

Dear State legislatures,

I am writing you today to voice my opposition for unfair and unwarranted attacks on law abiding gun owners. I am a life long CT citizen with a broad in state voter network. I am also now a ONE ISSUE VOTER. If you do not uphold your oath and support my natural given rights as defined in both the US and State of CT Constitutions I will work tirelessly to persuade everyone I know to vote you out of your public service post. On the other hand, I will also work tirelessly, in a similar fashion to persuade everyone I know in SUPPORT of the those legislators who do the right thing! We are all emotional after Sandy Hook, but this is not a time to turn your back on your duty and oath to uphold the constitution.

I shall also tell you I am a father of 2 children in Danbury 2 and 4 years old.

Regards,  
David Gera
