
OLR Bill Analysis**HB 5730*****AN ACT CONCERNING STAGGERED TERMS FOR MEMBERS OF THE TWO-GENERATIONAL ADVISORY BOARD.*****SUMMARY**

By law, the Two-Generational Advisory Board advises the state on how to foster family economic self-sufficiency in low-income households through a comprehensive two-generational service delivery approach. The board consists of both appointed and ex-officio members who, under current law, are not subject to term limits. Beginning July 1, 2025, the bill (1) establishes three-year term limits for appointed board members and (2) requires them to be appointed or reappointed by the appointing authorities in a way so that no more than one-third of their terms end on the same date. (The bill does not specify how these term limits and staggering requirements must be implemented.)

Existing law requires the board's membership to include representatives of nonprofit and philanthropic organizations and scholars with expertise in two-generational programs and policies. Current law does not designate an appointing authority for these members. Under the bill, these members must be selected by the board's co-chairpersons.
