## **OFA Fiscal Note**

### **No Fiscal Impact**

The amendment makes a change to the days of notice a landlord must provide before a proposed rent increase can take effect, which has no fiscal impact because the state is not a direct residential landlord.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
