

**Name:** Steve Kennedy

**Title:** Organizing and Network Director

**Organization or Agency:** People's Parity Project

**Topic:** Meeting Date Not Listed

NA

**Testimony:**

Barbara Fair and Ken Krayske have both dedicated significant energy to representing the interests of people who are incarcerated, and we would wholehearted support either of their appointments as Correction Ombudsperson. If only there were two open positions so they could both get the job. It is difficult to think of anyone better suited to the job. Thank you for your consideration.
