## CORRECTION

To Fiscal Note on LCO No. 4977  
sHB-5437, File No. 592

AN ACT CONCERNING EDUCATION MANDATE RELIEF.

---

The amendment fiscal note indicated that Section 3 resulted in a potential cost to local and regional school districts by expanding the types of training that districts must make available to educators and may make available to paraeducators.

This is not correct. Section 3 makes conforming changes regarding existing trainings for educators and paraeducators. It does not establish any new training requirements so there is no fiscal impact anticipated for this section.
