To Governor Lamont and the Correction Advisory Committee:

Hi my name is Derrick Bouknight, and I've been incarcerated for 14 years ,during this journey the name Barbara Fair has become a fixture through out the facility for the strength and courage she display on our behalf. Seeing Miss Fair in action is inspiring, you know without a doubt every move she makes is with pure intention. I've never seen someone move with purpose, and is willing to dedicate the there time for others like Miss Barbara will and for that she has my vote. Thanks to the committee for such a position. Things seem to moving in the right direction, let's find a way to be on the right side of history. Thank you.
