### **Explanation**

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment conveys a specified parcel of land, totaling 9.45 acres, from the Department of Transportation to the town of North Canaan. The state would lose use of the asset. The town of North Canaan would gain use of an asset and would pay the administrative costs of the conveyance, including survey costs if necessary.

The asset would revert to state control if the recipient does not use the land for specified purposes.

The land conveyance is subject to the review and approval of the State
