Dear CAC Members

I'm writing to ask that Ms. Barbara Fair be recommended to become Connecticut's new Correctional Ombudsperson.

I truly believe she would serve the incarcerated population well in that position from day one. Ms. Fair's resume is impeccable and her achievements are worthy of praise, but most importantly her passion for what's right is irreplaceable. Please recommend Ms. Fair to be the new Ombudsperson.

Thank you for you time and attention to this letter.

Respectfully,

Samuel Davis
