To the Reapportionment Commission

Darien is presently divided by the 25th and 27th State Senate Districts. The boundaries of these two districts mix the population of Darien with that of Norwalk and Stamford. I submit that the 25th and 27th Senate districts do not serve Darien; the population is weighted heavily to the voters of Norwalk and Stamford and dilutes the voters of Darien. Darien needs State Senate representation that is more accountable to Darien's interests. Darien needs to have representation in Hartford under one Senate district (not two). The State Senate boundaries need to be redrawn with Darien under one State Senator.
