RE: Appointment of Correctional Ombuds (Barbara Fair)

I'm writing to recommended that Ms. Barbara Fair be selected for appointment as Connecticut's Correctional Ombuds.

Throughout out the last two decades Ms. Fair has demonstrated through hard work and diligence that she has the best interest of the incarcerated population in mind when she advocates for prisoners rights, mental health, dignity, and safety. I don't know any other human within the state of Connecticut that has proven visibly or behind the scenes that they have the same passion for the rights of incarcerated persons like Ms. Fair.

For that reason and the fact that she's an awesome human is why I ask that Ms. Barbara Fair be selected as the next Correctional Ombuds.

Sincerely,

Timothy Townsend, Jr.
