General Assembly

Proposed Bill No. 5789

January Session, 2025

LCO No. **2786**

Referred to Committee on EDUCATION

Introduced by:
REP. O'DEA, 125th Dist.

AN ACT ESTABLISHING GUIDELINES FOR PARTICIPATION IN MALE AND FEMALE ATHLETIC PROGRAMS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to require a student to participate in male and female athletic programs based on the sex designated on such student's birth certificate and, if such designation is disputed or unclear, such student shall participate in such programs based on such student's sex chromosomes and, if such student has a sex chromosome variation, such student shall participate in such programs based on such student's testosterone level as follows: (1) For levels at or below 3.08 nanomoles per liter, such student shall be entitled to a hearing on whether such student poses a safety risk to other students participating in female athletic programs, and (2) for levels above 3.08 nanomoles per liter, such student may only participate in male athletic programs, provided any student may participate in a male athletic program unless such student's testosterone level is due to unnatural causes.

Statement of Purpose:

To establish guidelines for participation in male and female athletic programs.
