

General Assembly

January Session, 2023

Proposed Bill No. 681

LCO No. 1155

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by:
SEN. SAMPSON, 16th Dist.

AN ACT CONCERNING BATTERY STORAGE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to require the Department of
- 2 Energy and Environmental Protection to report to the General Assembly
- 3 regarding (1) the associated costs of battery-storage technology, and (2)
- 4 the impact on ratepayer bills from the associated costs of battery-storage
- 5 technology, including a detailed explanation of the battery-storage
- 6 technology used by each public service company and such technology's
- 7 impact on the environment due to the process of acquiring the
- 8 component materials of such technology and disposal of such
- 9 technology after its useful life.

Statement of Purpose:

To review the effectiveness of battery-storage technology and its impact on ratepayer bills.
