LCO No.: 9991

File Copy No.: 758

House Calendar No.: 407

OFA Fiscal Note

See Fiscal Note Details

The amendment alters sentences for motor vehicle theft and results in a potential cost for incarceration to the extent that offenses occur. On average, the marginal cost to the state for incarcerating an offender for the year is \$2,500¹.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

¹ Inmate marginal cost is based on increased consumables (e.g. food, clothing, water, sewage, living supplies, etc.) This does not include a change in staffing costs or utility expenses because these would only be realized if a unit or facility opened.
