (1) Each carrier desiring to use any highway of the state on or after January 1, 2023, shall file an application for a permit with the commissioner, in such form and containing such information as the commissioner may prescribe. No carrier may lawfully operate or cause to be operated an eligible motor vehicle in the state on or after January 1, 2023, without obtaining a permit from the commissioner.

(2) Upon receipt of a fully completed application from a carrier, the commissioner shall grant and issue a permit to such carrier. Such permit shall be valid only for the carrier to which it is issued and the eligible motor vehicles such carrier operates or causes to be operated on the highways of the state and shall not be assignable. The carrier shall maintain a copy of the permit within each eligible motor vehicle that such carrier operates or causes to be operated in the state.

(e) (1) Whenever a carrier fails to comply with any provision of this section, the commissioner shall order a hearing to be held, requiring such carrier to show cause why such carrier's permit should not be revoked or suspended. The commissioner shall provide at least ten days' notice, in writing, to such carrier of the date, time and place of such hearing and may serve such notice personally or by registered or certified mail. If, after such hearing, the commissioner revokes or suspends a permit, the commissioner shall not restore such permit to or issue a new permit for such carrier unless the commissioner is satisfied that the carrier will comply with the provisions of this section.

(2) Whenever a carrier files returns for four successive monthly periods prior to October 1, 2023, or two successive calendar quarters on
or after October 1, 2023, showing that none of the eligible motor vehicles
operated or caused to be operated by such carrier used any highway of
the state, the commissioner shall order a hearing to be held, requiring
such carrier to show cause why such carrier's permit should not be
cancelled. The commissioner shall provide at least thirty days' notice, in
writing, to such carrier of the date, time and place of such hearing and
may serve such notice personally or by registered or certified mail. If,
after such hearing, the commissioner cancels a permit, the commissioner
shall not issue a new permit for such carrier unless the commissioner is
satisfied that the carrier will make use of the highways of the state.

(f) Each person, other than a carrier, who is required, on behalf of
such carrier, to collect, truthfully account for and pay over a tax imposed
on such carrier under this section and who wilfully fails to collect,
truthfully account for and pay over such tax or who wilfully attempts in
any manner to evade or defeat the tax or the payment thereof, shall, in
addition to other penalties provided by law, be liable for a penalty equal
to the total amount of the tax evaded, or not collected, or not accounted
for and paid over, including any penalty or interest attributable to such
wilful failure to collect or truthfully account for and pay over such tax
or such wilful attempt to evade or defeat such tax, provided such
penalty shall only be imposed against such person in the event that such
tax, penalty or interest cannot otherwise be collected from such carrier.
The amount of such penalty with respect to which a person may be
personally liable under this section shall be collected in accordance with
the provisions of subsection (n) of this section and any amount so
collected shall be allowed as a credit against the amount of such tax,
penalty or interest due and owing from the carrier. The dissolution of
the carrier shall not discharge any person in relation to any personal
liability under this section for wilful failure to collect or truthfully
account for and pay over such tax or for a wilful attempt to evade or
defeat such tax prior to dissolution, except as otherwise provided in this
section. For purposes of this subsection, "person" includes any
individual, corporation, limited liability company or partnership and
any officer or employee of any corporation, including a dissolved
corporation, and a member of or employee of any partnership or limited
liability company who, as such officer, employee or member, is under a
duty to file a tax return under this section on behalf of a carrier or to
collect or truthfully account for and pay over a tax imposed under this
section on behalf of such carrier.

(g) (1) The commissioner may examine the records of any carrier
subject to a tax imposed under the provisions of this section as the
commissioner deems necessary. If the commissioner determines that
there is a deficiency with respect to the payment of any such tax due
under the provisions of this section, the commissioner shall assess or
reassess the deficiency in tax, give notice of such deficiency assessment
or reassessment to the taxpayer and make demand upon the taxpayer
for payment. Such amount shall bear interest at the rate of one per cent
per month or fraction thereof from the date when the original tax was
due and payable. When it appears that any part of the deficiency for
which a deficiency assessment is made is due to negligence or
intentional disregard of the provisions of this section or regulations
promulgated thereunder, there shall be imposed a penalty equal to ten
per cent of the amount of such deficiency assessment, or fifty dollars,
whichever is greater. When it appears that any part of the deficiency for
which a deficiency assessment is made is due to fraud or intent to evade
the provisions of this section or regulations promulgated thereunder,
there shall be imposed a penalty equal to twenty-five per cent of the
amount of such deficiency assessment. No taxpayer shall be subject to
more than one penalty under this subsection in relation to the same tax
period. Subject to the provisions of section 12-3a, the commissioner may
waive all or part of the penalties provided under this section when it is
proven to the commissioner's satisfaction that the failure to pay any tax
was due to reasonable cause and was not intentional or due to neglect.
Any decision rendered by any federal court holding that a taxpayer has
filed a fraudulent return with the Director of Internal Revenue shall
subject the taxpayer to the penalty imposed by this section without the
necessity of further proof thereof, except when it can be shown that the
return to the state so differed from the return to the federal government
as to afford a reasonable presumption that the attempt to defraud did
not extend to the return filed with the state. Within thirty days of the
mailing of such notice, the taxpayer shall pay to the commissioner, in
cash, or by check, draft or money order drawn to the order of the
Commissioner of Revenue Services, any additional amount of tax,
penalty and interest shown to be due.

(2) Except in the case of a wilfully false or fraudulent return with
intent to evade the tax, no assessment of additional tax shall be made
after the expiration of more than three years from the date of the filing
of a return or from the original due date of a return, whichever is later.
If no return has been filed as provided under the provisions of this
section, the commissioner may make such return at any time thereafter,
according to the best information obtainable and according to the form
prescribed. To the tax imposed upon the basis of such return, there shall
be added an amount equal to ten per cent of such tax, or fifty dollars,
whichever is greater. The tax shall bear interest at the rate of one per
cent per month or fraction thereof from the due date of such tax to the
date of payment. Where, before the expiration of the period prescribed
herein for the assessment of an additional tax, a taxpayer has consented
in writing that such period may be extended, the amount of such
additional tax due may be determined at any time within such extended
period. The period so extended may be further extended by subsequent
consents in writing before the expiration of the extended period.

(h) (1) Any carrier believing that it has overpaid any taxes due under
the provisions of this section may file a claim for refund in writing with
the commissioner within three years from the due date for which such
overpayment was made, stating the specific grounds upon which the
claim is founded. Failure to file a claim within the time prescribed in this
section constitutes a waiver of any demand against the state on account
of overpayment. The commissioner shall review such claim within a
reasonable time and, if the commissioner determines that a refund is
due, the commissioner shall credit the overpayment against any amount
then due and payable from the carrier under this section or any
provision of the general statutes and shall refund any balance
remaining. The commissioner shall notify the Comptroller of the
amount of such refund and the Comptroller shall draw an order on the
Treasurer in the amount thereof for payment to such carrier. If the
commissioner determines that such claim is not valid, either in whole or
in part, the commissioner shall mail notice of the proposed disallowance
to the claimant, which notice shall set forth briefly the commissioner's
findings of fact and the basis of disallowance in each case decided in
whole or in part adversely to the claimant. Sixty days after the date
on which it is mailed, a notice of proposed disallowance shall constitute a
final disallowance except only for such amounts as to which the
taxpayer filed, as provided in subdivision (2) of this subsection, a
written protest with the commissioner.

(2) On or before the sixtieth day after the mailing of the proposed
disallowance, the claimant may file with the commissioner a written
protest against the proposed disallowance in which the claimant shall
set forth the grounds on which the protest is based. If a protest is filed,
the commissioner shall reconsider the proposed disallowance and, if the
claimant has so requested, may grant or deny the claimant or the
claimant's authorized representatives an oral hearing.

(3) The commissioner shall mail notice of the commissioner's
determination to the claimant, which notice shall set forth briefly the
commissioner's findings of fact and the basis of decision in each case
decided in whole or in part adversely to the claimant.

(4) The action of the commissioner on the claimant's protest shall be
final upon the expiration of thirty days from the date on which the
commissioner mails notice of the commissioner's action to the claimant
unless within such period the claimant seeks judicial review of the
commissioner's determination pursuant to subsection (l) of this section.
(i) (1) Any person required under this section or regulations adopted thereunder to pay any tax, make a return, keep any record or supply any information, who wilfully fails to pay such tax, make such return, keep such records or supply such information, at the time required by law, shall, in addition to any other penalty provided by law, be fined not more than one thousand dollars or imprisoned not more than one year, or both. Notwithstanding the provisions of section 54-193, no person shall be prosecuted for a violation of the provisions of this subsection committed on or after January 1, 2023, except within three years next after such violation has been committed. As used in this subsection, "person" includes any officer or employee of a corporation or a member or employee of a partnership under a duty to pay such tax, make such return, keep such records or supply such information.

(2) Any person who wilfully delivers or discloses to the commissioner or the commissioner's authorized agent any list, return, account, statement or other document, known by such person to be fraudulent or false in any material matter, shall, in addition to any other penalty provided by law, be guilty of a class D felony. No person shall be charged with an offense under both subdivision (1) of this subsection and this subdivision in relation to the same tax period but such person may be charged and prosecuted for both such offenses upon the same information.

(j) (1) Each carrier shall keep such records, receipts, invoices and other pertinent papers in such form as the commissioner requires.

(2) In addition to the requirements set forth under subdivision (1) of this subsection, each carrier shall maintain, on a monthly basis prior to October 1, 2023, and on a quarterly basis on and after October 1, 2023, a list of all the eligible motor vehicles that such carrier operates or causes to operate on a highway in the state during such month or quarter, as applicable. All such lists shall be maintained by the carrier for not less than four years after the date of each such month or the last day of each such quarter, as applicable, and shall be made available to the
(3) The commissioner or the commissioner's authorized agent may examine the records, receipts, invoices, other pertinent papers and equipment of any person liable under the provisions of this section and may investigate the character of the business of such person to verify the accuracy of any return made or, if no return is made by such person, to ascertain and determine the amount required to be paid.

(k) Any carrier that is aggrieved by the action of the commissioner or an authorized agent of the commissioner in fixing the amount of any tax, penalty or interest under this section may apply to the commissioner, in writing, not later than sixty days after the notice of such action is delivered or mailed to such carrier, for a hearing and a correction of the amount of such tax, penalty or interest, setting forth the reasons why such hearing should be granted and the amount by which such tax, penalty or interest should be reduced. The commissioner shall promptly consider each such application and may grant or deny the hearing requested. If the hearing request is denied, the carrier shall be notified forthwith. If the hearing request is granted, the commissioner shall notify the carrier of the date, time and place for such hearing. After such hearing, the commissioner may make such order as appears just and lawful to the commissioner and shall furnish a copy of such order to the carrier. The commissioner may, by notice in writing, order a hearing on the commissioner's own initiative and require a carrier or any other individual who the commissioner believes to be in possession of relevant information concerning such carrier to appear before the commissioner or the commissioner's authorized agent with any specified books of account, papers or other documents, for examination under oath.

(l) Any carrier that is aggrieved because of any order, decision, determination or disallowance the commissioner made under subsection (h) or (k) of this section may, not later than thirty days after service of notice of such order, decision, determination or disallowance,
take an appeal therefrom to the superior court for the judicial district of New Britain, which appeal shall be accompanied by a citation to the commissioner to appear before said court. Such citation shall be signed by the same authority and such appeal shall be returnable at the same time and served and returned in the same manner as is required in the case of a summons in a civil action. The authority issuing the citation shall take from the appellant a bond or recognizance to the state of Connecticut, with surety, to prosecute the appeal to effect and to comply with the orders and decrees of the court in the premises. Such appeals shall be preferred cases, to be heard, unless cause appears to the contrary, at the first session, by the court or by a committee appointed by the court. Said court may grant such relief as may be equitable and, if such tax has been paid prior to the granting of such relief, may order the Treasurer to pay the amount of such relief. If the appeal has been taken without probable cause, the court may tax double or triple costs, as the case demands and, upon all such appeals that are denied, costs may be taxed against such carrier at the discretion of the court but no costs shall be taxed against the state.

(m) The commissioner and any agent of the commissioner duly authorized to conduct any inquiry, investigation or hearing pursuant to this section shall have power to administer oaths and take testimony under oath relative to the matter of inquiry or investigation. At any hearing ordered by the commissioner, the commissioner or the commissioner's agent authorized to conduct such hearing and having authority by law to issue such process may subpoena witnesses and require the production of books, papers and documents pertinent to such inquiry or investigation. No witness under subpoena authorized to be issued under the provisions of this section shall be excused from testifying or from producing books, papers or documentary evidence on the ground that such testimony or the production of such books, papers or documentary evidence would tend to incriminate such witness, but such books, papers or documentary evidence so produced shall not be used in any criminal proceeding against such witness. If any person
disobeys such process or, having appeared in obedience thereto, refuses to answer any pertinent question put to such person by the commissioner or the commissioner's authorized agent, or to produce any books, papers or other documentary evidence pursuant thereto, the commissioner or such agent may apply to the superior court of the judicial district wherein the carrier has a business address or wherein the carrier's business has been conducted, or to any judge of such court if the same is not in session, setting forth such disobedience to process or refusal to answer, and such court or such judge shall cite such person to appear before such court or such judge to answer such question or to produce such books, papers or other documentary evidence and, upon such person's refusal so to do, shall commit such person to a community correctional center until such person testifies, but not for a period longer than sixty days. Notwithstanding the serving of the term of such commitment by any person, the commissioner may proceed in all respects with such inquiry and examination as if the witness had not previously been called upon to testify. Officers who serve subpoenas issued by the commissioner or under the commissioner's authority and witnesses attending hearings conducted by the commissioner pursuant to this section shall receive fees and compensation at the same rates as officers and witnesses in the courts of this state, to be paid on vouchers of the commissioner on order of the Comptroller from the proper appropriation for the administration of this section.

(n) The amount of any tax, penalty or interest due and unpaid under the provisions of this section may be collected under the provisions of section 12-35. The warrant provided under said section shall be signed by the commissioner or the commissioner's authorized agent. The amount of any such tax, penalty and interest shall be a lien on the real estate of the carrier from the last day of the month next preceding the due date of such civil penalty until such civil penalty is paid. The commissioner may record such lien in the records of any town in which the real estate of such carrier is situated but no such lien shall be enforceable against a bona fide purchaser or qualified encumbrancer of
such real estate. When any tax with respect to which a lien has been recorded under the provisions of this subsection has been satisfied, the commissioner shall, upon request of any interested party, issue a certificate discharging such lien, which certificate shall be recorded in the same office in which the lien was recorded. Any action for the foreclosure of such lien shall be brought by the Attorney General in the name of the state in the superior court for the judicial district in which the real estate subject to such lien is situated, or, if such real estate is located in two or more judicial districts, in the superior court for any one such judicial district, and the court may limit the time for redemption or order the sale of such real estate or pass such other or further decree as it judges equitable.

(o) No tax credit or credits shall be allowable against the tax imposed under this section.

(p) Any person who knowingly violates any provision of this section for which no other penalty is provided shall be fined one thousand dollars.

(q) The commissioner may adopt regulations, in accordance with the provisions of chapter 54, to implement the provisions of this section.

(r) At the close of each fiscal year, commencing with the fiscal year ending June 30, 2023, in which the tax imposed under the provisions of this section is received by the commissioner, the Comptroller is authorized to record as revenue for such fiscal year the amount of such tax that is received by the commissioner not later than five business days from the July thirty-first immediately following the end of such fiscal year.

Sec. 383. (Effective from passage) (a) Notwithstanding the provisions of section 12-458h of the general statutes, for the fiscal year commencing July 1, 2023, the applicable tax rate per gallon of diesel fuel on the sale or use of such fuel during said fiscal year shall be forty-nine and two-tenth cents.
(b) Any tax paid for diesel fuel during said fiscal year that is determined to be eligible for a refund by the Commissioner of Revenue Services pursuant to section 12-459 of the general statutes shall be refunded at the tax rate per gallon specified in this section.
