

General Assembly

January Session, 2025

Raised Bill No. 1190

LCO No. 3607

Referred to Committee on PUBLIC HEALTH

Introduced by:
(PH)

AN ACT REQUIRING NURSING HOMES AND ASSISTED LIVING FACILITIES TO BE EQUIPPED WITH AN AUTOMATED EXTERNAL DEFIBRILLATOR.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective October 1, 2025*) (a) As used in this section:

2 (1) "Assisted living facility" means a facility operated by an assisted
3 living services agency, as defined in section 19a-490 of the general
4 statutes, that provides chronic and stable individuals with services that
5 include, but need not be limited to, nursing services and assistance with
6 activities of daily living and may have a dementia special care unit or
7 program, as defined in section 19a-562 of the general statutes;

8 (2) "Automated external defibrillator" means a device that: (A) Is used
9 to administer an electric shock through the chest wall to the heart; (B)
10 contains internal decision-making electronics, microcomputers or
11 special software that allows it to interpret physiologic signals, make
12 medical diagnosis and, if necessary, apply therapy; (C) guides the user
13 through the process of using the device by audible or visual prompts;
14 and (D) does not require the user to employ any discretion or judgment

15 in its use; and

16 (3) "Nursing home" means (A) any chronic and convalescent nursing
17 home or any rest home with nursing supervision that provides nursing
18 supervision under a medical director twenty-four hours per day; or (B)
19 any chronic and convalescent nursing home that provides skilled
20 nursing care under medical supervision and direction to carry out
21 nonsurgical treatment and dietary procedures for chronic diseases,
22 convalescent stages, acute diseases or injuries.

23 (b) Not later than January 1, 2026, the administrator of each nursing
24 home and each assisted living facility shall (1) provide and maintain an
25 automated external defibrillator in a central location on the premises of
26 the home or facility, (2) make such central location known and accessible
27 to staff members and residents of the home or facility and family
28 members of such residents who visit the home or facility, (3) ensure that
29 at least one staff member of the home or facility, who is trained in
30 cardiopulmonary resuscitation and the use of an automatic external
31 defibrillator in accordance with the standards set forth by the American
32 Red Cross or American Heart Association, is on the premises of the
33 home or facility during all hours of operation, and (4) maintain and test
34 the automatic external defibrillator in accordance with the
35 manufacturer's guidelines.

This act shall take effect as follows and shall amend the following sections:		
Section 1	October 1, 2025	New section

Statement of Purpose:

To require nursing homes and assisted living facilities to be equipped with an automated external defibrillator.
