Testimony:

I am deeply in support of this resolution. No person should be discriminated against based on their sex. I'm actually surprised this has not already been decided upon in CT and think voting in favor of this resolution will simply put us on a path we should have been on years ago, where people are able to work and live without fear of repercussion based on anything related to their sex. This will only help people and has no negatives. Please vote in favor of this resolution!
