## Testimony to 2021 State of CT Reapportionment Committee

Marc J. Garofalo, MPA, CCTC  
Town/City Clerk  
Derby, CT

I appear to inform this Committee that I support the unanimous bi-partisan resolution adopted by the Derby Board of Aldermen/Alderwomen in November of 2020 asking the 2021 State of Connecticut Reapportionment to Committee to include the City of Derby in only one State House District and only one State Senate District and only one Congressional District when the new district lines are drawn by this Committee.

I urge your support of this endeavor because Derby is the smallest city in area in the State of CT and is currently part of three districts (104, 105, and 114). This makes our work as election officials more difficult, and it adds significant expense to our annual Election Budget.

We appreciate you consideration of this request.
