SPONSORS OF BILL:

Human Services Committee

REASONS FOR BILL:

Conducting a study allows for a better understanding and a clear objective of what needs to be changed or reinforced. This applies to the Medicaid program. This bill seeks to study the efficacy of Medicaid programs and whether the state can expand health care services to low-income individuals through additional Medicaid waiver programs. The Commissioner of Social Services shall submit a report to the Human Services Committee that consists of but is not limited to a list of Medicaid waiver programs in the state, the number of individuals served on waiting lists for each waiver program, and recommendations concerning additional waiver programs the state should consider.
