LEGISLATIVE PURPOSE OF THE WORKFORCE INVESTMENT ACT OF 1998 (WIA)

“To consolidate, coordinate, and improve employment, training, literacy, and vocational rehabilitation programs in the United States, and for other purposes.”

• Replaced the Job Training and Partnership Act of 1982
• Continued federal involvement in workforce training and skills enhancement dating back to the Wagner Peyser Act of 1933
LEGISLATIVE PURPOSE OF THE WORKFORCE INNOVATION AND OPPORTUNITY ACT OF 2014 (WIOA)

- Increase access and opportunities
- Align workforce investment, education, and economic development systems
- Provide workers with skills and credentials to secure employment
- Improve the structure and delivery of services
- Increase prosperity of workers and employers

“One Voice, One vision, one conversation.”
VISION FOR THE WORKFORCE SYSTEM UNDER WIOA

• Recognition that the needs of businesses and workers drive effective workforce solutions and those solutions cut across demographic and social boundaries

• One-Stop American Job Centers are designed as collaborative spaces where jobseekers, workers, and employers receive timely customer service and the systems exist within a cycle of data-validated continuous improvement

• Workforce development boards, in partnership with workforce, economic development, education, and social service organizations, align education and training investments to regional civic and economic growth strategies; the workforce system must be ingrained in the ecosystem of the regional economy
