

Universal background checks

NO GUN SHOW LOOPHOLES

Funding of studies of gun violence

A ban on assault weapons and large magazines

A buy back program for assault weapons and large magazines

Mandatory gun safes in homes with guns.

I will vote one issue on this (and will encourage everyone I know to do the same) I was at the March in DC on Friday with the Newtown group, I will be in Hartford on 2/14 with much bigger numbers. I support a sane gun policy that takes your constituents well being into account more than the deep pockets of the gun lobby.
