*The figures for FY 14 - FY16 reflect the transfer amounts stipulated pursuant to section 13-61a(b) of the General Statutes. However, section 13-61a(d) of the General Statutes establishes an alternative calculation to determine the transfers to the STF beginning in FY 14 . If the alternative calculation was used it would result in an increase in transfer amounts by approximately \$154.2 million in FY 2014, \$147.5 million in FY 2015, and \$144.8 million in FY 2016.
