Nursing Homes with Positive Staff or Residents June 17-November 3, 2020

Nursing Home Testing

State-supported Care Partners: Weekly PCR testing

- **Surveillance screening:** All NH staff weekly
- **Outbreak testing:** All NH staff & residents weekly until no new positives for 14 days
- Excludes anyone who tested positive within the last 90 days

Testing Volume	Total	Staff	Residents
Care Partner tests past week	30,695	23,039	7,656
Cumulative Care Partner tests to date	446,205	324,607	121,598

Antigen testing: Machines provided by HHS

- Symptomatic residents/staff
- Staff who missed weekly screening
- More frequent screening when indicated during an outbreak
