

**Name:** Darrell Watkins

**Title:** No to Fair

**Organization or Agency:**

**Topic:** Meeting Date Not Listed

NA

**Testimony:**

To Connecticut Legislators:

I reject the nomination of Barbara Fair to this corrections advisory board as an ombudsmen. A ombudsman should respect the people that they are overseeing. Ms. Fair is not that person. She has spent her career taking down the police and corrections. She puts our state at risk. Vote no to say that you protect public safety.
