Testimony:

I support Mrs. Barbara Fair. She believe we have rights. You knife a person, she got your back. I support Mrs. Barbara Fair to expand my knowledge and perspective in Carl Robinson. You put us behind bar and treat like animals how else we too act. Unless you been here you don't know. She get is. Barbara get it. Put her on board to give us our rights back. Mother Barbara Fair, we call her. She id a patron saint.
