OFA Fiscal Note

See Fiscal Note Details

The amendment removes Section 2 and the \$15 million impact associated with the appropriation from that section.

Any remaining fiscal impact would be subject to availability of funds appropriated for the expanded program. The fiscal impact of any legislation appropriating funds for such a purpose would be noted in the fiscal note relevant to the other legislation.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
