

General Assembly

January Session, 2023

Proposed Bill No. 736

LCO No. 2304

Referred to Committee on GENERAL LAW

Introduced by:
SEN. SAMPSON, 16th Dist.
(By Request)

AN ACT ADOPTING THE HUMAN CELL PRODUCT LABELING ACT.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That the general statutes be amended to provide that: (1) No person
2 doing business in the state shall knowingly or intentionally expose any
3 other person to any product that such person knows to have been
4 developed or tested with human cells unless such person first provides
5 to such other person a clear and reasonable warning, which warning
6 shall include (A) a disclaimer that such product was developed or tested
7 with human cells, and (B) the address of an Internet web site disclosing
8 (i) the origin of such human cells, (ii) the method by which such human
9 cells were obtained, and (iii) the medical or scientific name, if any, of the
10 human cell base line that was used to develop or test such product; and
11 (2) any person who fails to provide such warning may be subject to civil
12 or criminal penalties.

Statement of Purpose:

To adopt the Human Cell Product Labeling Act.
