Cal. No. 196

(As Amended)

"AN ACT CONCERNING THE HEALTH AND SAFETY OF CONNECTICUT RESIDENTS."

1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. (NEW) (*Effective October 1, 2024*) (a) Each home health care
4 agency and home health aide agency, as such terms are defined in

5 section 19a-490 of the general statutes, except any such agency that is
6 licensed as a hospice organization by the Department of Public Health
7 pursuant to section 19a-122b of the general statutes, shall, during intake
8 of a prospective client who will be receiving services from the agency,
9 collect and provide to any employee assigned to provide services to
10 such client, to the extent feasible and consistent with state and federal
11 laws, information regarding: (1) The client, including, if applicable, (A)
12 the client's history of violence toward health care workers; (B) the
13 client's history of substance use; (C) the client's history of domestic
14 abuse; (D) a list of the client's diagnoses, including, but not limited to,
15 psychiatric history; (E) whether the client's diagnoses or symptoms
16 thereof have remained stable over time; and (F) any information
17 concerning violent acts involving the client that is contained in judicial
18 records or any sex offender registry information concerning the client;
19 and (2) the location where the employee will provide services,
20 including, if known to the agency, the (A) crime rate for the municipality
21 in which the employee will provide services, as determined by the most
22 recent annual report concerning crime in the state issued by the
23 Department of Emergency Services and Public Protection pursuant to
24 section 29-1c of the general statutes, (B) presence of any hazardous
25 materials at the location, including, but not limited to, used syringes, (C)
26 presence of firearms or other weapons at the location, (D) status of the
27 location's fire alarm system, and (E) presence of any other safety hazards
28 at the locations.

29 (b) To facilitate compliance with subparagraph (A) of subdivision (2)
30 of subsection (a) of this section, each such agency shall annually review
31 the annual report issued by the department pursuant to section 29-1c of
32 the general statutes to collect crime-related data regarding the locations
33 in the state where such agency's employees provide services.

34 (c) Notwithstanding any provision of subsection (a) or (b) of this
35 section, no such agency shall deny the provision of services to a client
36 solely based on (1) the inability or refusal of the client to provide the
37 information described in subsection (a) of this section, or (2) the
38 information collected from the client pursuant to subsection (a) of this

39 section.

40 Sec. 2. (NEW) (*Effective October 1, 2024*) (a) Each home health care
41 agency, home health aide agency, residential care home or residential
42 facility for a person with intellectual disability, as such terms are defined
43 in section 19a-490 of the general statutes, except any such agency that is
44 licensed as a hospice organization by the Department of Public Health
45 pursuant to section 19a-122b of the general statutes, shall (1) (A) adopt
46 and implement a health and safety training curriculum for home care
47 workers that is consistent with the health and safety training curriculum
48 for such workers that is endorsed by the Centers for Disease Control and
49 Prevention's National Institute for Occupational Safety and Health and
50 the Occupational Safety and Health Administration, including, but not
51 limited to, training to recognize hazards commonly encountered in
52 home care workplaces and applying practical solutions to manage risks
53 and improve safety, and (B) provide annual staff training consistent
54 with such health and safety curriculum; and (2) conduct monthly safety
55 assessments with each staff member at the agency's, home's or facility's
56 monthly staff meeting.

57 (b) The Commissioner of Social Services shall require any agency,
58 home or facility listed in subsection (a) of this section that receives
59 reimbursement for services rendered under the Connecticut medical
60 assistance program, as defined in section 17b-245g of the general
61 statutes, to provide evidence of adoption and implementation of such
62 health and safety training curriculum pursuant to subdivision (1) of
63 subsection (a) of this section, or, at the commissioner's discretion, an
64 alternative workplace safety training program applicable to such
65 agency, home or facility, in order to obtain reimbursement for services
66 provided under the medical assistance program.

67 (c) The commissioner may provide a rate enhancement under the
68 Connecticut medical assistance program for any agency, home or
69 facility listed in subsection (a) of this section for timely reporting of any
70 workplace violence incident. For purposes of this section, "timely
71 reporting" means reporting such incident not later than seven calendar

72 days after its occurrence to the Department of Social Services and the
73 Department of Public Health.

74 Sec. 3. (NEW) (*Effective October 1, 2024*) (a) Not later than January 1,
75 2025, and annually thereafter, each home health care agency and home
76 health aide agency, as such terms are defined in section 19a-490 of the
77 general statutes, except any such agency that is licensed as a hospice
78 organization by the Department of Public Health pursuant to section
79 19a-122b of the general statutes, shall report, in a form and manner
80 prescribed by the Commissioner of Public Health, each instance of
81 verbal abuse that is perceived as a threat or danger by a staff member of
82 such agency, physical abuse, sexual abuse or any other abuse by an
83 agency client against a staff member of such agency and the actions
84 taken by the agency to ensure the safety of the staff member.

85 (b) Not later than March 1, 2025, and annually thereafter, the
86 commissioner shall report, in accordance with the provisions of section
87 11-4a of the general statutes, to the joint standing committee of the
88 General Assembly having cognizance of matters relating to public
89 health regarding the number of reports received pursuant to subsection
90 (a) of this section and the actions taken to ensure the safety of the staff
91 member about whom the report was made.

92 Sec. 4. (*Effective from passage*) (a) Not later than January 1, 2025, the
93 Commissioner of Social Services shall establish a home health worker
94 safety grant program. The program shall, on or before January 1, 2027,
95 provide incentive grants for home health care agencies and home health
96 aide agencies, as such terms are defined in section 19a-490 of the general
97 statutes, to provide (1) escorts for safety purposes to staff members
98 conducting a home visit, and (2) a mechanism for staff to perform safety
99 checks, which may include, but need not be limited to, (A) a mobile
100 application that allows staff to access safety information relating to a
101 client, including information collected pursuant to section 1 of this act,
102 and a method of communicating with local police or other staff in the
103 event of a safety emergency, and (B) a global positioning system-
104 enabled, wearable device that allows staff to contact local police by

105 pressing a button or through another mechanism. The Commissioner of
106 Social Services shall establish eligibility requirements, priority
107 categories, funding limitations and the application process for the grant
108 program.

109 (b) Not later than January 1, 2026, and annually thereafter until
110 January 1, 2027, the commissioner shall report, in accordance with the
111 provisions of section 11-4a of the general statutes, to the joint standing
112 committee of the General Assembly having cognizance of matters
113 relating to public health regarding the number of home health care
114 agencies and home health aide agencies that applied for and received
115 an incentive grant from the grant program established under subsection
116 (a) of this section, the use of incentive grant funds by such recipients and
117 any other information deemed pertinent by the commissioner.

118 Sec. 5. (NEW) (*Effective October 1, 2024*) (a) Any hospital, chronic
119 disease hospital, nursing home, behavioral health facility, multicare
120 institution or psychiatric residential treatment facility, as such terms are
121 defined in section 19a-490 of the general statutes, that receives
122 reimbursement for services rendered under the medical assistance
123 program, shall adopt and implement workplace violence prevention
124 standards that are consistent with the workplace violence prevention
125 standards that apply to all Joint Commission-accredited hospitals and
126 critical access hospitals.

127 (b) The Commissioner of Social Services shall require any institution
128 listed in subsection (a) of this section to provide evidence of adoption
129 and implementation of such workplace violence prevention standards
130 in order to obtain reimbursement for services provided under the
131 medical assistance program.

132 (c) The commissioner may provide a rate enhancement under the
133 medical assistance program for institutions listed in subsection (a) of
134 this section for timely reporting of any workplace violence incident. For
135 purposes of this section, "timely reporting" means reporting such
136 incident not later than seven calendar days after its occurrence to the

137 Department of Social Services and the Department of Public Health.

138 Sec. 6. (*Effective from passage*) (a) The chairpersons of the joint standing
139 committee of the General Assembly having cognizance of matters
140 relating to public health shall convene a working group to study staff
141 safety issues affecting (1) home health care and home health aide
142 agencies, as such terms are defined in section 19a-490 of the general
143 statutes, and (2) hospice organizations licensed by the Department of
144 Public Health pursuant to section 19a-122b of the general statutes.

145 (b) The working group shall include, but need not be limited to, the
146 following members:

147 (1) Three employees of one or more home health care or home health
148 aide agencies, at least one of whom shall be a direct care worker;

149 (2) Three employees of one or more hospice care organizations, at
150 least one of whom shall be a direct care worker;

151 (3) Two representatives of a home health care or home health aide
152 agency;

153 (4) One representative of a collective bargaining unit representing
154 home health care or home health aide agency employees;

155 (5) One representative of a collective bargaining unit representing
156 hospice care organizations or hospice care employees;

157 (6) One representative of a mobile crisis response services provider;

158 (7) One representative of an assertive community treatment team;

159 (8) One representative of a police department;

160 (9) One representative of an association of hospitals in the state;

161 (10) One representative of an association of home health care and
162 home health aide agencies in the state;

-
- 163 (11) Two representatives of an association of nurses in the state;
 - 164 (12) One representative of the Division of State Police within the
165 Department of Emergency Services and Public Protection;
 - 166 (13) One representative of a municipal police department in the state;
 - 167 (14) One member of a labor union in the state;
 - 168 (15) The Commissioner of Mental Health and Addiction Services, or
169 the commissioner's designee;
 - 170 (16) The Commissioner of Correction, or the commissioner's
171 designee;
 - 172 (17) The Commissioner of Public Health, or the commissioner's
173 designee;
 - 174 (18) The Commissioner of Social Services, or the commissioner's
175 designee;
 - 176 (19) One member or employee of the Board of Pardons and Paroles;
177 and
 - 178 (20) One member of the judiciary.
- 179 (c) The chairpersons of the joint standing committee of the General
180 Assembly having cognizance of matters relating to public health shall
181 schedule the first meeting of the working group, which shall be held not
182 later than sixty days after the effective date of this section.
- 183 (d) The members of the working group shall select two
184 cochairpersons from among the members of the working group.
- 185 (e) The administrative staff of the joint standing committee of the
186 General Assembly having cognizance of matters relating to public
187 health shall serve as administrative staff of the working group.
- 188 (f) Not later than January 1, 2025, the working group shall submit a

189 report on its findings and recommendations to the joint standing
190 committee of the General Assembly having cognizance of matters
191 relating to public health, in accordance with the provisions of section 11-
192 4a of the general statutes. The working group shall terminate on the date
193 that it submits such report or January 1, 2025, whichever is later.

194 Sec. 7. (NEW) (*Effective July 1, 2024*) (a) As used in this section:

195 (1) "Primary care provider" means a physician, advanced practice
196 registered nurse or physician assistant who provides primary care
197 services and is licensed by the Department of Public Health pursuant to
198 title 20 of the general statutes; and

199 (2) "Primary care" means the medical fields of family medicine,
200 general pediatrics, primary care, internal medicine, primary care
201 obstetrics or primary care gynecology, without regard to board
202 certification.

203 (b) On or before January 1, 2025, the Commissioner of Public Health,
204 in consultation with the Commission on Community Gun Violence
205 Intervention and Prevention, established pursuant to section 19a-112j of
206 the general statutes, and the Connecticut chapters of a national
207 professional association of physicians, a national professional
208 association of pediatricians, a national professional association of
209 advanced practice registered nurses and a national professional
210 association of physician assistants, provided such chapters and
211 associations agree to such consultation, shall develop or procure
212 educational material concerning gun safety practices to be provided by
213 primary care providers to patients during the patient's appointment
214 with such patient's primary care provider. On or before February 1,
215 2025, the Department of Public Health shall make the educational
216 material available to all primary care providers in the state, at no cost to
217 the provider, and make recommendations to such primary care
218 providers for the effective use of such educational material. Such
219 primary care providers shall provide such educational material to each
220 patient on an annual basis at the patient's appointment with the primary

221 care provider, or at each appointment if the patient visits the primary
222 care provider less frequently than annually.

223 Sec. 8. (*Effective from passage*) (a) The cochairpersons of the joint
224 standing committee of the General Assembly having cognizance of
225 matters relating to public health shall establish a working group to
226 study nonalcoholic fatty liver disease, including nonalcoholic fatty liver
227 and nonalcoholic steatohepatitis. Such study shall include, but need not
228 be limited to, an examination of the following:

229 (1) The incidences of such disease in the state compared to incidences
230 of such disease throughout the United States;

231 (2) The population groups most affected by and at risk of being
232 diagnosed with such disease and the main risk factors contributing to
233 its prevalence in such groups;

234 (3) Strategies for preventing such disease in high-risk populations
235 and how such strategies can be implemented state-wide;

236 (4) Methods of increasing public awareness of such disease,
237 including, but not limited to, public awareness campaigns educating the
238 public regarding liver health;

239 (5) Whether implementation of a state-wide screening program for
240 such disease in at-risk populations is recommended;

241 (6) Policy changes necessary to improve care and outcomes for
242 patients with such disease;

243 (7) Insurance coverage and affordability issues that affect access to
244 treatments for such disease;

245 (8) The creation of patient advocacy and support networks to assist
246 persons living with such disease; and

247 (9) The manner in which social determinants of health influence the
248 risk and outcomes of such disease and interventions needed to address

249 such determinants.

250 (b) The working group shall include, but need not be limited to, the
251 following members:

252 (1) A physician with expertise in hepatology and gastroenterology
253 representing an institution of higher education in the state;

254 (2) Three persons in the state living with nonalcoholic fatty liver
255 disease;

256 (3) A representative of a patient advocacy organization in the state;

257 (4) A social worker with experience working with communities in
258 underserved areas in the state and addressing social determinants of
259 health;

260 (5) An expert in health care policy in the state with experience in
261 advising on regulatory frameworks, health care access and insurance
262 issues;

263 (6) A nutritionist and dietician in the state with experience in
264 providing guidance on preventative measures and dietary interventions
265 related to nonalcoholic fatty liver disease;

266 (7) A community health worker who works directly with
267 underserved communities in the state in addressing social determinants
268 of health;

269 (8) A representative of a nonprofit organization in the state focused
270 on liver health; and

271 (9) The Commissioner of Public Health, or the commissioner's
272 designee.

273 (c) The cochairpersons of the joint standing committee of the General
274 Assembly having cognizance of matters relating to public health shall
275 convene the first meeting of the working group, which shall be held not
276 later than sixty days after the effective date of this section.

277 (d) The members of the working group shall select two
278 cochairpersons from among the members of the working group.

279 (e) The administrative staff of the joint standing committee of the
280 General Assembly having cognizance of matters relating to public
281 health shall serve as administrative staff of the working group.

282 (f) Not later than January 1, 2025, the working group shall submit a
283 report on its findings and recommendations to the joint standing
284 committee of the General Assembly having cognizance of matters
285 relating to public health, in accordance with the provisions of section 11-
286 4a of the general statutes. The working group shall terminate on the date
287 that it submits such report or January 1, 2025, whichever is later.

288 Sec. 9. (*Effective from passage*) (a) The cochairpersons of the joint
289 standing committee of the General Assembly having cognizance of
290 matters relating to public health shall convene a working group to study
291 health issues experienced by nail salon workers as a result of such
292 workers' exposure to health hazards in a nail salon. Such study shall
293 include, but need not be limited to, (1) an identification of health
294 hazards in a nail salon, (2) mechanisms to reduce nail salon workers'
295 exposure to such health hazards, (3) best practices for preventing nail
296 salon workers from acquiring health issues from exposure to health
297 hazards in a nail salon, and (4) assessing the strengths of policies
298 protecting nail salon workers' health that have been implemented in
299 other states.

300 (b) The working group shall include, but need not be limited to, the
301 following members:

302 (1) Three nail technicians, each employed by a different nail salon in
303 the state;

304 (2) Three owners or managers of three different nail salons in the
305 state;

306 (3) A health care professional licensed in the state with experience

307 treating patients experiencing symptoms of an illness attributable to
308 such patients' exposure to health hazards while working in a nail salon;

309 (4) A representative of a labor union in the state;

310 (5) An expert in occupational safety;

311 (6) An expert in environmental health;

312 (7) A director of a municipal health department in the state with more
313 than three nail salons in the department's jurisdiction; and

314 (8) The Commissioner of Public Health, or the commissioner's
315 designee.

316 (c) The cochairpersons of the joint standing committee of the General
317 Assembly having cognizance of matters relating to public health shall
318 convene the first meeting of the working group, which shall occur not
319 later than sixty days after the effective date of this section.

320 (d) The members of the working group shall select two
321 cochairpersons from among the members of the working group.

322 (e) The administrative staff of the joint standing committee of the
323 General Assembly having cognizance of matters relating to public
324 health shall serve as administrative staff of the working group.

325 (f) Not later than January 1, 2025, the working group shall submit a
326 report on its findings and recommendations to the joint standing
327 committee of the General Assembly having cognizance of matters
328 relating to public health, in accordance with the provisions of section 11-
329 4a of the general statutes. The working group shall terminate on the date
330 that it submits such report or January 1, 2025, whichever is later.

331 Sec. 10. (*Effective from passage*) The Commissioner of Consumer
332 Protection, in collaboration with The University of Connecticut School
333 of Pharmacy, shall study incidences of prescription drug shortages in
334 the state and whether the state has a role in alleviating such shortages.

335 Not later than January 1, 2025, the commissioner shall report, in
336 accordance with the provisions of section 11-4a of the general statutes,
337 to the joint standing committees of the General Assembly having
338 cognizance of matters relating to consumer protection and public health
339 regarding such study and any recommendations for legislation that
340 would help alleviate or prevent such shortages.

341 Sec. 11. Section 19a-490ff of the 2024 supplement to the general
342 statutes is repealed and the following is substituted in lieu thereof
343 (*Effective from passage*):

344 (a) As used in this section, (1) "board eligible" means eligible to take
345 a qualifying examination administered by a medical specialty board
346 after having graduated from a medical school, completed a residency
347 program and trained under supervision in a specialty fellowship
348 program, (2) "board certified" means having passed the qualifying
349 examination administered by a medical specialty board to become
350 board certified in a particular specialty, and (3) "board recertification"
351 means recertification in a particular specialty after a predetermined time
352 period prescribed by a medical specialty board, including, but not
353 limited to, through participation in any required maintenance of
354 certification program, after having passed the qualifying examination
355 administered by the medical specialty board to become board certified
356 in a particular specialty.

357 (b) No hospital, or medical review committee of a hospital, shall
358 require, as part of its credentialing requirements (1) for a board eligible
359 physician to acquire privileges to practice in the hospital, that the
360 physician provide credentials of board certification in a particular
361 specialty until five years after the date on which the physician became
362 board eligible in such specialty, or (2) for a board certified physician to
363 acquire or retain privileges to practice in the hospital, that the physician
364 provide credentials of board recertification.

365 Sec. 12. (NEW) (*Effective January 1, 2025*) (a) For purposes of this
366 section:

367 (1) "Health care provider" has the same meaning as provided in
368 section 38a-477aa of the general statutes;

369 (2) "Maintenance of certification" means any process requiring
370 periodic recertification examinations or other professional development
371 activities to maintain specialty certification; and

372 (3) "Specialty certification" means any certification by a medical
373 board that specializes in one area of medicine and has requirements in
374 addition to licensing requirements in this state.

375 (b) No insurer, health care center, hospital service corporation,
376 medical service corporation, fraternal benefit society or other entity that
377 delivers, issues for delivery, renews, amends or continues an individual
378 or group health insurance policy providing coverage of the type
379 specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469 of
380 the general statutes in this state on or after January 1, 2025, shall deny
381 reimbursement to a health care provider or prevent any health care
382 provider from participating in any provider network based solely on
383 such health care provider's decision not to maintain a specialty
384 certification, including, but not limited to, through participation in any
385 maintenance of certification program, provided such health care
386 provider does not hold such health care provider out to be a specialist
387 under such specialty certification.

388 Sec. 13. (NEW) (*Effective January 1, 2025*) (a) For purposes of this
389 section:

390 (1) "Health care provider" has the same meaning as provided in
391 section 38a-477aa of the general statutes;

392 (2) "Maintenance of certification" means any process requiring
393 periodic recertification examinations or other professional development
394 activities to maintain specialty certification;

395 (3) "Professional liability insurance" has the same meaning as
396 provided in section 38a-393 of the general statutes; and

397 (4) "Specialty certification" means any certification by a medical
398 board that specializes in one area of medicine and has requirements in
399 addition to licensing requirements in this state.

400 (b) No insurance company that delivers, issues for delivery, renews,
401 amends or continues a professional liability insurance policy in this state
402 on or after January 1, 2025, shall (1) deny coverage of a health care
403 provider based solely on such health provider's decisions not to
404 maintain a specialty certification, including, but not limited to, through
405 participation in a maintenance of certification program, or (2) require
406 evidence of maintenance of such specialty certification as a prerequisite
407 for obtaining professional liability insurance or other indemnity against
408 liability for professional malpractice in accordance with section 20-11b
409 of the general statutes, provided such health care provider does not hold
410 such health care provider out to be a specialist under such specialty
411 certification.

412 Sec. 14. (NEW) (*Effective October 1, 2024*) (a) As used in this section:

413 (1) "Dispense" has the same meaning as provided in section 21a-240
414 of the general statutes;

415 (2) "Opioid drug" has the same meaning as provided in section 20-
416 14o of the general statutes;

417 (3) "Personal opioid drug deactivation and disposal system" means a
418 product that is designed for personal use and enables a patient to
419 permanently deactivate and destroy an opioid drug;

420 (4) "Pharmacist" has the same meaning as provided in section 21a-240
421 of the general statutes; and

422 (5) "Pharmacy" has the same meaning as provided in section 21a-240
423 of the general statutes.

424 (b) Each pharmacist who dispenses an opioid drug to a patient in this
425 state may provide to such patient, at the time such pharmacist dispenses
426 such drug to such patient, information concerning a personal opioid

427 drug deactivation and disposal system, including, but not limited to, the
428 Internet web site address for the Department of Public Health
429 containing such information pursuant to section 15 of this act. Nothing
430 in this section shall be construed to apply to a pharmacist who dispenses
431 an opioid drug for a patient while the patient is in a facility or health
432 care setting.

433 Sec. 15. (NEW) (*Effective from passage*) Not later than October 1, 2024,
434 the Commissioner of Public Health shall post on the Department of
435 Public Health's Internet web site information regarding personal opioid
436 drug deactivation and disposal systems. As used in this section,
437 "personal opioid drug deactivation and disposal system" means a
438 product that is designed for personal use and enables a patient to
439 permanently deactivate and destroy an opioid drug, as defined in
440 section 20-14o of the general statutes.

441 Sec. 16. (*Effective from passage*) (a) As used in this section:

442 (1) "Opioid drug" has the same meaning as provided in section 20-
443 14o of the general statutes; and

444 (2) "Personal opioid drug deactivation and disposal system" means a
445 product that is designed for personal use and enables a patient to
446 permanently deactivate and destroy an opioid drug.

447 (b) The Commissioner of Public Health, in collaboration with the
448 Commissioners of Consumer Protection and Mental Health and
449 Addiction Services, the Insurance Commissioner and the Governor's
450 Prevention Partnership, shall study long-term payment options for the
451 dispensing of personal opioid drug deactivation and disposal systems
452 to patients in the state, including, but not limited to, at the time an opioid
453 drug is dispensed to the patient. Not later than January 1, 2025, the
454 Commissioner of Public Health shall report, in accordance with the
455 provisions of section 11-4a of the general statutes, to the joint standing
456 committees of the General Assembly having cognizance of matters
457 relating to public health and consumer protection, regarding such
458 study.

459 Sec. 17. Subdivision (7) of section 31-101 of the general statutes is
460 repealed and the following is substituted in lieu thereof (*Effective October*
461 *1, 2024*):

462 (7) "Employer" means any person acting directly or indirectly in the
463 interest of an employer in relation to an employee, but shall not include
464 any person engaged in farming, or any person subject to the provisions
465 of the National Labor Relations Act, unless the National Labor Relations
466 Board has declined to assert jurisdiction over such person, or any person
467 subject to the provisions of the Federal Railway Labor Act, or the state
468 or any political or civil subdivision thereof or any religious agency or
469 corporation, or any labor organization, except when acting as an
470 employer, or any one acting as an officer or agent of such labor
471 organization. An employer licensed by the Department of Public Health
472 under section 19a-490 shall be subject to the provisions of this chapter
473 with respect to all its employees except those licensed under [chapters
474 370 and] chapter 379, unless such employer is the state or any political
475 subdivision thereof;

476 Sec. 18. (NEW) (*Effective January 1, 2025*) (a) As used in this section,
477 "coronary calcium scan" means a computed tomography scan of the
478 heart that looks for calcium deposits in the heart arteries.

479 (b) Each individual health insurance policy providing coverage of the
480 type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469
481 of the general statutes and delivered, issued for delivery, renewed,
482 amended or continued in this state on or after January 1, 2025, shall
483 provide coverage for coronary calcium scans.

484 (c) The provisions of this section shall apply to a high deductible
485 health plan, as such term is used in subsection (f) of section 38a-493 of
486 the general statutes, to the maximum extent permitted by federal law,
487 except if such plan is used to establish a medical savings account or an
488 Archer MSA pursuant to Section 220 of the Internal Revenue Code of
489 1986, as amended from time to time, or any subsequent corresponding
490 internal revenue code of the United States, as amended from time to

491 time, or a health savings account pursuant to Section 223 of said Internal
492 Revenue Code of 1986, as amended from time to time, the provisions of
493 this section shall apply to such plan to the maximum extent that (1) is
494 permitted by federal law, and (2) does not disqualify such account for
495 the deduction allowed under said Section 220 or 223 of said Internal
496 Revenue Code of 1986, as applicable.

497 Sec. 19. (NEW) (*Effective January 1, 2025*) (a) As used in this section,
498 "coronary calcium scan" means a computed tomography scan of the
499 heart that looks for calcium deposits in the heart arteries.

500 (b) Each group health insurance policy providing coverage of the
501 type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469
502 of the general statutes and delivered, issued for delivery, renewed,
503 amended or continued in this state on or after January 1, 2025, shall
504 provide coverage for coronary calcium scans.

505 (c) The provisions of this section shall apply to a high deductible
506 health plan, as such term is used in subsection (f) of section 38a-493 of
507 the general statutes, to the maximum extent permitted by federal law,
508 except if such plan is used to establish a medical savings account or an
509 Archer MSA pursuant to Section 220 of the Internal Revenue Code of
510 1986, as amended from time to time, or any subsequent corresponding
511 internal revenue code of the United States, as amended from time to
512 time, or a health savings account pursuant to Section 223 of said Internal
513 Revenue Code of 1986, as amended from time to time, the provisions of
514 this section shall apply to such plan to the maximum extent that (1) is
515 permitted by federal law, and (2) does not disqualify such account for
516 the deduction allowed under said Section 220 or 223 of said Internal
517 Revenue Code, as applicable.

518 Sec. 20. (NEW) (*Effective from passage*) Not later than January 1, 2025,
519 and not less than annually thereafter, each hospital licensed pursuant to
520 chapter 368v of the general statutes and each nursing facility
521 management services certificate holder, as defined in section 19a-561 of
522 the general statutes, except any such hospital or certificate holder that is

523 operated exclusively by the state, shall (1) submit the hospital's or
524 certificate holder's plans and processes to respond to a cybersecurity
525 disruption of the hospital's or certificate holder's operations to an audit
526 by an independent, certified cybersecurity auditor credentialed by the
527 Information Systems Audit and Control Association to determine the
528 adequacy of such plans and processes and identify any necessary
529 improvements to such plans and processes, and (2) make available for
530 inspection on a confidential basis to the Departments of Public Health
531 and Administrative Services and the Division of Emergency
532 Management and Homeland Security within the Department of
533 Emergency Services and Public Protection information regarding
534 whether such plans and processes have been determined to be adequate
535 pursuant to such audit and the steps the hospital or certificate holder is
536 taking to implement any recommended improvements by the auditor.
537 Any recipient of the information submitted or made available pursuant
538 to this section shall maintain the maximum level of confidentiality
539 allowed under law for such information and shall not disclose such
540 information except as expressly required by law. The information
541 submitted or made available pursuant to this section shall be exempt
542 from disclosure under the Freedom of Information Act, as defined in
543 section 1-200 of the general statutes.

544 Sec. 21. Subsection (b) of section 17b-59d of the general statutes is
545 repealed and the following is substituted in lieu thereof (*Effective July 1,*
546 *2024*):

547 (b) It shall be the goal of the State-wide Health Information Exchange
548 to: (1) Allow real-time, secure access to patient health information and
549 complete medical records across all health care provider settings; (2)
550 provide patients with secure electronic access to their health
551 information in accordance with 45 CFR 171; (3) allow voluntary
552 participation by patients to access their health information at no cost; (4)
553 support care coordination through real-time alerts and timely access to
554 clinical information; (5) reduce costs associated with preventable
555 readmissions, duplicative testing and medical errors; (6) promote the
556 highest level of interoperability; (7) meet all state and federal privacy

557 and security requirements; (8) support public health reporting, quality
558 improvement, academic research and health care delivery and payment
559 reform through data aggregation and analytics; (9) support population
560 health analytics; (10) be standards-based; and (11) provide for broad
561 local governance that (A) includes stakeholders, including, but not
562 limited to, representatives of the Department of Social Services,
563 hospitals, physicians, behavioral health care providers, long-term care
564 providers, health insurers, employers, patients and academic or medical
565 research institutions, and (B) is committed to the successful
566 development and implementation of the State-wide Health Information
567 Exchange.

568 Sec. 22. Section 17b-59e of the general statutes is repealed and the
569 following is substituted in lieu thereof (*Effective July 1, 2024*):

570 (a) For purposes of this section:

571 (1) "Health care provider" means any individual, corporation, facility
572 or institution licensed by the state to provide health care services; and

573 (2) "Electronic health record system" means a computer-based
574 information system that is used to create, collect, store, manipulate,
575 share, exchange or make available electronic health records for the
576 purposes of the delivery of patient care.

577 (b) Not later than one year after commencement of the operation of
578 the State-wide Health Information Exchange, each hospital licensed
579 under chapter 368v and clinical laboratory licensed under section 19a-
580 565 shall maintain an electronic health record system capable of
581 connecting to and participating in the State-wide Health Information
582 Exchange and shall apply to begin the process of connecting to, and
583 participating in, the State-wide Health Information Exchange.

584 (c) Not later than two years after commencement of the operation of
585 the State-wide Health Information Exchange, (1) each health care
586 provider with an electronic health record system capable of connecting
587 to, and participating in, the State-wide Health Information Exchange

588 shall apply to begin the process of connecting to, and participating in,
589 the State-wide Health Information Exchange, and (2) each health care
590 provider without an electronic health record system capable of
591 connecting to, and participating in, the State-wide Health Information
592 Exchange shall be capable of sending and receiving secure messages
593 that comply with the Direct Project specifications published by the
594 federal Office of the National Coordinator for Health Information
595 Technology. A health care provider shall not be required to connect with
596 the State-wide Health Information Exchange if the provider (A)
597 possesses no patient medical records, or (B) is an individual licensed by
598 the state that exclusively practices as an employee of a covered entity,
599 as defined by the Health Insurance Portability and Accountability Act
600 of 1996, P.L. 104-191, as amended from time to time, and such covered
601 entity is legally responsible for decisions regarding the safeguarding,
602 release or exchange of health information and medical records, in which
603 case such covered entity is responsible for compliance with the
604 provisions of this section.

605 (d) Nothing in this section shall be construed to require a health care
606 provider to share patient information with the State-wide Health
607 Information Exchange if (1) sharing such information is prohibited by
608 state or federal privacy and security laws, or (2) affirmative consent
609 from the patient is legally required and such consent has not been
610 obtained.

611 (e) No health care provider shall be liable for any private or public
612 claim related directly to a data breach, ransomware or hacking
613 experienced by the State-wide Health Information Exchange, provided
614 a health care provider shall be liable for any failure to comply with
615 applicable state and federal data privacy and security laws and
616 regulations in sharing information with and connecting to the exchange.
617 Any health care provider that would violate any other law by sharing
618 information with or connecting to the exchange shall not be required to
619 share such information with or connect to the exchange.

620 [(d)] (f) The executive director of the Office of Health Strategy shall

621 adopt regulations in accordance with the provisions of chapter 54 that
622 set forth requirements necessary to implement the provisions of this
623 section. The executive director may implement policies and procedures
624 necessary to administer the provisions of this section while in the
625 process of adopting such policies and procedures in regulation form,
626 provided the executive director holds a public hearing at least thirty
627 days prior to implementing such policies and procedures and publishes
628 notice of intention to adopt the regulations on the Office of Health
629 Strategy's Internet web site and the eRegulations System not later than
630 twenty days after implementing such policies and procedures. Policies
631 and procedures implemented pursuant to this subsection shall be valid
632 until the time such regulations are effective.

633 (g) Not later than eighteen months after the date of implementation
634 of policies and procedures pursuant to subsection (f) of this section, each
635 health care provider shall be connected to and actively participating in
636 the State-wide Health Information Exchange. As used in this subsection,
637 (1) "connection" includes, but is not limited to, onboarding with the
638 exchange, and (2) "participation" means the active sharing of medical
639 records with the exchange in accordance with applicable law including,
640 but not limited to, the Health Insurance Portability and Accountability
641 Act of 1996, P.L. 104-191, as amended from time to time, and 42 CFR 2.

642 Sec. 23. Subsection (b) of section 17b-59f of the general statutes is
643 repealed and the following is substituted in lieu thereof (*Effective July 1,*
644 *2024*):

645 (b) The council shall consist of the following members:

646 (1) One member appointed by the executive director of the Office of
647 Health Strategy, who shall be an expert in state health care reform
648 initiatives;

649 (2) The health information technology officer, designated in
650 accordance with section 19a-754a, or the health information technology
651 officer's designee;

652 (3) The Commissioners of Social Services, Mental Health and
653 Addiction Services, Children and Families, Correction, Public Health
654 and Developmental Services, or the commissioners' designees;

655 (4) The Chief Information Officer of the state, or the Chief Information
656 Officer's designee;

657 (5) The chief executive officer of the Connecticut Health Insurance
658 Exchange, or the chief executive officer's designee;

659 (6) The chief information officer of The University of Connecticut
660 Health Center, or the chief information officer's designee;

661 (7) The Healthcare Advocate, or the Healthcare Advocate's designee;

662 (8) The Comptroller, or the Comptroller's designee;

663 (9) The Attorney General, or the Attorney General's designee;

664 ~~[(9)]~~ (10) Five members appointed by the Governor, one each who
665 shall be (A) a representative of a health system that includes more than
666 one hospital, (B) a representative of the health insurance industry, (C)
667 an expert in health information technology, (D) a health care consumer
668 or consumer advocate, and (E) a current or former employee or trustee
669 of a plan established pursuant to subdivision (5) of subsection (c) of 29
670 USC 186;

671 ~~[(10)]~~ (11) Three members appointed by the president pro tempore of
672 the Senate, one each who shall be (A) a representative of a federally
673 qualified health center, (B) a provider of behavioral health services, and
674 (C) a physician licensed under chapter 370;

675 ~~[(11)]~~ (12) Three members appointed by the speaker of the House of
676 Representatives, one each who shall be (A) a technology expert who
677 represents a hospital system, as defined in section 19a-486i, (B) a
678 provider of home health care services, and (C) a health care consumer
679 or a health care consumer advocate;

680 [(12)] (13) One member appointed by the majority leader of the
681 Senate, who shall be a representative of an independent community
682 hospital;

683 [(13)] (14) One member appointed by the majority leader of the House
684 of Representatives, who shall be a physician who provides services in a
685 multispecialty group and who is not employed by a hospital;

686 [(14)] (15) One member appointed by the minority leader of the
687 Senate, who shall be a primary care physician who provides services in
688 a small independent practice;

689 [(15)] (16) One member appointed by the minority leader of the
690 House of Representatives, who shall be an expert in health care analytics
691 and quality analysis;

692 [(16)] (17) The president pro tempore of the Senate, or the president's
693 designee;

694 [(17)] (18) The speaker of the House of Representatives, or the
695 speaker's designee;

696 [(18)] (19) The minority leader of the Senate, or the minority leader's
697 designee; and

698 [(19)] (20) The minority leader of the House of Representatives, or the
699 minority leader's designee.

700 Sec. 24. (NEW) (*Effective from passage*) Not later than January 1, 2025,
701 and annually thereafter, the Department of Public Health shall report,
702 within available appropriations and in accordance with the provisions
703 of section 11-4a of the general statutes, to the joint standing committee
704 of the General Assembly having cognizance of matters relating to public
705 health regarding the department's work on the Healthy Brain Initiative.
706 As used in this section, "Healthy Brain Initiative" means the National
707 Centers for Disease Control and Prevention's collaborative approach to
708 fully integrate cognitive health into public health practice and reduce
709 the risk and impact of Alzheimer's disease and other dementias.

710 Sec. 25. (NEW) (*Effective from passage*) (a) As used in this section:

711 (1) "Health care provider" means any person or organization that
712 furnishes health care services to persons with Parkinson's disease or
713 Parkinsonism and is licensed or certified to furnish such services
714 pursuant to chapters 370 and 378 of the general statutes; and

715 (2) "Hospital" has the same meaning as provided in section 19a-490
716 of the general statutes.

717 (b) Not later than October 1, 2025, the Department of Public Health,
718 in collaboration with a public institution of higher education in the state,
719 shall maintain and operate, within available appropriations, a state-
720 wide registry of data on Parkinson's disease and Parkinsonism.

721 (c) Each hospital and each health care provider shall make available
722 to the registry such data concerning each patient with Parkinson's
723 disease or Parkinsonism admitted to such hospital or treated by such
724 health care provider for such patient's Parkinson's disease or
725 Parkinsonism as the Commissioner of Public Health shall require by
726 regulations adopted in accordance with chapter 54 of the general
727 statutes. Each hospital and health care provider shall provide each such
728 patient with notice of, and the opportunity to opt out of, such disclosure.

729 (d) The data contained in such registry may be used by the
730 department and authorized researchers as specified in such regulations,
731 provided personally identifiable information in such registry
732 concerning any such patient with Parkinson's disease or Parkinsonism
733 shall be held confidential pursuant to section 19a-25 of the general
734 statutes. The data contained in the registry shall not be subject to
735 disclosure under the Freedom of Information Act, as defined in section
736 1-200 of the general statutes. The commissioner may enter into a contract
737 with a nonprofit association in this state concerned with the prevention
738 and treatment of Parkinson's disease and Parkinsonism to provide for
739 the implementation and administration of the registry established
740 pursuant to this section.

741 (e) Each hospital shall provide access to its records to the Department
742 of Public Health, as the department deems necessary, to perform case
743 finding or other quality improvement audits to ensure completeness of
744 reporting and data accuracy consistent with the purposes of this section.

745 (f) The Department of Public Health may enter into a contract for the
746 receipt, storage, holding or maintenance of the data or files under its
747 control and management for the purpose of implementing the
748 provisions of this section.

749 (g) The Department of Public Health may enter into reciprocal
750 reporting agreements with the appropriate agencies of other states to
751 exchange Parkinson's disease and Parkinsonism care data.

752 (h) The Department of Public Health shall establish a Parkinson's
753 disease and Parkinsonism data oversight committee to (1) monitor the
754 operations of the state-wide registry established pursuant to subsection
755 (b) of this section, (2) provide advice regarding the oversight of such
756 registry, (3) develop a plan to improve quality of Parkinson's disease
757 and Parkinsonism care and address disparities in the provision of such
758 care, and (4) develop short and long-term goals for improvement of such
759 care.

760 (i) Said committee shall include, but need not be limited to, the
761 following members, who shall be appointed by the Commissioner of
762 Public Health not later than October 1, 2025: (1) A neurologist; (2) a
763 movement disorder specialist; (3) a primary care provider; (4) a
764 neuropsychiatrist who treats Parkinson's disease; (5) a patient living
765 with Parkinson's disease; (6) a public health professional; (7) a
766 population health researcher with experience in state-wide registries of
767 health condition data; (8) a patient advocate; (9) a family caregiver of a
768 person with Parkinson's disease; (10) a representative of a nonprofit
769 organization related to Parkinson's disease; (11) a physical therapist
770 with experience working with persons with Parkinson's disease; (12) an
771 occupational therapist with experience working with persons with
772 Parkinson's disease; (13) a speech therapist with experience working

773 with persons with Parkinson's disease; (14) a social worker with
774 experience providing services to persons with Parkinson's disease; (15)
775 a geriatric specialist; and (16) a palliative care specialist. Each member
776 shall serve a term of two years. The commissioner shall appoint, from
777 among the members of the oversight committee, a chairperson who
778 shall schedule the first meeting of the oversight committee on or before
779 December 1, 2025. The Department of Public Health shall assist said
780 committee in its work and provide any information or data that the
781 committee deems necessary to fulfil its duties, unless the disclosure of
782 such information or data is prohibited by state or federal law. Not later
783 than January 1, 2026, and annually thereafter, the chairperson of the
784 committee shall report, in accordance with the provisions of section 11-
785 4a of the general statutes, to the joint standing committee of the General
786 Assembly having cognizance of matters relating to public health,
787 regarding the work of the committee. Not later than January 1, 2026, and
788 at least annually thereafter, such chairperson shall report to the
789 Commissioner of Public Health regarding the work of the committee.

790 (j) The Commissioner of Public Health may adopt regulations, in
791 accordance with the provisions of chapter 54 of the general statutes, to
792 implement the provisions of this section. The commissioner may
793 implement policies and procedures necessary to administer the
794 provisions of this section while in the process of adopting such policies
795 and procedures as regulations, provided notice of intent to adopt
796 regulations is published on the eRegulations system not later than
797 twenty days after the date of implementation. Policies and procedures
798 implemented pursuant to this section shall be valid until the time final
799 regulations are adopted.

800 Sec. 26. (NEW) (*Effective from passage*) (a) The Commissioner of Mental
801 Health and Addiction Services, in consultation with the Commissioner
802 of Children and Families, shall establish, within available
803 appropriations, a program for persons diagnosed with recent-onset
804 schizophrenia spectrum disorder for specialized treatment early in such
805 persons' psychosis. Such program shall serve as a hub for the state-wide
806 dissemination of information regarding best practices for the provision

807 of early intervention services to persons diagnosed with a recent-onset
808 schizophrenia spectrum disorder. Such program shall address (1) the
809 limited knowledge of (A) region-specific needs in treating such
810 disorder, (B) the prevalence of first-episode psychosis in persons
811 diagnosed with such disorder, and (C) disparities across different
812 regions in treating such disorder, (2) uncertainty regarding the
813 availability and readiness of clinicians to implement early intervention
814 services for persons diagnosed with such disorder and such persons'
815 families, and (3) funding of and reimbursement for early intervention
816 services available to persons diagnosed with such disorder.

817 (b) The program established pursuant to subsection (a) of this section
818 shall perform the following functions:

819 (1) Develop structured curricula, online resources and
820 videoconferencing-based case conferences to disseminate information
821 for the development of knowledge and skills relevant to patients with
822 first-episode psychosis and such patients' families;

823 (2) Assess and improve the quality of early intervention services
824 available to persons diagnosed with a recent-onset schizophrenic
825 spectrum disorder across the state;

826 (3) Provide expert input on complex cases of a recent-onset
827 schizophrenic spectrum disorder and launch a referral system for
828 consultation with persons having expertise in treating such disorders;

829 (4) Share lessons and resources from any campaigns aimed at
830 reducing the duration of untreated psychosis to improve local pathways
831 to care for persons with such disorders;

832 (5) Serve as an incubator for new evidence-based treatment
833 approaches and pilot such approaches for deployment across the state;

834 (6) Advocate for policies addressing the financing, regulation and
835 provision of services for persons with such disorders; and

836 (7) Collaborate with state agencies to improve outcomes for persons

837 diagnosed with first-episode psychosis in areas including, but not
838 limited to, crisis services and employment services.

839 (c) Not later than January 1, 2025, and annually thereafter, the
840 Commissioner of Mental Health and Addiction Services shall report, in
841 accordance with the provisions of section 11-4a of the general statutes,
842 to the joint standing committee of the General Assembly having
843 cognizance of matters relating to public health, regarding the functions
844 and outcomes of the program for specialized treatment early in
845 psychosis and any recommendations for legislation to address the needs
846 of persons diagnosed with recent-onset schizophrenic spectrum
847 disorders.

848 *Sec. 27. (Effective from passage)* (a) The cochairpersons of the joint
849 standing committee of the General Assembly having cognizance of
850 matters relating to public health shall establish a working group to
851 study and make recommendations concerning methods of addressing
852 loneliness and isolation experienced by persons in the state and to
853 improve social connection among such persons, including, but not

921 schedule the first meeting of the working group, which shall be held not
922 later than sixty days after the effective date of this section.

923 (d) The members of the working group shall elect two chairpersons
924 from among the members of the working group.

925 (e) The administrative staff of the joint standing committee of the
926 General Assembly having cognizance of matters relating to public
927 health shall serve as administrative staff of the working group.

928 (f) Not later than January 1, 2025, the working group shall submit a
929 report on its findings and recommendations to the joint standing
930 committee of the General Assembly having cognizance of matters
931 relating to public health, in accordance with the provisions of section 11-
932 4a of the general statutes. The working group shall terminate on the date
933 that it submits such report or January 1, 2025, whichever is later.

934 Sec. 28. (*Effective from passage*) (a) The chairpersons of the joint
935 standing committee of the General Assembly having cognizance of
936 matters relating to public health shall establish a working group to
937 examine hospice services for pediatric patients across the state. The
938 working group shall include, but need not be limited to, the following
939 members:

940 (1) At least one representative of each pediatric hospice association in
941 the state;

942 (2) One representative of each organization licensed as a hospice by
943 the Department of Public Health pursuant to section 19a-122b of the
944 general statutes;

945 (3) At least one representative of an association of hospitals in the
946 state;

947 (4) One representative each of two children's hospitals in the state;

948 (5) One pediatric oncologist;

949 (6) One pediatric intensivist;

950 (7) The chairpersons and ranking members of the joint standing
951 committee of the General Assembly having cognizance of matters
952 relating to public health;

953 (8) The Commissioner of Public Health, or the commissioner's
954 designee; and

955 (9) The Commissioner of Social Services, or the commissioner's
956 designee.

957 (b) The working group shall be responsible for the following:

958 (1) Reviewing existing hospice services for pediatric patients across
959 the state;

960 (2) Making recommendations for appropriate levels of hospice
961 services for pediatric patients across the state; and

962 (3) Evaluating payment and funding options for pediatric hospice
963 care.

964 (c) The cochairpersons of the joint standing committee of the General
965 Assembly having cognizance of matters relating to public health shall
966 schedule the first meeting of the working group, which shall be held not
967 later than sixty days after the effective date of this section.

968 (d) The members of the working group shall elect two chairpersons
969 from among the members of the working group.

970 (e) The administrative staff of the joint standing committee of the
971 General Assembly having cognizance of matters relating to public
972 health shall serve as administrative staff of the working group.

973 (f) Not later than March 1, 2025, the chairpersons of the working
974 group shall report, in accordance with the provisions of section 11-4a of
975 the general statutes, to the joint standing committee of the General
976 Assembly having cognizance of matters relating to public health

977 concerning the findings of the working group.

978 Sec. 29. (NEW) (*Effective from passage*) Not later than July 1, 2025, and
979 at the time of hiring of each new member of its nursing staff, each
980 organization licensed as a hospice by the Department of Public Health
981 pursuant to section 19a-122b of the general statutes shall encourage its
982 nursing staff to spend three weeks each in a pediatric intensive care unit,
983 pediatric oncology unit and pediatric hospice facility to (1) enhance the
984 skills and expertise of hospice nurses in pediatric care; and (2) prepare
985 hospice nurses for future roles in pediatric hospice care.

986 Sec. 30. Section 19a-563h of the general statutes is repealed and the
987 following is substituted in lieu thereof (*Effective from passage*):

988 (a) As used in this section, "direct care" means hands-on care
989 provided by a registered nurse, licensed pursuant to chapter 378,
990 licensed practical nurse, licensed pursuant to chapter 378, or a nurse's
991 aide, registered pursuant to chapter 378a, to residents of nursing homes,
992 as defined in section 19a-563, including, but not limited to, assistance
993 with feeding, bathing, toileting, dressing, lifting and moving,
994 administering medication, promoting socialization and personal care
995 services, but does not include food preparation, housekeeping, laundry
996 services, maintenance of the physical environment of the nursing home
997 or performance of administrative tasks.

998 [(a)] (b) On or before January 1, 2022, the Department of Public Health
999 shall (1) establish minimum staffing level requirements for nursing
1000 homes of three hours of direct care per resident per day, and (2) modify
1001 staffing level requirements for social work and recreational staff of
1002 nursing homes such that the requirements (A) for social work, a number
1003 of hours that is based on one full-time social worker per sixty residents
1004 and that shall vary proportionally based on the number of residents in
1005 the nursing home, and (B) for recreational staff are lower than the
1006 current requirements, as deemed appropriate by the Commissioner of
1007 Public Health.

1008 [(b)] (c) The commissioner shall adopt regulations in accordance with

1009 the provisions of chapter 54 that set forth nursing home staffing level
1010 requirements to implement the provisions of this section. The
1011 Commissioner of Public Health may implement policies and procedures
1012 necessary to administer the provisions of this section while in the
1013 process of adopting such policies and procedures as regulations,
1014 provided notice of intent to adopt regulations is published on the
1015 eRegulations System not later than twenty days after the date of
1016 implementation. Policies and procedures implemented pursuant to this
1017 section shall be valid until the time final regulations are adopted.

1018 Sec. 31. Subdivision (7) of section 38a-591a of the 2024 supplement to
1019 the general statutes is repealed and the following is substituted in lieu
1020 thereof (*Effective January 1, 2025*):

1021 (7) "Clinical peer" means a physician or other health care professional
1022 who:

1023 (A) ~~[holds] For a review other than one specified under subparagraph~~
1024 ~~(B) or (C) of subdivision (38) of this section, holds~~ a nonrestricted license
1025 in a state of the United States [and] in the same [or similar] specialty as
1026 [typically manages the medical condition, procedure or treatment] the
1027 treating physician or other health care professional under review; [, and]
1028 or

1029 (B) [for] For a review specified under subparagraph (B) or (C) of
1030 subdivision (38) of this section concerning:

1031 (i) [a] A child or adolescent substance use disorder or a child or
1032 adolescent mental disorder, holds (I) a national board certification in
1033 child and adolescent psychiatry, or (II) a doctoral level psychology
1034 degree with training and clinical experience in the treatment of child
1035 and adolescent substance use disorder or child and adolescent mental
1036 disorder, as applicable; [,] or

1037 (ii) [an] An adult substance use disorder or an adult mental disorder,
1038 holds (I) a national board certification in psychiatry, or (II) a doctoral
1039 level psychology degree with training and clinical experience in the

1040 treatment of adult substance use disorders or adult mental disorders, as
1041 applicable.

1042 Sec. 32. Subsection (a) of section 38a-591d of the 2024 supplement to
1043 the general statutes is repealed and the following is substituted in lieu
1044 thereof (*Effective January 1, 2025*):

1045 (a) (1) Each health carrier shall maintain written procedures for (A)
1046 utilization review and benefit determinations, (B) expedited utilization
1047 review and benefit determinations with respect to prospective urgent
1048 care requests and concurrent review urgent care requests, and (C)
1049 notifying covered persons or covered persons' authorized
1050 representatives of such review and benefit determinations. Each health
1051 carrier shall make such review and benefit determinations within the
1052 specified time periods under this section.

1053 (2) In determining whether a benefit request shall be considered an
1054 urgent care request, an individual acting on behalf of a health carrier
1055 shall apply the judgment of a prudent layperson who possesses an
1056 average knowledge of health and medicine, except that any benefit
1057 request (A) determined to be an urgent care request by a health care
1058 professional with knowledge of the covered person's medical condition,
1059 or (B) specified under subparagraph (B) or (C) of subdivision (38) of
1060 section 38a-591a shall be deemed an urgent care request.

1061 (3) (A) At the time a health carrier notifies a covered person, a covered
1062 person's authorized representative or a covered person's health care
1063 professional of an initial adverse determination that was based, in whole
1064 or in part, on medical necessity, of a concurrent or prospective
1065 utilization review or of a benefit request, the health carrier shall notify
1066 the covered person's health care professional (i) of the opportunity for a
1067 conference as provided in subparagraph (B) of this subdivision, and (ii)
1068 that such conference shall not be considered a grievance of such initial
1069 adverse determination as long as a grievance has not been filed as set
1070 forth in subparagraph (B) of this subdivision.

1071 (B) After a health carrier notifies a covered person, a covered person's

1072 authorized representative or a covered person's health care professional
1073 of an initial adverse determination that was based, in whole or in part,
1074 on medical necessity, of a concurrent or prospective utilization review
1075 or of a benefit request, the health carrier shall offer a covered person's
1076 health care professional the opportunity to confer, at the request of the
1077 covered person's health care professional, with a clinical peer of such
1078 health carrier, provided such covered person, covered person's
1079 authorized representative or covered person's health care professional
1080 has not filed a grievance of such initial adverse determination prior to
1081 such conference. Such conference shall not be considered a grievance of
1082 such initial adverse determination. Such health carrier shall grant such
1083 clinical peer the authority to reverse such initial adverse determination.

1084 Sec. 33. Section 38a-498a of the general statutes is repealed and the
1085 following is substituted in lieu thereof (*Effective January 1, 2025*):

1086 (a) No individual health insurance policy providing coverage of the
1087 type specified in subdivisions (1), (2), (4), (6), (10), (11) and (12) of section
1088 38a-469, delivered, issued for delivery or renewed in this state, on or
1089 after [October 1, 1996] January 1, 2025, shall direct or require an enrollee
1090 to obtain approval from the insurer or health care center prior to (1)
1091 calling a 9-1-1 local prehospital emergency medical service system
1092 whenever such enrollee is confronted with a life or limb threatening
1093 emergency, or (2) transporting such enrollee when medically necessary
1094 by ambulance to a hospital. For purposes of this section, a "life or limb
1095 threatening emergency" means any event which the enrollee believes
1096 threatens [his] such enrollee's life or limb in such a manner that a need
1097 for immediate medical care is created to prevent death or serious
1098 impairment of health.

1099 (b) No insurer or health care center subject to the provisions of
1100 subsection (a) of this section shall deny payment to any ambulance
1101 provider responding to a 9-1-1 local prehospital emergency medical
1102 service system call on the basis that the enrollee did not obtain approval
1103 from such insurer or health care center prior to calling such emergency
1104 medical service system or prior to transporting such enrollee when

1105 medically necessary by ambulance to a hospital.

1106 Sec. 34. Section 38a-525a of the general statutes is repealed and the
1107 following is substituted in lieu thereof (*Effective January 1, 2025*):

1108 (a) No group health insurance policy providing coverage of the type
1109 specified in subdivisions (1), (2), (4), (6), (10), (11) and (12) of section 38a-
1110 469, delivered, issued for delivery or renewed in this state, on or after
1111 [October 1, 1996] January 1, 2025, shall direct or require an enrollee to
1112 obtain approval from the insurer or health care center prior to (1) calling
1113 a 9-1-1 local prehospital emergency medical service system whenever
1114 such enrollee is confronted with a life or limb threatening emergency,
1115 or (2) transporting such enrollee when medically necessary by
1116 ambulance to a hospital. For purposes of this section, a "life or limb
1117 threatening emergency" means any event which the enrollee believes
1118 threatens [his] such enrollee's life or limb in such a manner that a need
1119 for immediate medical care is created to prevent death or serious
1120 impairment of health.

1121 (b) No insurer or health care center subject to the provisions of
1122 subsection (a) of this section shall deny payment to any ambulance
1123 provider responding to a 9-1-1 local prehospital emergency medical
1124 service system call on the basis that the enrollee did not obtain approval
1125 from such insurer or health care center prior to calling such emergency
1126 medical service system or prior to transporting such enrollee when
1127 medically necessary by ambulance to a hospital.

1128 Sec. 35. (NEW) (*Effective October 1, 2024*) (a) As used in this section:

1129 (1) "BIPOC" means a person who is black, indigenous or a person of
1130 color;

1131 (2) "Peer-run organization" means a nonprofit organization that (A)
1132 is controlled and operated by persons who have psychiatric histories or
1133 have experienced other life-interrupting challenges, and (B) provides a
1134 place for support and advocacy for persons who experience similar
1135 challenges, including, but not limited to, peer respite services and peer

1136 support services;

1137 (3) "Peer-run respite center" means a facility that is operated by a
1138 peer-run organization in a safe, physical space that employs peer
1139 support specialists to provide peer respite services and peer support
1140 services for persons age eighteen and older who are experiencing
1141 emotional or mental distress, either as an immediate precursor to or as
1142 part of a mental health crisis;

1143 (4) "Peer respite services" means voluntary, trauma-informed, short-
1144 term services provided to adults in a home-like environment that are the
1145 least restrictive of individual freedom, culturally competent and focus
1146 on recovery, resiliency and wellness;

1147 (5) "Peer support services" means assistance that promotes
1148 engagement, socialization, recovery, self-sufficiency, self-advocacy,
1149 development of natural supports and identification of personal
1150 strengths;

1151 (6) "Peer support specialist" means a person who has a psychiatric
1152 history or has experienced similarly life-interrupting challenges, who
1153 has experience in the provision of peer respite services and peer support
1154 services and has completed training specified by the Commissioner of
1155 Mental Health and Addiction Services; and

1156 (7) "TQI+" means persons who identify as transgender, queer or
1157 questioning, intersex or other gender identities.

1158 (b) The Commissioner of Mental Health and Addiction Services shall
1159 establish, within available appropriations, a peer-run respite center. The
1160 commissioner shall contract with a peer-run organization to operate
1161 such peer-run respite center.

1162 (c) Not later than October 1, 2025, the commissioner shall report, in
1163 accordance with the provisions of section 11-4a of the general statutes,
1164 to the joint standing committee of the General Assembly having
1165 cognizance of matters relating to public health regarding the peer-run

1166 respite center and post such report on the Department of Mental Health
1167 and Addiction Services' Internet web site. Such report shall (1) identify
1168 any barriers to implementing the peer-run respite center established
1169 pursuant to this section and include recommendations for addressing
1170 such barriers; (2) share data regarding the outcomes and effectiveness
1171 of the peer-run respite center and, based on such data, make
1172 recommendations regarding the establishment of additional peer-run
1173 respite centers in the state, including, but not limited to, the
1174 establishment of peer-run respite centers managed, operated and
1175 controlled by members of the BIPOC, TQI+ and Spanish-speaking
1176 communities who have psychiatric histories or related lived experience;
1177 and (3) review other states' practices regarding the establishment of a
1178 peer-run technical assistance center that may (A) assist peer-run respite
1179 centers in hiring and recruiting peer support specialists and other staff,
1180 (B) promote community awareness of peer-run respite centers, (C)
1181 evaluate and identify the need for peer respite services in communities
1182 throughout the state, (D) evaluate the effectiveness and quality of peer
1183 respite services in the state, (E) convene peer respite services meetings
1184 throughout the state to facilitate networking, collaboration and shared
1185 learning, (F) consult peer-run respite centers regarding development of
1186 peer respite services, (G) develop resources to support the supervision
1187 of peer support specialists, and (H) in consultation with peer-run respite
1188 centers and stakeholders in the TQI+, BIPOC and Spanish-speaking
1189 communities, develop recommendations regarding (i) best practices for
1190 delivering peer respite services, (ii) training requirements for peer
1191 support specialists, including specialized training requirements
1192 depending on the population that such specialists serve, and (iii) the
1193 establishment of a program fidelity tool to measure the extent to which
1194 the delivery of peer respite services in the state adheres to the provisions
1195 of this section and best practices for the delivery of peer respite services.

1196 Sec. 36. Section 29 of public act 22-81 is repealed and the following is
1197 substituted in lieu thereof (*Effective from passage*):

1198 (a) [On or before January 1, 2023, the] The Commissioner of Public
1199 Health shall convene a working group to advise the commissioner

1200 regarding methods to enhance physician recruitment in the state. The
1201 working group shall examine issues that include, but need not be
1202 limited to, (1) recruiting, retaining and compensating primary care,
1203 psychiatric and behavioral health care providers; (2) the potential
1204 effectiveness of student loan forgiveness; (3) barriers to recruiting and
1205 retaining physicians as a result of covenants not to compete, as defined
1206 in section 20-14p of the general statutes; (4) access to health care
1207 providers; (5) the effect, if any, of the health insurance landscape on
1208 limiting health care access; (6) barriers to physician participation in
1209 health care networks; [and] (7) assistance for graduate medical
1210 education training; and (8) issues related to primary care residency
1211 positions in the state and methods to retain physicians who perform
1212 their primary care residency in the state. As used in this subsection,
1213 "primary care" means pediatrics, internal medicine, family medicine,
1214 obstetrics and gynecology or psychiatry.

1215 (b) The working group convened pursuant to subsection (a) of this
1216 section shall include, but need not be limited to, the following members:

1217 (1) A representative of a hospital association in the state; (2) a
1218 representative of a medical society in the state; (3) a physician licensed
1219 under chapter 370 of the general statutes with a small group practice; (4)
1220 a physician licensed under chapter 370 of the general statutes with a
1221 multisite group practice; (5) one representative each of at least three
1222 different schools of medicine; (6) a representative of a regional physician
1223 recruiter association; (7) the human resources director of at least one
1224 hospital in the state; (8) a member of a patient advocacy group; and (9)
1225 four members of the general public. The working group shall elect
1226 chairpersons from among its members. As used in this subsection,
1227 "small group practice" means a group practice comprised of less than
1228 eight full-time equivalent physicians and "multisite group practice"
1229 means a group practice comprised of over one hundred full-time
1230 equivalent physicians practicing throughout the state.

1231 (c) On or before January 1, [2024] 2026, the working group shall
1232 report, in accordance with the provisions of section 11-4a of the general

1233 statutes, its findings to the commissioner and to the joint standing
1234 committee of the General Assembly having cognizance of matters
1235 relating to public health.

1236 Sec. 37. (NEW) (*Effective October 1, 2024*) (a) As used in this section,
1237 (1) "direct threat" has the same meaning as provided in 28 CFR 35.104,
1238 as amended from time to time, (2) "institution for mental diseases" has
1239 the same meaning as provided in 42 CFR 435.1010, as amended from
1240 time to time, (3) "nursing home" has the same meaning as provided in
1241 section 19a-490 of the general statutes, and (4) "mental health services"
1242 means counseling, therapy, rehabilitation, crisis intervention,
1243 emergency services or psychiatric medication for the screening,
1244 diagnosis or treatment of mental illness.

1245 (b) It shall be a discriminatory practice in violation of this section for
1246 any nursing home to reject an applicant for admission to such nursing
1247 home solely on the basis that such person has, at any time, received
1248 mental health services. Nothing in this subsection shall be construed to
1249 require a nursing home to admit a person as a resident if (1) such person
1250 poses a direct threat to the health or safety of others, (2) such person
1251 does not require the level of care provided in a nursing home as
1252 determined in accordance with applicable state and federal
1253 requirements, or (3) admitting such person as a resident would result in
1254 converting the nursing home into an institution for mental diseases.

1255 Sec. 38. Subdivision (8) of section 46a-51 of the 2024 supplement to
1256 the general statutes is repealed and the following is substituted in lieu
1257 thereof (*Effective October 1, 2024*):

1258 (8) "Discriminatory practice" means a violation of section 4a-60, 4a-
1259 60a, 4a-60g, 31-40y, subsection (b), (d), (e) or (f) of section 31-51i,
1260 subparagraph (C) of subdivision (15) of section 46a-54, subdivisions (16)
1261 and (17) of section 46a-54, section 46a-58, 46a-59, 46a-60, 46a-64, 46a-64c,
1262 46a-66 [] or 46a-68, sections 46a-68c to 46a-68f, inclusive, [or] sections
1263 46a-70 to 46a-78, inclusive, subsection (a) of section 46a-80, [or] sections
1264 46a-81b to 46a-81o, inclusive, [and] sections 46a-80b to 46a-80e,

 1266 this act;

1267 Sec. 39. (NEW) (*Effective from passage*) On and after January 1, 2025,
 1268 each hospital and outpatient surgical facility, as such terms are defined
 1269 in section 19a-490bb of the general statutes, and each group practice, as
 1270 defined in section 19a-486i of the general statutes, may record and
 1271 maintain data regarding the amount of time spent when an employee of
 1272 the hospital, outpatient surgical facility or group practice requests prior
 1273 authorization for or precertification of an admission, service,
 1274 medication, procedure or extension of stay from a health carrier for a
 1275 patient of the hospital, outpatient surgical facility or group practice,
 1276 including, but not limited to, speaking directly with the health carrier,
 1277 physician peer-to-peer conversations regarding the prior authorization
 1278 or precertification and writing appeals of a denial of any request for a
 1279 prior authorization or precertification. Each hospital, outpatient surgical
 1280 facility and group practice may (1) use preauthorization and
 1281 precertification codes generated by a hospital association in the state to
 1282 uniformly record such data, and (2) make such data available to the joint
 1283 standing committee of the General Assembly having cognizance of
 1284 matters relating to public health upon the request of the chairpersons
 1285 and ranking members of such committee."
