

Please Support Terramation

I am writing to ask you to support H. B. No. 6257 AN ACT AUTHORIZING THE USE OF TERRAMATION. Terramation is an option that should be available.

Please vote to provide the option of terramation to those citizens who prefer it. This method of caring for deceased individuals is more sustainable than other methods. It is also better aligned with the beliefs and values of a significant number of people.

Thank you for the opportunity to share this information and thank you for your hard work making Connecticut a better place to live.
