OFA Fiscal Note

See Fiscal Note Details

The amendment does not alter the fiscal impact stated for the underlying bill because the Department of Social Services is still anticipated to incur costs associated with applying for a federal planning grant for a Medicaid demonstration program supporting certified community behavioral health clinics throughout the state.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
