

General Assembly

**Substitute Bill No. 1103**

January Session, 2023

**AN ACT CONCERNING ARTIFICIAL INTELLIGENCE, AUTOMATED  
DECISION-MAKING AND PERSONAL DATA PRIVACY.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. (NEW) (*Effective July 1, 2023*) (a) As used in this section:
- 2 (1) "Artificial Intelligence Officer" means the employee designated  
3 pursuant to subsection (b) of this section;
- 4 (2) "Automated decision support system" means any automated  
5 decision system that provides material information for the purpose of  
6 informing a conclusion, decision or judgment made by an individual  
7 on behalf of a state agency;
- 8 (3) "Automated decision system" means any machine-based system  
9 or application, including, but not limited to, any such system or  
10 application that is derived from machine learning, statistics or other  
11 data processing or artificial intelligence techniques, that is developed,  
12 procured or utilized to make, inform or materially support a critical  
13 decision made by a state agency, but does not include passive  
14 computing infrastructure;
- 15 (4) "Automated final decision system" means any automated  
16 decision system that makes a final conclusion, decision or judgment on  
17 behalf of a state agency without any intervention by an individual

18 acting on behalf of the state agency;

19 (5) "Automated system" means any automated decision support  
20 system, automated decision system or automated final decision  
21 system;

22 (6) "Automated systems procedures" means the procedures  
23 developed and adopted pursuant to this section;

24 (7) "Connecticut Artificial Intelligence Advisory Board" means the  
25 board established in section 2 of this act;

26 (8) "Critical decision" means any decision or judgment that has any  
27 legal, material or similarly significant effect on an individual's life  
28 concerning access to, or the cost, terms or availability of, (A) education  
29 and vocational training, including, but not limited to, assessment,  
30 accreditation or certification, (B) employment, worker management or  
31 self-employment, (C) essential utilities such as electricity, heat, water,  
32 Internet or telecommunications access or transportation, (D) family  
33 planning services, including, but not limited to, adoption services or  
34 reproductive services, (E) financial services, including, but not limited  
35 to, any financial service provided by a mortgage company, (F) services  
36 from a creditor or mortgage broker, (G) health care, including, but not  
37 limited to, mental health care, dental care or vision care, (H) housing  
38 or lodging, including, but not limited to, any rental, short-term  
39 housing or lodging, (I) legal services, including, but not limited to,  
40 private mediation or arbitration, (J) government benefits, or (K) public  
41 services;

42 (9) "Passive computing infrastructure" means any intermediary  
43 technology, including, but not limited to, web hosting, domain  
44 registration, networking, caching, data storage or cybersecurity  
45 technology, that does not influence or determine the outcome of a  
46 decision, make or aid in making a decision, inform policy  
47 implementation or collect data or observations;

48 (10) "State agency" means any department, board, commission,

49 council, institution, office, constituent unit of the state system of higher  
50 education, technical education and career school or other agency in the  
51 executive, legislative or judicial branch of state government; and

52 (11) "Trade secret" has the same meaning as provided in section 35-  
53 51 of the general statutes.

54 (b) Not later than October 1, 2023, the Secretary of the Office of  
55 Policy and Management shall designate an employee of the Office of  
56 Policy and Management to serve as the Artificial Intelligence Officer.  
57 Such employee shall have: (1) Extensive knowledge concerning  
58 automated systems and artificial intelligence analysis, governance,  
59 principles, practices, technology, terminology and trends; and (2)  
60 experience in administration, planning, policy development, project  
61 management and service coordination.

62 (c) The Artificial Intelligence Officer shall be responsible for  
63 performing said officer's duties as set forth in this section. The  
64 Secretary of the Office of Policy and Management may contract with a  
65 third party, if said secretary deems it necessary, to assist the Artificial  
66 Intelligence Officer in performing said officer's duties under this  
67 section.

68 (d) Not later than December 31, 2023, and every two years  
69 thereafter, the Artificial Intelligence Officer shall, in consultation with  
70 the state agency data officers and state agency heads, develop and  
71 adopt automated systems procedures for use by state agencies in  
72 developing, procuring and utilizing automated systems for critical  
73 decisions. In developing such automated systems procedures, the  
74 Artificial Intelligence Officer shall consider imposing the following  
75 safeguards, where appropriate, to mitigate risk: (1) Requiring state  
76 agencies to develop, procure and utilize automated systems in a  
77 manner that is consistent with national and international standards; (2)  
78 ensuring that state agencies develop, procure and utilize automated  
79 systems in a manner that is consistent with state and federal laws,  
80 including, but not limited to, state and federal laws prohibiting

81 discrimination and addressing privacy, civil rights and civil liberties;  
82 (3) ensuring that no automated system disproportionately and  
83 unlawfully impacts any individual or group of individuals on the basis  
84 of any actual or perceived differentiating characteristic, including, but  
85 not limited to, age, genetic information, color, ethnicity, race, creed,  
86 religion, national origin, ancestry, sex, gender identity or expression,  
87 sexual orientation, marital status, familial status, pregnancy, veteran  
88 status, disability or lawful source of income; (4) ensuring that any  
89 benefits that a state agency gains by utilizing an automated system  
90 outweigh any risks inherent in utilizing the automated system; (5)  
91 ensuring that each automated system is applied and utilized in a  
92 manner that is consistent with the use cases for which such automated  
93 system was trained in order to ensure accuracy, reliability and efficacy;  
94 (6) ensuring that each automated system is safe, secure and resilient,  
95 including, but not limited to, in circumstances in which such  
96 automated system is confronted with any systematic vulnerability,  
97 adversarial manipulation or other malicious exploitation; (7) ensuring  
98 that the operations of, and outcomes generated by, an automated  
99 system are sufficiently understandable by subject matter experts and  
100 users; (8) ensuring that individual roles and responsibilities are clearly  
101 defined, understood and appropriately assigned in a manner that is  
102 consistent with the purpose for which each use of an automated  
103 system is intended; (9) ensuring that the development, procurement  
104 and utilization of an automated system is, and the inputs and outputs  
105 for applications of an automated system are, documented and  
106 traceable; (10) ensuring that the design, development, procurement  
107 and monitoring of an automated system is, and intended purposes of  
108 an automated system are, appropriately transparent to the public  
109 under uniform protocols and public access requirements concerning  
110 releases and posting of appropriate information by each state agency  
111 utilizing the automated system; (11) ensuring that data inputs utilized  
112 by each automated system are appropriately transparent under the  
113 Freedom of Information Act, as defined in section 1-200 of the general  
114 statutes; and (12) ensuring that each state agency that utilizes an  
115 automated system (A) examines the automated system, at least once

116 every two years, to ensure compliance with such automated systems  
117 procedures, (B) supersedes, disengages and deactivates any  
118 application of the automated system that demonstrates performance  
119 that is, or outcomes that are, inconsistent with such automated systems  
120 procedures or any other provision of this section, (C) is appropriately  
121 transparent in disclosing any information that is relevant to such state  
122 agency's use of the automated system, (D) implements safeguards to  
123 ensure that the automated system is properly applied, utilized and  
124 functioning, and (E) provides appropriate training to all personnel  
125 responsible for developing, procuring or utilizing the automated  
126 system.

127 (e) No state agency shall develop, procure or utilize any automated  
128 system on or after January 1, 2024, unless such automated system  
129 satisfies the requirements established in the automated systems  
130 procedures.

131 (f) Not later than November 1, 2023, and every two years thereafter,  
132 the Artificial Intelligence Officer shall submit a preliminary draft of the  
133 automated systems procedures to the Connecticut Artificial  
134 Intelligence Advisory Board. The Connecticut Artificial Intelligence  
135 Advisory Board shall hold a public hearing on such draft automated  
136 systems procedures, and submit any suggested revisions to the  
137 Artificial Intelligence Officer, not later than thirty days after said board  
138 receives such draft automated systems procedures.

139 (g) After the public hearing held pursuant to subsection (f) of this  
140 section and, if applicable, receiving any recommended revisions from  
141 the Connecticut Artificial Intelligence Advisory Board, the Artificial  
142 Intelligence Officer shall finalize the automated systems procedures  
143 and submit such final automated systems procedures to said board.  
144 The Artificial Intelligence Officer shall send a copy of the final  
145 automated systems procedures to all state agency data officers, and the  
146 Office of Policy and Management shall post such final automated  
147 systems procedures on said office's Internet web site.

148 (h) Not later than December 31, 2024, and every two years  
149 thereafter, each state agency shall: (1) Conduct an inventory of the  
150 automated systems that are in use by such state agency, which  
151 inventory shall be in a form prescribed by the Artificial Intelligence  
152 Officer; and (2) submit such inventory to said officer and the  
153 Connecticut Artificial Intelligence Advisory Board. The Office of Policy  
154 and Management shall make each such inventory available to the  
155 public on said office's Internet web site.

156 (i) The Artificial Intelligence Officer shall be subject to the Freedom  
157 of Information Act, as defined in section 1-200 of the general statutes.

158 (j) No provision of this section shall be construed to: (1) Require  
159 disclosure of any trade secret; (2) abrogate any work product  
160 protection; or (3) restrict the Artificial Intelligence Officer's or any state  
161 agency's ability to (A) conduct any internal research to develop,  
162 improve or repair any product, service or technology, (B) prevent,  
163 detect, protect against or respond to, or investigate, report or prosecute  
164 any person responsible for, any security incident, identity theft, fraud,  
165 harassment, malicious or deceptive activity or illegal activity, or (C)  
166 preserve the integrity or security of any system.

167 Sec. 2. (NEW) (*Effective July 1, 2023*) (a) As used in this section:

168 (1) "Automated system" has the same meaning as provided in  
169 section 1 of this act;

170 (2) "State agency" has the same meaning as provided in section 1 of  
171 this act; and

172 (3) "Trade secret" has the same meaning as provided in section 35-51  
173 of the general statutes.

174 (b) There is established the Connecticut Artificial Intelligence  
175 Advisory Board, which shall be part of the Legislative Department.

176 (c) The board shall consist of the following members: (1) Two

177 appointed by the speaker of the House of Representatives; (2) two  
178 appointed by the president pro tempore of the Senate; (3) two  
179 appointed by the minority leader of the House of Representatives; (4)  
180 two appointed by the minority leader of the Senate; (5) the House  
181 chairperson of the joint standing committee of the General Assembly  
182 having cognizance of matters relating to consumer protection, or one  
183 appointed by such chairperson; and (6) the Senate chairperson of the  
184 joint standing committee of the General Assembly having cognizance  
185 of matters relating to consumer protection, or one appointed by such  
186 chairperson. All appointed members shall have professional  
187 experience or academic qualifications in matters pertaining to  
188 automated systems, artificial intelligence, artificial intelligence  
189 governance and accountability or other related fields. Additional  
190 nonvoting ex-officio members shall include the following officials, or  
191 their designees: The Commissioner of Administrative Services, the  
192 Chief Data Officer, the executive director of the Freedom of  
193 Information Commission, the executive director of the Commission on  
194 Women, Children, Seniors, Equity and Opportunity, the Attorney  
195 General, the Chief Court Administrator, the Treasurer and the  
196 Comptroller. The speaker of the House of Representatives and the  
197 president pro tempore of the Senate shall each select a co-chair of the  
198 board from among the members of the board.

199 (d) All initial appointments to the board shall be made not later than  
200 September 1, 2023. The terms of the appointed members shall be  
201 coterminous with the terms of the appointing authority for each  
202 member. Any vacancy shall be filled by the appointing authority. Any  
203 vacancy occurring other than by expiration of a term shall be filled for  
204 the balance of the unexpired term. A member of the board may serve  
205 more than one term. The co-chairs shall jointly schedule the first  
206 meeting of the board, which shall be held not later than October 1,  
207 2023.

208 (e) The administrative staff of the joint standing committee of the  
209 General Assembly having cognizance of matters relating to consumer

210 protection shall serve as administrative staff of the board.

211 (f) The board shall have the following powers and duties: (1) To  
212 advise state agencies concerning artificial intelligence and automated  
213 systems policy, including, but not limited to, best practices for the use  
214 of artificial intelligence and automated systems; (2) to perform the  
215 duties set forth in subsections (f) and (g) of section 1 of this act; (3) to  
216 issue reports and recommendations to the General Assembly in  
217 accordance with section 11-4a of the general statutes; (4) upon the  
218 request of at least two members of the board, to request that any state  
219 agency data officer or state agency head appear before the board to  
220 answer questions; (5) to request from any state agency such assistance  
221 and data as necessary and available to carry out the purposes of this  
222 section; (6) to make recommendations to the legislative leaders  
223 concerning artificial intelligence and automated systems policy; and (7)  
224 to establish bylaws to govern the board's procedures.

225 (g) The board shall meet at least twice a year and may meet at such  
226 other times as deemed necessary by the co-chairs of the board jointly  
227 or by a majority of the members of the board.

228 (h) The board shall be subject to the Freedom of Information Act, as  
229 defined in section 1-200 of the general statutes.

230 (i) No provision of this section shall be construed to: (1) Require  
231 disclosure of any trade secret; (2) abrogate any work product  
232 protection; or (3) restrict the board's or any state agency's ability to (A)  
233 conduct any internal research to develop, improve or repair any  
234 product, service or technology, (B) prevent, detect, protect against or  
235 respond to, or investigate, report or prosecute any person responsible  
236 for, any security incident, identity theft, fraud, harassment, malicious  
237 or deceptive activity or illegal activity, or (C) preserve the integrity or  
238 security of any system.

239 Sec. 3. (NEW) (*Effective July 1, 2023*) (a) As used in this section:

240 (1) "Artificial Intelligence Implementation Officer" means the

241 employee designated pursuant to subsection (b) of this section;

242 (2) "Automated system" has the same meaning as provided in  
243 section 1 of this act;

244 (3) "Automated systems procedures" has the same meaning as  
245 provided in section 1 of this act;

246 (4) "State agency" has the same meaning as provided in section 1 of  
247 this act; and

248 (5) "Trade secret" has the same meaning as provided in section 35-51  
249 of the general statutes.

250 (b) Not later than October 1, 2023, the Commissioner of  
251 Administrative Services shall designate an employee of the  
252 Department of Administrative Services to serve as the Artificial  
253 Intelligence Implementation Officer. Such employee shall have: (1)  
254 Extensive knowledge concerning automated systems and artificial  
255 intelligence analysis, governance, principles, practices, technology,  
256 terminology and trends; and (2) experience in administration,  
257 planning, policy development, project management and service  
258 coordination.

259 (c) The Artificial Intelligence Implementation Officer shall be  
260 responsible for performing said officer's duties under this section and  
261 section 4 of this act. The Commissioner of Administrative Services may  
262 contract with a third party, if the commissioner deems it necessary, to  
263 assist the Artificial Intelligence Implementation Officer in performing  
264 said officer's duties under this section and section 4 of this act.

265 (d) Any state agency that intends to develop, procure or utilize any  
266 automated system on or after January 1, 2024, shall provide to the  
267 Artificial Intelligence Implementation Officer, in a form and manner  
268 prescribed by said officer, at least sixty days' advance written notice  
269 disclosing that such state agency intends to develop, procure or utilize  
270 such automated system.

271 (e) Not later than ninety days after the Artificial Intelligence  
272 Implementation Officer receives any notice submitted pursuant to  
273 subsection (d) of this section, said officer may review such notice, and  
274 any available documentation concerning the operation of the  
275 automated system that is the subject of such notice and any related  
276 safeguards, to determine whether developing, procuring or utilizing  
277 such automated system would satisfy the requirements established in  
278 the automated systems procedures. If the Artificial Intelligence  
279 Implementation Officer does not make any determination during such  
280 ninety-day period, the state agency that submitted such notice may  
281 develop, procure or utilize such automated system.

282 (f) On and after July 1, 2025, the Artificial Intelligence  
283 Implementation Officer:

284 (1) May, in said officer's discretion, periodically reevaluate any  
285 automated system that is developed, procured or utilized by any state  
286 agency to ensure that such automated system satisfies the  
287 requirements established in the automated systems procedures;

288 (2) Shall, at least biennially, reevaluate any automated system that is  
289 developed, procured or utilized by any state agency if said officer, in  
290 said officer's discretion, determines that such automated system poses  
291 any significant risk; and

292 (3) May take any action not set forth in subdivision (1) or (2) of this  
293 subsection that said officer, in said officer's discretion, may deem  
294 appropriate to carry out the purposes of this subsection.

295 (g) If the Artificial Intelligence Implementation Officer determines  
296 that any automated system that is developed, procured or utilized by  
297 any state agency does not satisfy the requirements established in the  
298 automated systems procedures, said officer shall direct such state  
299 agency to immediately cease development, procurement or utilization  
300 of such automated system.

301 (h) The Artificial Intelligence Implementation Officer shall be

302 subject to the Freedom of Information Act, as defined in section 1-200  
303 of the general statutes.

304 (i) No provision of this section shall be construed to: (1) Require  
305 disclosure of any trade secret; (2) abrogate any work product  
306 protection; or (3) restrict the Artificial Intelligence Implementation  
307 Officer's or any state agency's ability to (A) conduct any internal  
308 research to develop, improve or repair any product, service or  
309 technology, (B) prevent, detect, protect against or respond to, or  
310 investigate, report or prosecute any person responsible for, any  
311 security incident, identity theft, fraud, harassment, malicious or  
312 deceptive activity or illegal activity, or (C) preserve the integrity or  
313 security of any system.

314 Sec. 4. (*Effective July 1, 2023*) (a) As used in this section:

315 (1) "Artificial Intelligence Implementation Officer" has the same  
316 meaning as provided in section 3 of this act;

317 (2) "Automated decision support system" has the same meaning as  
318 provided in section 1 of this act;

319 (3) "Automated final decision system" has the same meaning as  
320 provided in section 1 of this act;

321 (4) "Automated system" has the same meaning as provided in  
322 section 1 of this act;

323 (5) "Critical decision" has the same meaning as provided in section 1  
324 of this act;

325 (6) "State agency" has the same meaning as provided in section 1 of  
326 this act; and

327 (7) "Trade secret" has the same meaning as provided in section 35-51  
328 of the general statutes.

329 (b) Not later than December 31, 2023, the Artificial Intelligence

330 Implementation Officer shall inventory all automated systems that are  
331 in use by state agencies for critical decisions. Such inventory shall  
332 include the following information for each such automated system:

333 (1) The name of such automated system and the vendor, if any, that  
334 provided such automated system; and

335 (2) A description of the general capabilities of such automated  
336 system, including, but not limited to:

337 (A) Any reasonably foreseeable capability of such automated system  
338 that is outside of any state agency's intended use of such automated  
339 system;

340 (B) Whether such automated system was used, or may be used, to  
341 independently make, inform or materially support a conclusion,  
342 decision or judgment and the resulting impact on residents of this  
343 state;

344 (C) Each type of data input that was used by such automated  
345 system, how such inputted data was collected, generated or processed  
346 and the type or types of data such automated system generated or is  
347 reasonably likely to generate;

348 (D) Whether such automated system (i) discriminated against any  
349 individual or group of individuals in violation of state or federal law,  
350 or (ii) disproportionately and unlawfully impacted any individual or  
351 group of individuals on the basis of any actual or perceived  
352 differentiating characteristic, including, but not limited to, age, genetic  
353 information, color, ethnicity, race, creed, religion, national origin,  
354 ancestry, sex, gender identity or expression, sexual orientation, marital  
355 status, familial status, pregnancy, veteran status, disability or lawful  
356 source of income;

357 (E) A description of the purpose and intended use of such  
358 automated system, including, but not limited to, (i) which decision or  
359 decisions such automated system was used to make, inform or

360 materially support, (ii) whether such automated system is an  
361 automated final decision system or automated decision support  
362 system, and (iii) the benefit or benefits such automated system was  
363 purported to confer and any data or research necessary to determine  
364 whether such automated system conferred such purported benefit or  
365 benefits; and

366 (F) How the data used or generated by such automated system was  
367 processed and stored, whether the state agency or agencies that  
368 developed, procured or utilized such automated system intend to  
369 share access to such automated system or data with any other person,  
370 the name of such person and why such state agency or agencies intend  
371 to share such access or data with such person.

372 (c) The Artificial Intelligence Implementation Officer shall, as part of  
373 the inventory performed pursuant to subsection (b) of this section,  
374 determine whether any automated system included in such inventory:

375 (1) Infringed any legal right of any resident of this state; and

376 (2) Was publicly disclosed under the Freedom of Information Act, as  
377 defined in section 1-200 of the general statutes, in an appropriately  
378 transparent manner.

379 (d) No provision of this section shall be construed to: (1) Require  
380 disclosure of any trade secret; (2) abrogate any work product  
381 protection; or (3) restrict the Artificial Intelligence Implementation  
382 Officer's or any state agency's ability to (A) conduct any internal  
383 research to develop, improve or repair any product, service or  
384 technology, (B) prevent, detect, protect against or respond to, or  
385 investigate, report or prosecute any person responsible for, any  
386 security incident, identity theft, fraud, harassment, malicious or  
387 deceptive activity or illegal activity, or (C) preserve the integrity or  
388 security of any system.

389 (e) Not later than December 31, 2024, the Artificial Intelligence  
390 Implementation Officer shall prepare and submit a report, in

391 accordance with section 11-4a of the general statutes, to the joint  
392 standing committee of the General Assembly having cognizance of  
393 matters relating to consumer protection. Such report shall contain the  
394 inventory prepared pursuant to subsection (b) of this section.

395 Sec. 5. (NEW) (*Effective July 1, 2023*) Notwithstanding any provision  
396 of the general statutes, no state contracting agency shall enter into any  
397 contract with a business on or after July 1, 2023, unless such contract  
398 contains a provision requiring the business to comply with all  
399 applicable provisions of sections 42-515 to 42-525, inclusive, of the  
400 general statutes. For the purposes of this section, "business", "contract"  
401 and "state contracting agency" have the same meanings as provided in  
402 section 4e-1 of the general statutes.

403 Sec. 6. Subsection (a) of section 42-517 of the general statutes is  
404 repealed and the following is substituted in lieu thereof (*Effective July*  
405 *1, 2023*):

406 (a) The provisions of sections 42-515 to 42-525, inclusive, do not  
407 apply to any: (1) Body, authority, board, bureau, commission, district  
408 or agency of this state or of any political subdivision of this state; (2)  
409 nonprofit organization; (3) institution of higher education; (4) national  
410 securities association that is registered under 15 USC 78o-3 of the  
411 Securities Exchange Act of 1934, as amended from time to time; (5)  
412 financial institution or data subject to Title V of the Gramm-Leach-  
413 Bliley Act, 15 USC 6801 et seq.; [or] (6) covered entity or business  
414 associate, as defined in 45 CFR 160.103; or (7) air carrier, as defined in  
415 49 USC 40102, as amended from time to time, and regulated under the  
416 Federal Aviation Act of 1958, 49 USC 40101 et seq., and the Airline  
417 Deregulation Act, 49 USC 41713, as said acts may be amended from  
418 time to time.

419 Sec. 7. Subsection (a) of section 42-520 of the general statutes is  
420 repealed and the following is substituted in lieu thereof (*Effective July*  
421 *1, 2023*):

422 (a) A controller shall: (1) Limit the collection of personal data to  
423 what is adequate, relevant and reasonably necessary in relation to the  
424 purposes for which such data is processed, as disclosed to the  
425 consumer; (2) except as otherwise provided in sections 42-515 to 42-  
426 525, inclusive, not process personal data for purposes that are neither  
427 reasonably necessary to, nor compatible with, the disclosed purposes  
428 for which such personal data is processed, as disclosed to the  
429 consumer, unless the controller obtains the consumer's consent; (3)  
430 establish, implement and maintain reasonable administrative, technical  
431 and physical data security practices to protect the confidentiality,  
432 integrity and accessibility of personal data appropriate to the volume  
433 and nature of the personal data at issue; (4) not process sensitive data  
434 concerning a consumer without obtaining the consumer's consent, or,  
435 in the case of the processing of sensitive data concerning a known  
436 child, without processing such data in accordance with COPPA; (5) not  
437 process personal data in violation of the laws of this state and federal  
438 laws that prohibit unlawful discrimination against consumers; (6)  
439 provide an effective mechanism for a consumer to revoke the  
440 consumer's consent under this section that is at least as easy as the  
441 mechanism by which the consumer provided the consumer's consent  
442 and, upon revocation of such consent, cease to process the data as soon  
443 as practicable, but not later than fifteen days after the receipt of such  
444 request; and (7) not process the personal data of a consumer for  
445 purposes of targeted advertising, or sell the consumer's personal data  
446 without the consumer's consent, under circumstances where a  
447 controller has actual knowledge, [and] or wilfully disregards, that the  
448 consumer is at least thirteen years of age but younger than sixteen  
449 years of age. A controller shall not discriminate against a consumer for  
450 exercising any of the consumer rights contained in sections 42-515 to  
451 42-525, inclusive, including denying goods or services, charging  
452 different prices or rates for goods or services or providing a different  
453 level of quality of goods or services to the consumer.

454 Sec. 8. (*Effective from passage*) (a) There is established a task force to  
455 study artificial intelligence. The task force shall (1) develop, and make

456 recommendations concerning adoption of, an artificial intelligence bill  
457 of rights based on the "Blueprint for an AI Bill of Rights" published by  
458 the White House Office of Science and Technology Policy, and (2)  
459 study the feasibility of establishing, and make recommendations  
460 concerning the establishment of, a department of artificial intelligence  
461 enablement to assist state agencies and municipalities with ethically  
462 implementing artificial intelligence technologies.

463 (b) The task force shall consist of the following members:

464 (1) Two appointed by the speaker of the House of Representatives;

465 (2) Two appointed by the president pro tempore of the Senate;

466 (3) One appointed by the majority leader of the House of  
467 Representatives;

468 (4) One appointed by the majority leader of the Senate;

469 (5) One appointed by the minority leader of the House of  
470 Representatives;

471 (6) One appointed by the minority leader of the Senate;

472 (7) The Commissioner of Administrative Services, or the  
473 commissioner's designee; and

474 (8) Two appointed by the Governor.

475 (c) Any member of the task force appointed under subdivision (1),  
476 (2), (3), (4), (5) or (6) of subsection (b) of this section may be a member  
477 of the General Assembly.

478 (d) All initial appointments to the task force shall be made not later  
479 than thirty days after the effective date of this section. Any vacancy  
480 shall be filled by the appointing authority.

481 (e) The speaker of the House of Representatives and the president

482 pro tempore of the Senate shall select the chairpersons of the task force  
 483 from among the members of the task force. Such chairpersons shall  
 484 schedule the first meeting of the task force, which shall be held not  
 485 later than sixty days after the effective date of this section.

486 (f) The administrative staff of the joint standing committee of the  
 487 General Assembly having cognizance of matters relating to consumer  
 488 protection shall serve as administrative staff of the task force.

489 (g) Not later than January 1, 2024, the task force shall submit a  
 490 report on its findings and recommendations to the joint standing  
 491 committee of the General Assembly having cognizance of matters  
 492 relating to consumer protection, in accordance with the provisions of  
 493 section 11-4a of the general statutes. The task force shall terminate on  
 494 the date that it submits such report or January 1, 2024, whichever is  
 495 later.

This act shall take effect as follows and shall amend the following sections:		
Section 1	<i>July 1, 2023</i>	New section
Sec. 2	<i>July 1, 2023</i>	New section
Sec. 3	<i>July 1, 2023</i>	New section
Sec. 4	<i>July 1, 2023</i>	New section
Sec. 5	<i>July 1, 2023</i>	New section
Sec. 6	<i>July 1, 2023</i>	42-517(a)
Sec. 7	<i>July 1, 2023</i>	42-520(a)
Sec. 8	<i>from passage</i>	New section

**Statement of Legislative Commissioners:**

In Section 1(c), "said secretary" was substituted for "the commissioner" for accuracy; in Section 1(d)(3), "disproportionately and unlawfully" was substituted for "unlawfully and disproportionately" for internal consistency; Section 1(d)(10) was redrafted for clarity; in Section 2(f)(3), "to the General Assembly" was added after "recommendations" for clarity; in Section 2(f)(4), "that" was added after "request" for clarity; in Section 2(g), "jointly" was moved from after "as" to after "board" for clarity; and in Section 8(a)(2), "to ethically implement" was changed to "with ethically implementing" for clarity.
