

Name: Betsy Evans

Title: Corrections Finalists

Organization or Agency: Senior Citizen

Topic: Meeting Date Not Listed

NA

Testimony:

To our elected legislators,

You work for us! And none of these nominees will back our police. They are financially supported by Marxists who want to dismantle law and order. No one should be a watchdog for believing in communism. Get a life and grow up! Get out of your parents basements and the university and meet real people! They are so arrogant and elitist!
