

I am writing in to whomever this may concern. I OPPOSE SB 124, SB 504, SB 501, HB 5647, HB 5112, and HB 5452. Most of these bills are similar and have to do with banning magazines that accepted more than 10 rounds. Banning these magazines will not stop criminals from committing crimes. It will however affect law abiding citizens from being able to have a better fighting chance of defending themselves. This is like saying because some people drive drunk, we should ban cars from everyone. Instead let's focus on mental health, and making background checks easier. There are already 1000's of gun laws in the books already, let's ENFORCE those. Thank you.
