OFA Fiscal Note

Eliminates Cost In Bill

The amendment eliminates the cost in the underlying bill by removing the bill's redaction requirements for body-worn and dashboard cameras. The amendment also decreases but does not eliminate the potential revenue gain to the state and municipalities in the underlying bill by (1) removing such redaction requirements and (2) adding a fee waiver for certain requestors. Finally, the amendment adds a Freedom of Information Act disclosure exemption, resulting in no fiscal impact to the state or municipalities.
