---

SB-297

AN ACT CONCERNING CONSUMER PROTECTION FOR  
CUSTOMERS OF SOLAR POWER COMPANIES.

AMENDMENT

LCO No.: 5037

File Copy No.: 356

Senate Calendar No.: 230

---

## ***OFA Fiscal Note***

### ***See Fiscal Note Details***

The amendment allows municipalities with three or more existing solar farms to establish a moratorium on construction or installation of any new solar farm. Any impact is dependent on if a municipality meets the criteria and establishes the moratorium.

If a municipality establishes a moratorium to prevent construction or installation of a solar farm it may result in revenue loss associated with fewer building permits and a grand list impact that is dependent on how the property would have been taxed after construction of a solar farm.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
