AMENDMENT

LCO No.: 8441

OFA Fiscal Note

No Fiscal Impact

The amendment replaces provisions in Section 1 of the underlying bill with similar provisions that have no fiscal impact to the state or municipalities since there are no fines for violations of the requirements for privately-operated hotels, motels or other lodgings.

It also removes Section 2 which also has no fiscal impact since there were no fines for violations of that section.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
