YOUTH SERVICE BUREAU REFERRAL FOR TRUANCY AND DEFIANCE OF SCHOOL RULES

CONNECTICUT STATE DEPARTMENT OF EDUCATION

PRESENTATION CREATED BY BRIANNA GRANT, MICHELLE HAMILTON, AHN EXECUTIVE DIRECTOR
WHY Youth Service Bureaus can work for truancy issues in schools:
Many cases of truancy include issues of mental health, anxiety and phobia to school etc.

YSB’s are better suited to address these issues through the Juvenile Review Board rather than court.

A referral may be filed only after the school has exhausted all available options to resolve the problem. Please fill out this form in its entirety. A referral may be found insufficient if it does not include the following as required by state law including, but not limited to, Section 10-196a of the Connecticut General Statutes (C.G.S.); ("x") box if action has been taken:

- A meeting was held with the parent/guardian of the student who is truant and appropriate school personnel reviewed and evaluated the reasons for the student being truant. The meeting was held not later than 10 school days after the student's 4th unexcused absence in a month or the 15th unexcused absence in a school year.

- Child Find protocols were implemented.

- Efforts were made to engage and coordinate services and supports with community agencies that provide child and family services.

- Every year, at the beginning of the school year and upon any enrollment during the school year, the parent/guardian was informed in writing of his or her obligations under Section 10-184 of the Connecticut General Statutes.

- School personnel made reasonable efforts to notify the parent/guardian by telephone and/or mail whenever the student failed to report to school on a regularly scheduled school day and no indication was received by school personnel that the student's parent/guardian was aware of the student's absence.

If records are incomplete or do not exist, please attach an explanation with this referral.

A REFERRAL MAY BE FILED ONLY AFTER THE SCHOOL HAS EXHAUSTED ALL AVAILABLE OPTIONS TO RESOLVE THE PROBLEM

- Please fill out this form in its entirety and send to the AHM Youth Service Bureau Executive Director

- A referral may be found insufficient if it does not include the following as required by state law including, but not limited to, Section 10-198a of the Connecticut General Statutes
STEP ONE:

- A meeting should be held with the parent/guardian of the student who is truant and appropriate school personnel reviewed and evaluated.
- The meeting should not be later than 10 school days after the student’s 4th unexcused absence in a month or the 10th unexcused absence in a school year.
STEP TWO:

- Child Find protocols were implemented
- http://www.cpacinc.org/hot-topics/child-find/

Child Find Project at Connecticut Parent Advocacy Center (CPAC) is a mandated project funded by the Connecticut State Department of Education, Bureau of Special Education. Under the Individuals with Disabilities Education Act and Connecticut special education regulations, the Department of Education is responsible for locating and identifying children—from birth through age 21—who may be eligible for special education services.

Child Find is designed to assist the Connecticut Department of Education and local school districts with the implementation of this comprehensive Child Find system. The Child Find Project conducts ongoing public awareness activities in Connecticut, provides technical assistance to families and providers regarding the steps to receive special education and the identification process and connects families and other referral sources with the special education services and resources that a child may need.
Efforts were made to engage and coordinate services and supports with community agencies that provide child and family services.
STEP FOUR:

- Every year, at the beginning of the school year and upon any enrollment during the school year, the parent/guardian was informed in writing of his or her obligations under Section 10-184 of the Connecticut General Statutes.
STEP FIVE:

- School personnel made reasonable efforts to notify the parent/guardian by;
- telephone and by mail whenever the student failed to report to school on a regularly scheduled school day and no indication was received by school personnel that the student’s parent/guardian was aware of the student’s absence.
**TYPES OF REFERRALS**

- **Truant (4 per Month):** A student age 5-18, inclusive, who is enrolled in a public or private school and has 4 unexcused absences from school in any one month.

- **Truant (10 per Year):** A student age 5-18, inclusive, who is enrolled in a public or private school and has 10 unexcused absences from school in the current school year.

- **Habitually Truant:** A student age 5-18, inclusive, who is enrolled in a public or private school and has 20 unexcused absences within a school year.

- **Defiant:** A student who has been continuously and overtly defiant of school rules.
ATTENDANCE

- List specific dates of all absences in the space provided, indicating which were excused or unexcused.

- DO NOT simply reference the included attendance report.
If this referral is based on the student’s in-school conduct rather than truancy, provide documentation that the student has been continuously and overtly defiant of school rules and regulations. There must be a pattern of defiance over time. A single incident is NOT sufficient to establish that a student is defiant of school rules.

List all dates and descriptions of behavior and incidents.
COMMUNITY ENGAGEMENT

- Document attempts to engage community agencies providing child and family services.
- List dates and agencies and provide outcomes (if known).
- List dates of parent/guardian meetings indicating the parents attendance providing additional comments when needed.
- For example, referral for special education, IEP developed.
- List the date, parental/guardian attendance and additional comments regarding the student’s last PPT.
FINAL STEP

- Parent/guardian consents to the referral of their AHM Youth and Family Services and;
- Signature of RHAM Superintendent
- Signatures authorize the school district to provide to the youth service bureau any information, including educational records, that the school district deems necessary or appropriate.
- Final document is submitted to AHM Executive Director for review and approvals.
