The following document is the estimated town by town impact of the sHB 5030, the Appropriations Committee revised FY 15 budget, on major town aid.

Please note, for comparison purposes, the town by town distributions for bond authorizations for Town Aid Road, LoCIP, and Payments in lieu of MRSA were included. However, these figures are not final, as the Finance Committee has not released its final bonding recommendations.

This April 1, 2014 document reflects the addition of revised mill rate figures for Windham and Naugatuck, as provided by the Office of Policy and Management. The changes impact the Original FY 15 and Committee FY 15 figures for the State Property PILOT grant and the Pequot grant. These changes do not impact any other grant distributions. The Governor's FY 15 estimates for the State Property PILOT and Pequot grants are unchanged as OPM has not released revised estimates based on the new information.
