

Name: Kelly Jackson

Title: No to one nominee on 1/11/24

Organization or Agency: Concerned Citizen

Topic: Meeting Date Not Listed

NA

Testimony:

Dear Judiciary Committee,

I am deeply concerned with the nomination of an anti-police, anti-law enforcement nomination of Barbara Fair for an ombudsman position. She has shown nothing but disdain for our men and women who serve this state. We should back the blue not try to disarm them. I say vote no to protect our corrections officers and all who put on the uniform to protect and serve.
