

Hello-

As a resident of CT in a town neighboring Sandy Hook, as a parent and teacher, I implore you to use your knowledge, wisdom and power to take high powered, assault rifles that can shoot rounds of bullets out of the hands of common citizens. They have no place in any home nor should they be accessible to unstable individuals.

Please act to protect the citizens of CT.

Thank you,

Barbara Templeton
7 Hill Rd.
Redding, CT 06896
