

Hello:

I support legislation that bans high capacity ammo. No grandfathering in this domain. Strengthen the ban on assault weapons. Pass laws to make background checks mandatory and more than the gun buyer just checking off a list yes or no- that is "let me lie to you list" and meaningless. Need Safety checks every 3 years. and make it a Class D felony if a gun owner is negligent and his/her guns end up in the wrong hands. Newtown is now NEW TIME. We must move forward for the sake of innocent lives lost and make this world a safer place for you, me and the rest of its residents in CT and beyond.

NEW-TIME for NEWTOWN,

Brenda Jacobsen
