sSB-1391

AN ACT CONCERNING THE TRANSPARENCY OF  
MULTILINGUAL LEARNER DATA.

---

### ***OFA Fiscal Note***

***State Impact:*** None

***Municipal Impact:*** None

### ***Explanation***

The bill has no fiscal impact. It expands the data the State Department of Education (SDE) is required to share in the statewide public school information system (EdSight). It also expands the multilingual learner bill of rights to include the right to access publicly available education data. These changes do not impact the cost to SDE of its data gathering or reporting responsibilities.
