

Senator Flexer, Representative Blumenthal, and Distinguished Members of the Government Administration and Elections Committee,

My name is Julia DiCola, I'm the Founder and Executive Director of OurTransLife.org, and I am writing today in support of Senate Joint Resolution 35, which proposes a state constitutional amendment concerning discrimination on the basis of sex under the Equal Protection Clause.

I believe there is no place for discrimination of any type in Connecticut, which has a long history of bipartisan support for equality. I am grateful to the Committee for your attention to this matter and for your time today.
