

I am writing to request that our current gun laws be changed immediately.

Please ban ALL assault weapons and high capacity magazines. They have no place in our neighborhoods. Other than military or law enforcement, I feel there is no place for them in our society at all.

In addition, waiting periods and background checks MUST be mandatory. I would also think that individuals with any history of violent or semi-violent mental disorders would be denied access permanently.

I appreciate the opportunity to express my opinions. I am a resident of Wilton, CT, and feel that now is the time to come together to make positive changes for a safer CT.

Sincerely,

Ashley Gouveia
