

It seems that all you politicians are jumping on the knee jerk bandwagon of gun banning and background checks. But, no one has given any details of what you are proposing.

Such as: 1) HOW OFTEN ARE YOU GOING TO REQUIRE A BACKGROUND CHECK?

2) WHO IS GOING TO PAY FOR ALL THIS ADMINISTRATIVE WORK?

ON 3) WHAT REQUIREMENTS FOR SPEEDY CHECKS ARE YOU PUTTING  
THE GOVERNMENT.

Please consider, that the LEGAL gun owner, pistol permit holder, has already had  
(2)

background checks just to get his/her permit. Most military members and veterans have had Federal background checks. People who have driven ,and drive school busses have

had background checks. Personally, I have had over six background checks for the military,

bus license, gun permit and various jobs. When will your inquisitions stop?
