Issue

This report provides a town-by-town list of all state agencies' group homes located in single-family residences, the types of clients they serve, and their capacity and current status. It updates OLR Report [2021-R-0208](#).

Summary

The departments of Developmental Services (DDS), Mental Health and Addiction Services (DMHAS), and Children and Families (DCF), and the Judicial Branch's Court Support Services Division (CSSD) operate or fund 909 group residences in single-family homes and condominiums, or facilities resembling group homes in single-family residences. These homes' total capacity is 4,126 (3,896 beds are for DDS clients).

DDS has the largest number of residences and in the most places—870 in 165 towns. DCF has 28 residences in 23 towns, DMHAS has 12 residences in 10 towns, and CSSD has one residence in one town (Wethersfield). Tables 1 to 3 list these agencies' group homes.

Department of Developmental Services

DDS is the state's largest purchaser of group homes services. It licenses 870 single-family group homes, which are almost filled to capacity. Of the 3,896 beds licensed, 3,508 were filled as of October 26, 2023. The department noted that some homes do not currently have residents because they are under renovation, intending to close, or have inadequate staffing levels to operate them. Table 1 lists the DDS-licensed group homes.

Department of Mental Health and Addiction Services

DMHAS funds 10 Mental Health Residential Living Centers for adults with behavioral health disorders. Most of these facilities are similar in size to group homes in Connecticut and are located in single-family residences. Of the 94 available licensed beds, all are filled as of November 22, 2023. Table 2 lists these DMHAS-funded facilities.

Department of Children and Families

DCF funds 28 group homes in 23 towns for adolescents under their care. Of these residences, 20 are Therapeutic Group Homes that provide therapeutic services to adolescents (typically ages 13 to 18) with significant behavioral health or developmental issues. The remaining eight facilities are Short Term Assessment and Respite (STAR) homes that provide temporary clinical and nursing services to adolescents ages 11 to 18 who are removed from their homes due to abuse, neglect, or other high-risk situations.

Of the 130 available licensed beds, 86 were filled as of October 11, 2023. Table 3 lists these DCF-funded facilities. (The department was unable to provide facility addresses due to its privacy and confidentiality policies.)

Court Support Services Division

According to CSSD, it currently operates one residential program in a single-family residence on 623 Highland Street in Wethersfield. This program, called “Transitional Living Program,” just opened and provides detention diversion and stabilization services juveniles males ages 18 and under. The program has six beds, and the first youth is expected to enter the program in the near future. CSSD does not currently operate adult group homes.
